

GIVING BACK

Throughout our Company's existence, we have received support and guidance from Innumerable stakeholders, which include Employees, Distributors, Dealers, Users, Influencers, Associates, Partners, etc. Therefore, we are always conscious that what we are today is because of tremendous contributions made by all these stakeholders.

Apart from this, the society has provided us with an environment whereby our business has flourished, and we have been able to serve millions of users & customers located throughout the country as well as abroad.

We, therefore, owe a lot to the society and we have to fulfil our obligation by continuously giving back to the society to the best of our ability.

M B Parekh
Chairman

Changing Lives, One Act at a Time

Giving back to society creates a transformative cycle of positive change. It gives us a deep sense of purpose. It strengthens our bonds with our fellow human beings.

Through supporting farmers in adopting sustainable practices, we help them conserve resources and enhance their yields. Our Self-Help Groups (SHGs) uplift women from challenging agricultural work, empowering them with skills and financial independence. Initiatives in education and skill building set the stage for a brighter future for children and young adults. Moreover, we are bridging the healthcare gap by providing upgraded facilities to previously underserved villages.

Giving back is not about making a donation. It is about making a difference.

WOMEN'S INITIATIVE

Turning over a new leaf

How the women of Bapa Sitaram Watershed SHG Built a Business with Aloe Vera

Mrs. Kavad Baghuben Nathabhai
Bildi Village

Bildi village's hot fields make earning money hard, and dreaming even harder. But we women were determined to offer our children a future that didn't depend on daily wages like ours.

Aloe Vera had been growing wild in our village for years. Pidilite recognised its potential as an income generator through value addition. They identified forest areas where it grew naturally and in abundance, and supported our Self Help Group (SHG). They not only helped us in setting up a production unit but also provided marketing assistance, logistical support, and valuable guidance.

We kickstarted our venture with 8 women and a small crusher. As the orders increased, land was purchased and a new unit built. Today, over 40 women produce 1000+ litres of aloe vera juice per day and it's still not enough to fulfil the growing demand.

Aloe Vera has helped us run the house, educate our kids, and repay our debts. Now our children can have a brighter future.

AGRICULTURE & HORTICULTURE INITIATIVE

Natural Farming initiative at Mota Khuntavada

How Dangar Khimabhai Patabhai introduced Integrated Farming on his 25 Bighas of Land

I am grateful to Mother Earth and strongly believe in responsible farming practices. Every grain of sand, leaf and plant in my 25 bighas of land is mine to cherish. Why would I pollute or poison this precious ground? So, I chose the "Integrated Farming" approach - a practice that rewards our farm with multiple sources of income.

Integrated farming requires an increased income, and Gram Nirman Samaj (GNS) and the Pidilite team supported me with financial and farming aid. This increased my annual earnings considerably. Going organic has transformed my land. My farm is now recognised for its Orchard Project, Kitchen Garden Plot, Shade Net House, Vermi-composting Unit, Honey Bee Hive and Gobar Gas Project.

However, my greatest reward is watching fellow farmers embracing sustainable practises. Today, GNS and Pidilite are training 18000+ farmers in scientific practices that enhance cotton, groundnut and onion crops.

EDUCATION INITIATIVE

Dare to Dream

Pidilite's support and scholarship gave Mer Parshottam the confidence to dream

Mer Parshottam
Kalsar

My father died when I was very young, taking with him a vital part of my sense of safety and security. Our financial struggles were never ending, so much so that I didn't think I would be able to complete even a basic education.

Life changed when Pidilite offered me a scholarship through the Shri N. N. Mehta Memorial Education trust. My scholarship offered four crucial years of studying, and a chance to make a decent living for myself and my family.

I was able to successfully complete my 12th standard boards at Shri Balvant Parekh Kalyanji Boys School in Kalsar. Pidilite helped me gain back the confidence I needed to pursue my education and my dreams. Thanks to them, one day I will become the man my father would have wanted me to be.

Pidilite tames Rangholi River with vital check dams

260+ CHECK DAMS CONSTRUCTED

720+ FARM PONDS COMPLETED

1,400+ WELL RECHARGES IN VILLAGES

200+ MILLION LITRES OF WATER CONSERVED

YEAR: 2022-23

132 METERS

CHECK DAM (ONE OF THE LONGEST CHECK DAMS BUILT BY PIDILITE IN COLLABORATION WITH IRRIGATION DEPARTMENT (GOVT. OF GUJARAT)

Over 1,500 residents of Zanzmer village depend on the Rangholi River to support our agriculture and horticulture livelihoods. But without check dams, rainwater would flow away, leaving the soil cracked and parched. In 2016 and 2017, we didn't have a drop of water.

Hearing our cries for help, Pidilite advocated for us with the Gujarat Government, resulting in one of the longest check dams to be built by the company.

Groundwater recharge brought our ancient wells and borewells to life, by significantly increasing the water levels. We no longer need to buy water from tankers. The farming season has increased. Our cotton yield has expanded. We were also able to grow jowar on 5-7 bighas of land-in just one year!

With Pidilite's help, the Rangholi River brings colour and crops to our land.

SKILL INITIATIVE

The Plumber and Problem Solver

Kirpal Singh Vala shares how plumbing and Pidilite set him on the path to independence

Kirpal Singh Vala
ITI Mahuva, Bhavnagar District

Formal education in our district is available only till 10th standard. I wanted to have a respected profession and support my family, which is why I joined ITI Mahuva in Bhavnagar.

My course involved studying extensive theory and hours of practice with new tools and doing repairs. I had to learn to think on my feet in times of an emergency. Fortunately, I had help from the Pidilite supported Plumber Course. The course covered all aspects of plumbing - from site visits to expert sessions. I gained experience and learned from the best.

Today, I am an independent worker who earns ₹ 25,000+ per month. For all this, and more, I thank Pidilite for helping me become not just a plumber but also a problem solver.

Three Life-saving Days

How a skilful team of doctors discovered a large ovarian cyst hiding behind my abdominal pain

45,500+ OUTPATIENTS TREATED	12,500+ EMERGENCY CASES HANDLED
3,100+ SURGERIES PERFORMED	

Early this year, I had unbearable abdominal pain. The hospital in Bhavnagar, where most patients go, was a hundred kilometres away. Luckily, Hanumant Hospital which is a multi-speciality hospital, was close at hand.

Once I was admitted, Dr. Azim Qureshi was able to discover and diagnose a cyst through an ultrasound and CT scan. He immediately moved my case to Dr. Ritika Ganatra, the hospital's full-time gynaecologist. With the whole team's dedicated efforts, I was successfully operated within 3 days under the "Ayushman Bharat Yojna" program. During this incredibly complex surgery, they removed a 24 x 24 cm ovarian cyst along with another cyst measuring 10 x 12 cm.

Surgery and recovery can feel like a lonely and confusing experience, but with this skilled team, I was thankful to be in the right hands, at the right place.

Mrs. Raniben

MARKETING INITIATIVES

We continued our marketing initiatives to strengthen our core brands. With a touch of humour and a focus on current social trends, our brands connected with new-age customers in a fun and quirky way, deepening brand loyalty. Our efforts were recognized as Pidilite proudly received over 20 awards for our outstanding advertising and marketing achievements.

Marketing Campaigns

Fevicol Jija Saala

This year's campaign, Fevicol Jija Saala, a deliberate shift from the 'Mazboot Jod' themed campaigns, aims to educate consumers on the importance of verifying Fevicol's usage in their furniture as its strength lies in the adhesive that binds it together.

Dr. Fixit Raincoat

Our campaign for Dr. Fixit Raincoat, featuring Amitabh Bachchan, effectively conveys the product's unique features of combining both paint and waterproofing, along with a warranty.

Araldite
Heavyweight Adhesive

Araldite, the heavyweight adhesive makes its grand entrance after being acquired by Pidilite, in a nationwide TV campaign that unveils its unparalleled strength.

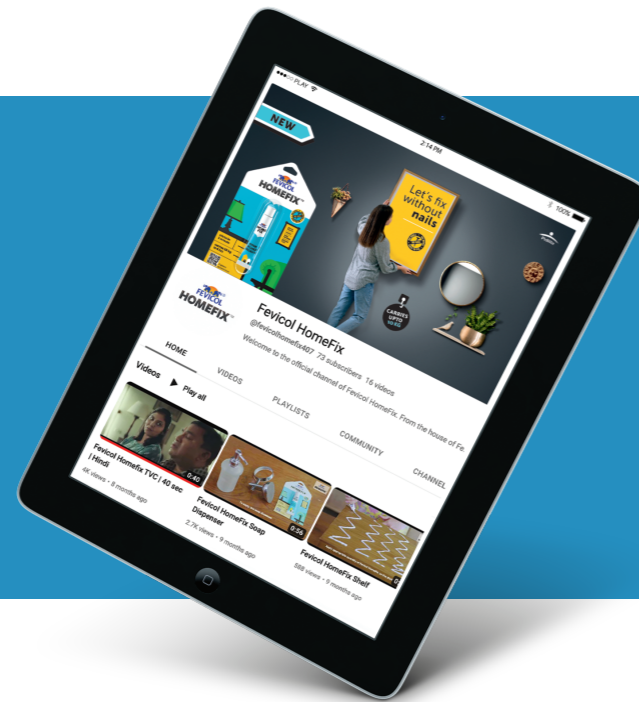

WD-40

Our quirky brand film for WD-40 showcases the superhero abilities of our versatile multi-purpose spray. Watch as WD-40 defeats rust, unlocks stubborn locks, and silences those pesky squeaky door hinges.

Fevicol
Homefix

The New Fevicol Homefix commercial was piloted in Kerala for Fevicol Homefix, which is a new innovative product for carrying out various repair and bonding jobs at home without the use of nails.

ICA Pidilite

ICA Pidilite's classy new film, 'The Mother's Visit,' promotes their chic range of Italian Wood Finishes. The film aptly captures the insight that sophisticated tastes can easily influence peoples moods, tastes, and preferences.

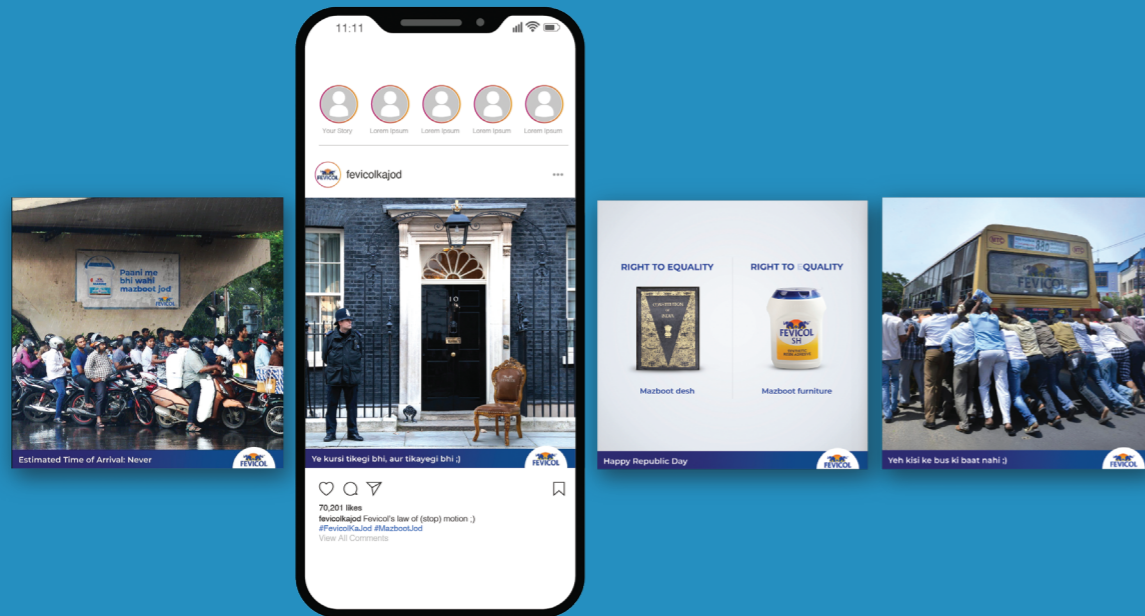

M-seal

The latest captivating M-Seal campaign, featuring the brilliant Manoj Pahwa, is increasing brand awareness. Discover its limitless possibilities as M-Seal mends, fills, and seals, becoming your go-to solution for fixing, repairing, and sealing anything that's broken.

SOCIAL MEDIA HIGHLIGHTS

Pidilite's creatives are causing a stir on social media with humorous takes on trends and hot topics. From cheeky jabs at the ever-changing UK Prime Ministers to clever posts celebrating Republic Day, Fevicol's witty tonality never fails to spark conversations and leave a lasting impression. These captivating creatives not only reinforce the unmatched strength of Fevicol's bonds but also bring joy to countless faces. Presented here are some examples that keep brand loyalty soaring and strengthen the power of Fevicol's "Mazboot Jod"!

Fevikwik has also delighted social media audiences with hilarious takes, like celebrating an Oscar-winning Indian song.

AWARDS AND ACCOLADES

We are thankful for the overwhelming recognition our marketing endeavours received this year. We won over 20 esteemed marketing and media awards, predominantly for creating engaging mobile creatives that won 'Best Use Of Memes And Moments'. We also received some solid corporate recognition as well.

Some of the prominent accolades include:

Gold for "Best CSR Campaign" at the ET Brand Equity Shark Awards 2022, for Fevicol's quirky social distancing communication around the pandemic.

Gold for "Most Engaging Mobile Creative" at the MADDIES 2022, for our timely social media post following Ronaldo's Coca-Cola snub.

Gold for "Best use of Memes & Moments" at the SAMMIES 2022, for turning Ronaldo's Coca-Cola snub into an advertising moment.

The e4m Indian Marketing Awards (IMA) and the Indian Chemical Council conferred the Lifetime Achievement Awards to Bharat Puri, Managing Director of Pidilite Industries Ltd.

Dr. Fixit

Dr. Fixit launched a digital campaign in Bangladesh with prominent cricketer, Mashrafe Mortaza. The campaign created awareness for waterproofing at the time of constructing a new home and increase adoption amongst users and influencers.

M-Seal

M-Seal launched its CPVC solvent and PVC Heavy Body solvent cement in the new technology pack across 1200 outlets in Nepal. Exciting in-store displays, user meets, and product demonstrations resulted in 600 plumbing contractors and plumbers adopting the new packs.

Pulvitec

Pulvitec's brand and portfolio was reorganised under three master brands, in order to simplify and facilitate communication and brand recognition.

- Polyfort- Adhesives, sealant and waterproofing solutions
- Polytubes - Hydraulic solutions
- Super Storm - Smart cleaning solutions

NEW INITIATIVES

Pidilite's Projects services business concluded waterproofing work for the prestigious Central Vista complex of the Parliament of India.

We take immense pride in our significant contribution towards the construction of the fine New Parliament Building. Leveraging the

expertise of our esteemed business divisions, Dr. Fixit, Fevicol, FeviSeal, ICA Pidilite, and OnePidilite, we delivered unparalleled excellence in waterproofing, wood finishes and furniture bonding.

We are proud to be associated with a project of national significance.

Our dedicated teams have poured their expertise, passion, and time into this prestigious initiative.

From meticulous planning to meticulous execution, we have set new industry benchmarks and further cemented the company's commitment to exceptional craftsmanship.

Fabian Heiliger, Managing Director, Jowat Middle East & Sudhanshu Vats, Deputy Managing Director, Pidilite Industries Ltd.

Pidilite received the prestigious Indian Green Building Council (IGBC) Greenpro certificate for the Roff and HVAC product range, at the grand Green Building Congress in Hyderabad. This showcases our commitment to sustainable and ecoconscious solutions.

Embracing a new partnership, Pidilite will produce Fevicol Jowat, a range of hot melts in collaboration with Germany's Jowat, in Vapi, India. This venture caters to thriving industries like furniture, packaging, automotive, textiles, that require exceptional specialised adhesives.

Wallace, an external insulated facade system was launched under Pidilite's B-Green initiative, to introduce superior Energy-efficient Building Envelope Systems.

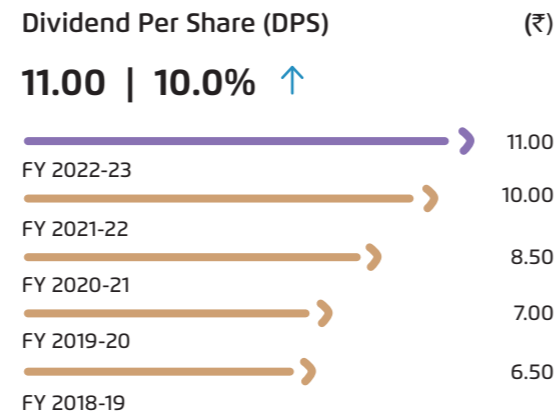

Pidilite received the GRIHA Council certification for Heating, Ventilation and Air Conditioning (HVAC) products, this year. This means our top-notch range of Pidilite products perfectly align with the GRIHA and SVAGRIHA norms, ensuring a greener and more sustainable future.

Performance by Industry Segment (Standalone)

The Company operates under two major business segments i.e. Branded Consumer & Bazaar and Business to Business.

Products, such as Adhesives, Sealants, Art & Craft Materials and Others, Construction and Paint Chemicals are covered under Branded Consumer & Bazaar segment. These products are widely used by carpenters, painters, plumbers, mechanics, households, students, offices etc.

Business to Business segment covers products, such as Industrial Adhesives, Industrial Resins, Construction Chemicals (Projects), Organic Pigments, Pigment Preparations, etc. and caters to various industries like packaging, joineries, textiles, paints, printing inks, paper, leather, etc.

In both business segments, there are a few medium to large companies with national presence and a large number of

small companies which are active regionally. Multinational companies are also present in many of the product categories in which the Company operates.

Business Segment / Product Category % (FY 2023)

Standalone - % of Total Sales based on FY 2022-23

Business Segment / Product Category % (FY 2022)

Standalone - % of Total Sales based on FY 2021-22

Note

During FY 2021-22, the Company had filed two merger applications with NCLT of its wholly owned subsidiaries namely Pidilite Adhesives Pvt. Ltd (PAPL) and Cipy Polyurethanes Pvt. Ltd (CIPY). Consequent to the filing of NCLT orders approving the mergers

with ROC, mergers have become effective from the appointed date being 1st April, 2022. Accordingly, the FY 2022 numbers have been restated for the accounting impact of the merger, as if the merger had occurred from the beginning of the previous year.

of the sales of the Company and grew by

24.4%

Pigments and Preparations contributed

4.4%

of the sales of the Company and declined by

6.1%

Others

Others mainly includes sale of raw materials.

Current Year Outlook

Last year (FY 2022-23) was the first normal year post COVID and witnessed steep increases in input costs, particularly in the first half and other inflationary pressures. Domestic demand was also impacted due to price increases taken to counter the input cost pressures.

Input prices have corrected since the second half of last year and with improvement in availability of raw materials, the outlook for the current year is for costs to remain at present levels, barring unforeseen circumstances. Domestic demand conditions are also improving especially in the construction sector. However, the steep increase in interest rates and depressed demand conditions in the developed markets do indicate demand headwinds especially for exports.

The Company is taking actions to drive demand generation initiatives to deliver profitable volume growth.

The existing subsidiaries in India have delivered strong sales and profit growth, despite demand and inflationary pressures. A series of actions and initiatives have been taken to maintain and strengthen the performance in the year. New manufacturing facilities for three subsidiaries are to be commissioned in the current year which will enable them to address the market opportunity.

The Company's major international subsidiaries are in Brazil, Sri Lanka, Thailand, Egypt, Dubai and Bangladesh. The business environment in some of these countries remains subdued due to geo-political tensions, currency challenges and inflation.

However, the management is taking various steps to increase sales and market share in their respective geographies along with improvement in performance of these subsidiaries. The subsidiary in USA has decided to wind down its business in the current year.

Outlook on Opportunities, Threats, Risks and Concerns

The Indian economy provides a large opportunity to the Company to market its differentiated products. The additional spending in Government programmes like rural employment schemes and higher capex spending emphasizes the focus on infrastructure and increasing disposable income in the hands of common people. This will act as a catalyst for the growth of the economy which will eventually create demand for the Company's products. Further, the home improvement area offers opportunities for growth given the

focus on affordable housing, new construction as well as renovation.

Slower growth of the Indian economy and stress in sectors such as construction could impact the performance of the Company. While there are near term concerns around increased interest rates and the consequent impact of this on market growth, the Company is confident of the medium to long-term prospects of the home improvement sector and remains focused on delivering consistent and profitable volume-led growth.

Overseas subsidiaries, by virtue of their relatively smaller size, remain vulnerable to the political and economic uncertainties of their respective countries and the rise in geo-political tensions could dampen the performance of the subsidiaries.

Human Resources

FY 2022-23 saw employees return to office after two years of remote working. It was a transition year marked by evolving hybrid work models where employees enjoyed both the flexibility of working from home as well as physically meeting & collaborating.

Happiness, health, fitness continued to be our champion causes enabled through the HAH Cares (Happy & Healthy) initiative. The physical event after a gap of 2 years saw employees and their families reconnect, refresh and exhibit both their team spirit and competitive spirit in equal measure.

Gurukool, our online learning Experience Platform or LXP continued to build content and increase its footprint throughout the year. Initiated with the intention to provide L&D opportunities to all employees for higher engagement, and increased knowledge it has played a key role in helping us build a value-based culture and a sense of community.

The highlight of the year however was connecting to our roots and growing stronger through two key events, Smriti Milan and The Founder's Day.

Smriti Milan is a forum provided for retired employees of the Company, to come together to reconnect with old colleagues along with their spouse. Reconnecting and meeting old colleagues after three years was a treasured moment for all ex and current employees. It provided them an opportunity to reminisce cherished memories of time spent at the Company and make new ones to share with their family members.

Founder's Day, or the day we remember our Founder Shri B. K. Parekh and celebrate every Pidilitian and our ways of working, was conducted physically after two years on 10th March, 2023. Like each time the event had an eclectic mix of fun, messaging, and bonding. The highlight of the event was the launch of the centenary year celebrations of our Founder in 2024.

The year saw us add another feather in our cap, "The Spirit of Pidilite Awards", which is an initiative to continuously reward and recognise our employees whose contribution to Pidilite in various fields has been exemplary. The intent is to establish a "Fair and Transparent" process giving every employee an equal opportunity to participate and helping the organization drive high benchmarks in everything that we do.

With a renewed sense of optimism and focus, the organisation is looking forward to a successful FY 2023-24. The entire organisation will be celebrating and drawing lessons from Shri B. K. Parekh's life as well as working towards creating and surpassing our high benchmarks in all areas.

The total number of employees on the rolls of the Company was 7,310 as on 31st March, 2023.

Miscellaneous

The Company's Net Worth (Equity capital + Reserves) has grown from ₹ 4,187 crores as on 31st March, 2019 to ₹ 7,108 crores as on 31st March, 2023, giving a Compounded Annual Growth Rate (CAGR) of 14.1%

The market capitalisation of the Company on 31st March, 2023 was ₹ 1,19,647 crores and has grown at a CAGR of 29.27% since the IPO in 1993.

Other Matter

Internal Control Systems and their adequacy is elaborated in the Director's Report.

Cautionary Statement

Statements in this Management Discussion and Analysis Report describing the Company's objectives, projections, estimates and expectations may be 'forward looking statements' within the meaning of applicable laws and regulations. Actual results might differ.

ECONOMIC VALUE ADDED (EVA)

COMPUTATION OF EVA

EVA = Net Operating Profit After Tax (NOPAT) - Weighted average cost of capital employed.

NOPAT = Net profit after tax + post tax interest cost at actual.

Weighted average cost of capital employed = (Cost of equity x average shareholder funds) + (cost of debt x average debt).

Cost of equity = Risk-free return equivalent to yield on long term Government of India (GOI) securities (taken @ 7.27%) + market risk premium (assumed @ 6.50%) x beta variant for the Company (taken at 0.83), where the beta is a relative measure of risk associated with the Company's shares as against the stock market as a whole.

Cost of debt = Effective interest applicable to the company based on an appropriate mix of short, medium and long term debt, net of taxes.

Item	2018-19	2019-20	2020-21	2021-22 [^]	2022-23

[§] During previous year, the Company had filed two merger applications with National Company Law Tribunal (NCLT) with respect to the merger of its wholly owned subsidiaries namely Pidilite Adhesives Pvt. Ltd (PAPL) and Cipy Polyurethanes Pvt. Ltd (CIPY). Consequent to the filing of NCLT orders approving the mergers with Registrar of Companies, mergers have become effective from the Appointed date being 1st April 2022. The above being a common control transaction, the previous year figures have been restated for the accounting impact of the merger, as if the merger had occurred from the beginning of previous year.

* Pertaining to dividend for FY 2021-22
Pertaining to dividend for FY 2020-21

The dividend payout is in accordance with the Dividend Distribution Policy, which is available on the website of the Company <https://pidilite.com/investors/corporate-governance>

Financial Performance

Comments on Financial Performance are included in Management Discussion and Analysis section.

Dividend

Your Directors recommend a dividend of ₹ 11.00 per equity share of ₹ 1/- each, (previous year ₹ 10.00 per equity share of ₹ 1/- each) amounting to ₹ 559.15 crores (previous year ₹ 508.30 crores) out of the current year's profit, on ₹ 50.83 crores equity capital (previous year ₹ 50.83 crores). Dividend is subject to approval of members at the ensuing Annual General Meeting and shall be subject to deduction of income tax at source. The dividend payout amount has grown at a CAGR of 14.08% during the last 5 years.

PBT, PAT & Growth (YOY)

Excludes Exceptional Items

[^] Previous year's figures restated on account of merger (refer Note 56 of Standalone Financial Statements)

Transfer to Reserves

The Company does not propose to transfer amounts to the general reserve.

Term Finance

The Company has no outstanding term loans (previous year NIL).

Capital Expenditure

The total capital expenditure during the year was ₹ 456.94 crores (previous year ₹ 377.32 crores) primarily spent on fixed assets for various manufacturing units, offices, laboratories, warehouses and on Information Technology.

Deposits

The Company has not accepted any deposits covered under Chapter V of the Companies Act, 2013 during the financial year 2022-23 (previous year NIL).

Subsidiaries

Investment in Subsidiaries

During the year, total investment of ₹ 78.59 crores (previous year ₹ 104.94 crores) was made in subsidiaries. Of this, ₹ 53.38 crores was invested in domestic subsidiaries and ₹ 25.21 crores in overseas subsidiaries.

Domestic and International Subsidiaries Performance

(₹ in crores)						
Domestic Subsidiaries	Sales 2022-23	Sales 2021-22	% Growth	EBITDA 2022-23	EBITDA 2021-22	% Growth
Consumer & Bazaar	391.19	295.67	32.3%	66.80	42.87	55.8%
Business to Business	315.93	276.63	14.2%	6.33	(22.55)	N.A.

Domestic Subsidiaries in Consumer and Bazar segment continue to deliver industry-leading profit and growth. The Subsidiaries in Business to Business segment showed signs of revival in revenue growth and losses were substantially reduced.

(₹ in crores)						
International Subsidiaries	Sales 2022-23	Sales 2021-22	% Growth	EBITDA 2022-23	EBITDA 2021-22	% Growth
Americas*	257.97	244.89	5.3%	(2.98)	10.33	N.A.
Asia	314.21	261.19	20.3%	50.20	40.73	23.3%
Middle East & Africa	258.44	210.49	22.8%	8.76	(1.19)	N.A.

Overseas subsidiaries figures are at constant currency.

* Pidilite USA Inc has decided to discontinue the operations of its Sargent Art Division, in a phased manner. Revenue from operations and (loss) before tax pertaining for FY 2022-23 is ₹ 128.8 crores and ₹ (5.2) crores respectively.

The investments in domestic subsidiaries were in Pidilite Ventures Pvt Ltd amounting to (₹ 28.12 crores), Pidilite Litokol Pvt Ltd (₹ 12.22 crores) and Pidilite Grupo Puma Manufacturing Ltd (₹ 13.04 crores)

The investments in overseas subsidiaries were in Pidilite Middle East Ltd (₹ 17.03 crores) and Pidilite International Pte Ltd (₹ 8.18 crores).

During the year

- A new Company in name of Solstice Business Solutions Pvt. Ltd (SBSPL) was incorporated on 6th April, 2023, a wholly owned subsidiary of Pidilite Ventures Private Limited, which is a wholly owned subsidiary of the Company. SBSPL, is intended to carry out inter alia the business of providing services, for construction, repair, renovation.
- The Company through its subsidiary Pidilite Ventures Private Limited made investments in early-stage companies, which would augment our capabilities.
- Plus Call Technical Services LLC, a Joint Venture, where Pidilite Middle East Limited, wholly owned subsidiary of the Company holds 40% of the share capital, was dissolved.

Amidst uncertain global economic conditions and inflationary pressures, International Subsidiaries reported moderate sales growth along with improvement in EBITDA.

Consolidated Financial Statements

In accordance with the provisions of Companies Act, 2013 (hereinafter referred to as 'the Act'), Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as 'Listing Regulations') and applicable Accounting Standards, the Audited Consolidated Financial Statements of the Company for the financial year 2022-23, together with the Auditor's Report, form part of this Annual Report. A statement containing the salient features of the Company's subsidiaries and associate companies in the prescribed Form AOC- 1, are set out in Note No. 59 to the Consolidated Financial Statements.

The Consolidated Financial Statements have been prepared on the basis of audited financial statements of the Company, its subsidiaries, associate companies and joint venture, as approved by their respective Board of Directors except Pulvitec Do Brazil Industria e Comercio de Colas e Adesivos Ltda which has been approved by the local administrator.

The accounts of the subsidiaries are also uploaded on the website of the Company, <https://pidilite.com/investors/financials/>

None of the Directors of the Company are disqualified for being appointed as Directors as specified under Section 164(2) of the Act read with Rule 14(1) of the Companies (Appointment and Qualification of Directors) Rules, 2014.

Policy on Directors' remuneration

The policy on Directors' remuneration is available on the website of the Company, <https://pidilite.com/investors/corporate-governance/>. The remuneration paid to the Directors is as per the terms laid out in the said policy.

Directors' Responsibility Statement

Your Directors confirm that:

- in the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- they have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year ended 31st March, 2023 and of the profit of the Company for that period;
- they have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- they have prepared the annual accounts on a going concern basis;
- they have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and are operating effectively; and
- they have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

Annual Evaluation by the Board of its own performance, its Committees and individual Directors

The Board has put in place a mechanism for evaluation of its own performance and performance of its Committees and individual Directors. The evaluation of the Board, Committees, Directors and Chairman of the Board was conducted based on evaluation parameters, such as Board composition and structure, effectiveness of the Board, participation at meetings, domain knowledge, awareness and observance of governance, etc. For further details, please refer to the Report on Corporate Governance, which forms a part of this Annual Report.

Familiarisation Programme

The Company has put in place an induction and familiarization programme for all its Directors including the Independent Directors.

The familiarization programme for Independent Directors in terms of provisions of Regulation 46(2)(i)

of the Listing Regulations is uploaded on the website of the Company.

Number of Meetings of Board of Directors

Five meetings of the Board of Directors of the Company were held during the financial year 2022-23. For further details, please refer to the Report on Corporate Governance, which forms a part of this Annual Report.

Statement of Declaration on Independence given by Independent Directors

All the Independent Directors of the Company have given declarations that:

- a. they meet the criteria of independence as laid down under the Act and the Listing Regulations;
- b. they have complied with the Code of Independent Directors prescribed under Schedule IV of the Act; and
- c. they have registered themselves with the Independent Directors' Database maintained by the Indian Institute of Corporate Affairs.

Corporate Governance

The Company is committed to good corporate governance practices. The Report on Corporate Governance, as stipulated under Listing Regulations, forms an integral part of this Annual Report. The requisite certificate from M/s Parikh & Associates, Practising Company Secretaries, is attached to the Report on Corporate Governance, which forms a part of this Annual Report.

Management Discussion and Analysis Report

The Management Discussion and Analysis Report for the year under review, as stipulated under the Listing Regulations, is presented in a section forming part of this Annual Report. For the sake of brevity the items covered in this Report are not repeated in the Management Discussion and Analysis Report.

Committees of the Board

The following are the statutory Committees constituted by the Board and they function according to their respective roles and defined scope:

- Audit Committee
- Nomination and Remuneration Committee
- Corporate Social Responsibility Committee
- Stakeholders Relationship Committee
- Risk Management Committee

Details of composition, terms of reference and number of meetings held for respective Committees are given in the Report on Corporate Governance, which forms a part of this Annual Report. Further, during the year under review, all recommendations made by the Audit Committee have been accepted by the Board.

Corporate Social Responsibility (CSR) Report and CSR Policy

The CSR Report as per Section 135 of the Act read with Companies (Corporate Social Responsibility Policy) Rules, 2014 and amendments thereto, is attached as **Annexure 1** to this Report. The details of CSR Initiatives forms part of Social & Community Service Initiatives section of this Annual Report. CSR Policy can be accessed on website of the Company <https://pidilite.com/investors/corporate-governance/>.

Vigil Mechanism / Whistle Blower Policy

The Company has established a Vigil Mechanism and Whistle Blower Policy for its Directors and employees. The said policy has been communicated to the Directors and employees of the Company and is also posted on the website of the Company <https://pidilite.com/investors/corporate-governance/>. For further details, please refer to the Report on Corporate Governance, which forms a part of this Annual Report.

Policy relating to Prevention of Sexual Harassment

In accordance with the requirements of the Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013 ("POSH Act") and Rules made thereunder, the Company has formulated a Prevention of Sexual Harassment Policy, which mandates no tolerance against any conduct amounting to sexual harassment of women at workplace. The Company has formed an Internal Complaints Committee to redress and resolve any complaints arising under the POSH Act. To build awareness in this area, Company has been conducting induction/ training programmes in the organisation on a periodical basis. For further details, please refer to the Report on Corporate Governance, which forms a part of this Annual Report.

Statutory Auditors

M/s Deloitte Haskins & Sells LLP, Chartered Accountants (Firm Registration No. 117366W/W-100018) will complete their present term on conclusion of the ensuing 54th AGM.

There is no qualification or adverse remark in Auditors' Report. There is no incident of fraud requiring reporting by the Auditors under Section 143(12) of the Act.

The Board of Directors have recommended the appointment of M/s. B S R & Co. LLP, Chartered Accountants (Firm Registration No 101248W/W-100022) as the Statutory Auditors of the Company, for a term of 5 consecutive years commencing from the conclusion of 54th AGM till the conclusion of 59th AGM of the Company.

M/s. B S R & Co. LLP have confirmed their eligibility and qualification required under the Act for holding the office as Statutory Auditors of the Company.

Cost Auditor

The Company has maintained cost records as specified by Central Government u/s 148(1) of the Act. M/s. V J Talati & Co., Cost Accountants, were appointed as the Cost Auditor for the financial year 2022-23 to conduct the audit of the cost records of the Company and they have been reappointed as the Cost Auditor for the financial year 2023-24. In terms of the provisions of Section 148(3) of the Act, read with the Companies (Audit and Auditors) Rules, 2014, as amended, the remuneration payable to the Cost Auditor has to be ratified by the Members of the Company. Accordingly, at the ensuing AGM, the Board seeks ratification of the remuneration payable to the Cost Auditor for the financial year 2023-24.

Secretarial Auditor and Secretarial Audit Report

Pursuant to the provisions of Section 204 of the Act and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed M/s. Parikh & Associates, Practising Company Secretaries to undertake the Secretarial Audit of the Company for the financial year 2022-23.

The Secretarial Audit Report for the financial year 2022-23 under the Companies Act, 2013 read with Rules made thereunder and Regulation 24A of the Listing Regulations, is set out in **Annexure 2** to this report. There is no qualification or adverse remark in their Report.

Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo

The particulars under Section 134 of the Act, read with the Companies (Accounts) Rules, 2014 are attached as **Annexure 3** to this Report.

Risk Management

In compliance with Regulation 21 of the Listing Regulations, a Risk Management Committee has been constituted by the Board. The Risk Management Committee, also known as The Risk Management Oversight Committee, is entrusted with roles and powers as specified in Part D of Schedule II of Listing Regulations.

The Company has laid out a risk management policy for identification and mitigation of risks. The Company has also constituted a Management Risk Committee which is chaired by the Managing Director and has Senior Leadership of the Company as its members. The Management Risk Committee identifies the key risks for the Company, develops and implements the risk mitigation plan, reviews and monitors the risks and corresponding mitigation plans on a regular basis and prioritises the risks, if required, depending upon the effect on the business/reputation.

The other details in this regard are provided in the Report on Corporate Governance, which forms a part of this Annual Report.

Contracts and Arrangements with Related Parties

All contracts/arrangements/transactions entered into by the Company during the financial year under review with related parties (as defined in the Act and Listing Regulations) were in the ordinary course of business and on an arm's length basis. During the year, the Company did not enter into any contract/arrangement/transaction with related parties, which could be considered as material in accordance with the Policy of the Company on Materiality of Related Party Transactions (RPT Policy) or which is required to be reported in Form No. AOC-2 in terms of Section 134(3)(h) read with Section 188 of the Act and Rule 8(2) of the Companies (Accounts) Rules, 2014.

The RPT Policy, as approved by the Board, is available on the Company's website: <https://pidilite.com/investors/corporate-governance/>.

Disclosure of related party transactions with the promoter(s)/promoter(s) group which individually hold 10% or more shareholding of the Company, as per the Indian Accounting Standards, are set out in Note No. 44 of the Standalone Financial Statements of the Company.

Particulars of Loans, Guarantees or Investments

Details of loans, guarantees or investments covered under the provisions of Section 186 of the Act are given in the Notes to the Financial Statements.

Employees Stock Option Scheme

The Employees Stock Option Scheme (Scheme) is in line with SEBI (Share Based Employee Benefits) Regulations, 2014. The certificate of Secretarial Auditors regarding implementation of the Scheme is available for inspection of Members in electronic mode.

The applicable disclosure, as stipulated under Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021, as on 31st March, 2023 with regard to Scheme, is provided in **Annexure 4** to this Report.

Annual Return

Annual Return of the Company is available on the website of the Company viz. <https://pidilite.com/investors/general-meetings/>

Business Responsibility and Sustainability Report

A Business Responsibility and Sustainability Report as per Regulation 34 of the Listing Regulations, detailing the various initiatives taken by the Company on the environmental, social and governance front, forms an integral part of this Report.

Internal Control Systems and their Adequacy

The Company has adequate internal financial control procedures commensurate with its size and nature of business.

The Company has appointed Internal Auditors who periodically audit the adequacy and effectiveness of the internal controls laid down by the management and suggest improvements.

The Audit Committee of the Board of Directors approves the annual internal audit plan and periodically reviews the progress of audits as per approved audit plans along with critical internal audit findings presented by internal auditors, status of implementation of audit recommendations, if any, and adequacy of internal controls.

Significant/Material Orders passed by the Regulators

There are no significant/material orders passed by the Regulators or Courts or Tribunals impacting the going concern status of the Company and its operations in future.

Particulars of Employees and Related Disclosures

Disclosures pertaining to remuneration as per Section 197(12) of the Act, read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 is attached as **Annexure 5** to this Report.

Details of employee remuneration as required under provisions of Section 197 of the Act and Rule 5(2) of Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (including any modifications, thereof) shall be made available to any shareholder, on request.

General

The Company has neither issued equity shares with differential rights nor any sweat equity shares.

There have been no material changes and commitments affecting the financial position of the Company between the end of financial year and the date of this Report.

The Company has complied with Secretarial Standards issued by the Institute of Company Secretaries of India on Meetings of the Board of Directors and General Meetings.

Appreciation

Your Directors wish to place on record their appreciation of the contribution made by the employees at all levels to the continued growth and prosperity of your Company. Your Directors also wish to place on record their appreciation to the shareholders, dealers, distributors, consumers, banks and other financial institutions for their continued support.

SOCIAL & COMMUNITY SERVICE INITIATIVES

The Company has been engaging in and supporting various social and community service initiatives for the past several years, even before the concept of Corporate Social Responsibility and the statutory requirement thereof came into being.

Some of the key initiatives of the Company, in the sphere of social and community services as stated below, have resulted in significant value creation for the community at large.

AGRICULTURE & HORTICULTURE

The Company has been continuously supporting agriculture and horticulture initiatives through collaborations with experts, institutions and interactions with farmers, including conducting night meetings.

The Company continues to work with 18,000 farmers, whose adoption data for good agricultural practices like intercropping, high density planting, soil management, MIS, etc. has been monitored in a digital portal along with the geo tagging of their locations. This data has enabled us to provide necessary recommendations to farmers to provide prompt solutions in a speedy manner. About 70% farmers actively used these recommendations, which resulted in a 12% decrease in the cost of production.

the development of 60 one-acre wadis with the addition of 24 new wadis during the last financial year, as well as shade nets to replicate vegetable and fruit crops. The average additional income earned by farmers through this intervention has gone up to ₹ 1 Lac per annum.

To address the issue of reduction in the productivity of cotton crop year on year, which impacted the income of farmers adversely, a dedicated initiative to increase productivity was executed. The Company achieved an average increase of 130% in yield of cotton, compared to national average yield.

The fruit and vegetable initiative of the Company has resulted in

FARMER PRODUCER ORGANISATION (FPO)

The Company has continued supporting the Farmer Producer Organisation (FPO). It has 1,171 farmer members (171 new members) and over 5,300 farmers have availed the services from FPO and purchased good quality inputs at subsidised rates.

The total turnover of the FPO increased significantly from ₹ 8.38 crores in 2021-22 to ₹ 13.95 crores for the year in 2022-23 (i.e. resulting

in 66% increase). The major part of the margins have been transferred to the farmers.

The FPO has continued to support marginal farmers by providing agricultural equipment at nominal rental rates, in collaboration with the Government of Gujarat through its Custom Hiring Centre, to mainly support farmers of Mota Khuntavada and the adjoining villages. Over 400 farmers have

received the benefits. The FPO has continued the collective procurement of groundnuts and gram at Minimum Support Price (MSP), from farmers' doorsteps. During the financial year 2022-23, a total of 447 Mt groundnuts and 1,494 Mt gram has been procured, so that farmers get better and assured returns. Further procurement is still ongoing.

Collective procurement of gram by FPO at MSP rates awarded by the Government

CENTRE FOR AGRICULTURE-HORTICULTURE DEVELOPMENT AT GRAM DAXINAMURTI, MANAR

The Centre takes initiatives to educate farmers about the latest recommended cultivation practices (known to both universities and the Government, etc.) to boost sustainable agriculture and horticulture growth along with the value addition of their produce. The education and training of farmers is carried out both at the Centre and also at farmer's field/land. The Centre also provides support to Women's Self Help Groups (SHGs) in the area of value added products.

The Centre has successfully demonstrated agriculture and horticulture of aromatic fruits and medicinal crops. Farmers from 45 adjoining villages have visited the

centre to learn the best practices and expand their understanding of agri knowledge and technology. The Centre has trained 10,800 farmers since its inception and in the last year (2022-23) has trained over 2,900 farmers (at the Centre and in the farmers field/land).

The Centre is also focusing on the replication of low cost technologies established last year i.e. cultivation of mushroom, hydroponics, Thailand kitchen garden, mango grafting and others that will ensure an increase in the income of farmers.

The Centre through its concentrated efforts has developed various value-added products, both fruits and vegetables which target the

increase in income of farmers and SHG women. The products include mango pulp, tomato puree, aromatic candles, oils and others.

The Centre has during the year 2022-23, provided 380 kg spice seeds to 42 potential farmers who were trained at Manar Centre. A total of 65 acres is covered under cultivation of coriander, cumin, fennel and fenugreek at Maidhar, Sihor, Palitana, Surendranagar and Upleta talukas in collaboration with National Research Center on Seed Spices (NRCSS).

SEAWEED CONSORTIUM ICCSIR (INDIAN CENTRE FOR CLIMATE AND SOCIETAL IMPACT RESEARCH)

The Company has continued its support to ICCSIR, a non-profit organization under Section 8 of Companies Act, 2013. A consortium is formed with the unified interest to build technology for the production, processing and value addition of selected seaweeds, in partnership with Excel Industries Ltd. and Mamata group.

Under the guidance of ICCSIR, 140 farmers have been trained in seaweed cultivation.

Trials for Gracilaria dura and Ulva lactuca seaweed are in process. The tissue culture lab at Mandvi for Kappaphycus seaweed and Potash recovery has also been initiated.

ANIMAL HUSBANDRY

The Company has continued its support to the Milk and Animal Health Initiative in Mahuva Taluka. The farmers are trained in the best animal husbandry practices like Animal Feeding, Breeding, Health and Cattle Management. We observed an average increase in milk yield by 21% per animal.

The Company supported the treatment of Lumpy Skin Disease (a highly contagious and deadly disease in cattle) and vaccinated more than 3,200 cattle to save their lives.

During the year 2022-23, veterinary doctors treated 3,326 animals, and have cumulatively treated 18,954 animals. Moreover, 25 Mt of special cattle feed, developed by the Animal Husbandry team has also been provided to farmers to increase the productivity of their animals.

Artificial Insemination (AI) service has been performed cumulatively, on over 38,200 cattle, and for this year on over 3,000 cattle.

The Company has also continued with the innovative project of sexed semen which ensures the delivery of a female calf. For the year 2022-23, 289 cattle have been given sexed semen doses of which 45% cattle were found pregnant. Cumulatively, 600 cattle have been given sexed semen doses of which 46% cattle were found pregnant. Based on the conception till date, the success rate is 100%, with female calves being delivered by pregnant animals.

INITIATIVES FOR WOMEN

During 2022-23, the Company helped form, nurture and develop 110 new Self-Help Groups (SHGs) - Mahila Mandals- in Bhavnagar, Talaja and Amreli districts of, Gujarat. More than 1,100 additional women became members of these SHGs. With this, the total number of SHGs reached 748 with the member count growing to 7,853 women. These SHGs serve as a platform for women to gain financial freedom, a source of credit that acts as a stimulus for income generation, and as a buffer to absorb various household financial crises.

To make all these SHGs self-sustainable, institution creation was necessary. Hence, the Company helped to create 6 cluster federations of 41 village organisations (5 new VO and 5 Cluster Level Federations formed in the last financial year 2022-23).

SHGs Training and Quality Assessment Centre focuses on

expanding the technical, managerial and financial skills of women to operate a business. In the last financial year, the Company has conducted over 190 such trainings to more than 400 SHGs (over 3,900 women), resulting in various mini businesses that help these women earn a dignified livelihood.

Cumulatively, SHGs now run and manage 6 units of khakhra and other units for different products such as sanitizer unit, wooden toys unit, aloe vera unit, pickle unit, masala unit, bakery unit, bio phenyl unit, jute and cloth bags unit, soft toys, bio-pesticide unit, seaweed value added products and banana fibre processing unit.

To support the mini businesses with logistics and sales, a fully functional warehouse is operational in Mahuva. The warehouse takes care of receiving orders, delivery to respective vendors, inventory management and other important activities.

The Company has collaborated in Public Private Partnership (PPP) with the Government of Gujarat, and Shyama Prasad Mukherji Rurban Mission for the development of infrastructure for SHGs. This will enhance the creation of jobs and better livelihoods in Kikariya and Mota Khuntavada village. Machines worth ₹ 52 lac have been purchased, in collaboration with the Government, to automate and mechanise the production process for various products manufactured by SHGs.

In addition to the aforementioned initiatives, a massive event was held on International Women's Day to celebrate the success and achievements of SHG women. More than 1,500 women participated and the Collector and DM of Bhavnagar -Shri D K Parekh (IAS), felicitated 44 SHGs women for their accomplishments.

WATER RESOURCE MANAGEMENT

The Company has continued its support for water management activities (check dams, ponds, etc.) with the Department of Narmada, Water Resources, Water Supply and Kalpsar Department of the Government of Gujarat, in the PPP (Public Private Partnership) model.

In 2022-23, 56 check dams and the deepening of 13 ponds and 36 farm ponds were completed.

With the assistance of the Company, a total of 269 check dams, and the deepening of 114 ponds and 726 farm ponds have been completed. The Company has also completed

check dam repairs and canal linking work across 300 kms.

The Company has also initiated the development of water structures (62 check dams and 17 ponds) for the coming year, and further water structures are under discussion with the Government for the next year.

During the year 2022-23, 310 hectares of additional farmland were converted into micro irrigation and more than 34 additional wells, spanning over 50 villages, were recharged, for the improvement of the groundwater quality.

Cumulatively, over years, it has translated into 4,439 hectares of micro irrigation on farmland and 1,436 well recharges in 100 villages.

With all such initiatives in 2022-23, the Company has helped to conserve on surface, 226 million litres of water in the state of Gujarat. When this conservation is considered as against the Company's consumption of water in manufacturing operations located in the state, the Company is net positive in water conservation/utilisation.

TREE PLANTATION INITIATIVE

The Company has collaborated with the State Forest Department of Gujarat and initiated a massive plantation drive with the help of the community.

In 2022-23, 3 lac trees have been planted through mobilisation of Farmer Clubs, Schools and SHG Women, and cumulatively 8 lac trees have been planted to increase green cover.

SANITATION

The Company, during the financial year 2022-23, supported the building of 1,114 new toilets (taking the total to over 18,107 till date) in Mahuva taluka. It has continued to work closely with the Government and provides

support to households to achieve the open defecation-free status for the villages of Mahuva Taluka.

EDUCATION

The habit of reading among children is declining due to various reasons, especially in rural areas. This also impacts the learning ability at a young age.

The Company has supported the development of 8 libraries, 3 of which are community libraries, 4 school libraries, and one large scale library at Gujarat University Ahmedabad, which caters to approx. 800 students per day.

The Company has further upscaled the initiative that focusses

on learning through Shri Giju Bhai Badheka Methodology in collaboration with Daxinamurti Bhavnagar (preprimary education initiative) by emphasizing more on teaching young children (aged 3-5) following the concept of self-manifestation through rhymes, stories, action songs, outings, games and other interactive methods that are effective in sparking curiosity among children. Initially, 20 Aanganwadis were covered showing an exponential increase in the attendance of children from 25% to 75%.

Seeing a positive response from children during 2022-23, 125 new Aanganwadis have been covered in Mahuva taluka in Phase 1. The Company has continued its collaboration with Navneet for the digitization of 155 Primary and Secondary schools in Mahuva.

The Company has continued the WaGaLe initiative in 143 schools which has been instrumental in helping students learn the basics of reading, writing and counting.

The Company has supported the beautification of 200 Government Schools (51 new schools) in Mahuva and Jesar Talukas.

The Company has also signed an MoU with the District Panchayat of Amreli and Bhavnagar, respectively, for the renovation of over 220 Aanganwadis along with development of 2 Gram Panchayats, library and computer lab buildings under the PPP model.

Visit of Shri M. B. Parekh, Executive Chairman, to the Science Centre developed at Shri B. K. Parekh Boys School in collaboration with Augustya Foundation on 20th January, 2023.

The Company has continued its support to 5 schools of Shri Triveni Kalyan Education Trust (TKET) and Parekh College. Huge infrastructure is being developed i.e. classrooms, science laboratories and other basic and advanced amenities, on the TKET campus for students. In Parekh college a dedicated building is being developed for the recently initiated engineering course. Through Shri N. N. Mehta Memorial Education Trust, the Company has provided scholarships amounting to more than ₹ 41 lac to 258 deserving

students for higher education, in the year 2022-23.

The Company is working with Shri BKP Science City (a modern science museum) in Bhavnagar City to ensure the development of analytical learning in students.

Shri BKP Science City, in collaboration with Augustya Foundation, has upgraded the Science museum and the mobile van. It has also introduced new verticals like the mini innovation

hub, planetarium, tod-fod-jod corner and others to spark curiosity among children to learn various concepts of Science.

SKILL

The Company has continued its collaboration with the Directorate of Employment and Training (under the Labour and Employment Department), Government of Gujarat, for the ninth year, to strengthen the skill ecosystem in the State. During the current year, a total of 18,609 trainees from 199 ITIs were benefited through carpentry, plumbing, electrician and construction technician courses. Moreover, in Rajasthan, the Company is supporting 4 ITIs in their plumbing and carpentry courses.

The Company has also commenced its operations for skill initiatives in Himachal Pradesh and Maharashtra where it has covered 113 ITIs from 11 districts, 4 Train to Trainers (ToT's) in Himachal Pradesh and Courses in Carpentry and Plumbing in Maharashtra. The Company is also

promoting Art and Craft Trainings in women ITIs of Maharashtra and so far, conducted 4 workshops till date.

Under the PPP (Public-Private Partnership) scheme of the Government, the Company has been the Industry Partner to 18 ITIs in Gujarat, Himachal Pradesh and Maharashtra, where efforts are focused on strengthening trades and training delivery, both in scale and quality.

A MoU has been signed with the NSTI (W)-Vadodara, under the Ministry of Skill Development and Entrepreneurship, Government of India, to provide skill training in Plumbing to women.

The Company has continued its support as an Industry Partner in Gujarat for the World Skill

Competition 2022 in Carpentry, Joinery and Plumbing and Heating trades.

An Advance Skilling Centre is being established on Woodworking and Plumbing at Ahmedabad under the aegis of Kaushalya – The Skill University, Government of Gujarat where Certificate, Diploma, Graduation and Post Graduation courses in Woodworking and Plumbing will be offered to students.

The Company has also been instrumental in organising District, Regional and State level sports events to achieve the objective of holistic development of the students and the ITIs.

HEALTHCARE

During the year 2022-23, the Company continued its support to Hanumant Hospital in Mahuva, enabling them to treat 45,582 outpatients, perform over 3,179 surgeries and successfully handle 12,639 emergency cases. Four educational training programs were conducted for the medical fraternity.

The Hospital is enrolled under the Ayushyaman Bharat scheme of the Government of India. Under this, cashless treatment to 1,365 beneficiaries has been provided during the year 2022-23.

During the year 2022-23, Hanumant Hospital, under the urology cluster, provided cashless dialysis service to 7,420 patients under Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana. Cumulatively 8,577 beneficiaries have availed the benefits of various cashless services.

The Hospital has also conducted free eye and paediatric checkup camps through mobile ophthalmic vans in 46 villages of Mahuva and surrounding areas and has screened 4,250 patients.

The Hospital has also conducted 289 free cataract surgeries with Intraocular lenses (IOL) in collaboration with Vision Foundation, Mumbai.

Furthermore, the Hospital is running three schemes namely, Chitrakutdham Arogya Scheme, Jaswant Mehta Arogya Scheme and Arogya Sanjivani Scheme under which they are providing free treatment to 8,886 beneficiaries.

50+ MT
WASTE SOLD TO RECYCLERS

An expert agency has been roped in for segregation at source, removal, collection and recycling of both organic and plastic waste into value added products. The total waste segregated in the last year is 348 MTs, from which compost was prepared and provided to farmers. The value addition of plastic waste

has also been undertaken. To facilitate this process, 14 Plastic Collection Centres (PCCs) have been established in Mahuva City. These centres are responsible for purchasing the scrap materials from the rag pickers. A total of 82.5 tonnes waste has been collected and 53.8 tonnes were sold to recyclers for value addition.

The Company has also extended the drive to the villages of Mahuva taluka in a phased manner. To ensure community involvement, SHG women have been roped in, along with the Panchayats, for the collection of plastic waste.

SOLAR KHADI INITIATIVE

The initiative focuses on addressing the need for modernization, spinning, weaving, dyeing and value addition along with training and testing, to make the khadi weaving process profitable for the community.

The Company has continued its association with Mahuva Khadi Bhandar.

An SHG has been formed that takes care of the entire production

of the Khadi unit for end-to-end operations. The unit has produced over 4,000 metres of khadi cloth, which is ready for sale.

The training of 200 women is under process for operating these solar charkhas and looms. Based on their initial learnings, they have already started the production of quality yarns and Khadi fabric, and have produced about 1,000 metres of high quality fabric.

B K PAREKH PARKINSON'S DISEASE AND MOVEMENT DISORDER SOCIETY (BKPPDMDS)

The Company continues to support the rehabilitation of people with Parkinson's disease, and their caregivers with the aim of improving their quality of life.

BKPPDMDS proudly launched its 10th Gujarat PD Support Group Centre in Bhuj in July, 2022. It is now functioning in 10 centres across the state of Gujarat and 2 centres in Pune, Maharashtra. As the Covid-19 pandemic has settled, we have successfully transitioned back to the offline physical platform, while continuing the online platform for

patients who live in the outskirts of the cities or are unable to travel to the physical centres due to health reasons, etc.

Through the hybrid online and offline model of rehabilitation, various services continue to be offered such as Psychoeducation on Parkinson's, physiotherapy, speech therapy, occupational therapy, psychological services, diet and nutrition, creative therapies, yoga and specialised online support program for caregivers.

GENERAL SEMANTICS

The Balvant Parekh Centre for General Semantics and Other Human Sciences has collaborated with The University of Rajasthan to create awareness on the concept of "General Semantics". "Time Binding is an integral part", theme of the

International Conference was held at the University of Rajasthan. A Symposium on humanities was organised at the Centre where Professor Roland Greene of Stanford University delivered the lecture.

The Centre also inaugurated "BKP Special Collection of Books" in December, 2022 where the entire book collection of Late Shri Balvant Kalyanji Parekh has been displayed and made available to read for visitors.

ANNEXURE TO
THE DIRECTORS'
REPORT

ANNUAL REPORT ON CSR ACTIVITIES FOR FINANCIAL YEAR ENDED 31ST MARCH, 2023

1. Brief outline on CSR Policy of the Company

(a) Focus areas:

The Company supports various bodies in carrying out activities in the areas of rural development, education, health care, general semantics etc.

(b) CSR Objectives:

To attain its CSR objectives in a professional manner and integrated manner, the main objectives are:

- (1) To promote, carry out, support activities relating to: Agriculture & Horticulture, Animal Husbandry, Education & Sports, Women Self Help Groups, Water Collection and Conservation, Cleanliness initiative, Waste Management & Recycling of Plastic, providing assistance to Senior Citizen Homes, Green Cover, Healthcare, Khadi and Handloom, Skill Development, Science Centre, Sanitation and Natural Calamities and Disaster Management, welfare and development measures towards reducing inequalities faced by Socially and Economically Backward groups and such activities may include establishing, supporting and /or granting aid to institutions engaged in any of the activities referred to above.

The Company has always believed in contributing towards the betterment of the society in which it operates and with this objective, it has been engaging in and supporting various social and community service initiatives for the past several years, even before the concept of corporate social responsibility came into being.

- (2) To conduct and support studies & research; publish and support literature, publications & promotion material; conduct and support discussions, lectures, workshops & seminars in any of the areas covered above.
- (3) To promote, carry out, support any activities covered in Schedule VII to the Companies Act, 2013, as amended from time to time.

2. Composition of CSR Committee:

Sr. No.	Name of Director	Designation/Nature of Directorship	Number of meetings of CSR Committee held during the year	Number of meetings of CSR Committee attended during the year

3. Provide the web-link(s) where Composition of CSR committee, CSR Policy and CSR projects approved by the Board are disclosed on the website of the company.

<https://www.pidilite.com/investors/corporate-governance/>

4. Provide the executive summary alongwith web-link(s) of Impact assessment of CSR projects carried out in pursuance of sub-rule (3) of rule 8, if applicable.

The Company has carried out Impact Assessment for eligible CSR activities through an Independent agency and the said report is available on the Company's website at <https://www.pidilite.com/investors/corporate-governance/>.

Synopsis of Impact Assessment carried out by M/s. IN2X Sustainability Advisors LLP (known as Nusocia) on the Agriculture and Horticulture projects carried out by the Company at Manar Village, Bhavnagar District is given herein below:

I. Center Outreach

The Company has been carrying out its CSR intervention in agriculture and horticulture at the Center for Agriculture-Horticulture Development, Manar based in Talaja, Bhavnagar, Gujarat. The Center is a knowledge-based Center and has made collaborations with 7 governmental and non-governmental institutions to curate trainings for the farmers and Self Help Groups (SHGs).

Since its inception in 2017, the Center has trained more than 8,500 farmers, formed 37 SHGs, impacted beneficiaries from 50 villages and conducted 300 plus training sessions.

II. Impact Achieved

The Center had been able to impact Farmers and SHGs group under 3 key themes i.e. Knowledge, Attitude and Practice as follows:

i. Towards Beneficiary Farmers:

- Knowledge: It was observed that 83% of the farmers found that natural farming techniques were the most useful practice which they have learned. It was beneficial to the farmers as it was cost-effective and helped them minimize the inorganic inputs;
- Attitude: It was observed that 86% of the respondents mentioned that they got to know about the Manar Center at a village level meeting. As per the current geographical outreach, the Mydhar cluster has around 1,000 farmers and the Sihore cluster has 700 farmers who partake in these training activities, of which 96% of the respondents were very satisfied; and
- Practice: It was observed that 35% of the respondents stated that there has been an increase in their income because of utilizing the training. Some of the practices which are being practised are drip and sprinkler irrigation, intercropping farming, border plantations, vermicompost and fodder development, etc.

ii. Towards Beneficiary SHGs Members:

- Knowledge: All the SHGs members were given training on multiple post-harvest activities and capacity building. Of the survey respondent group, 28% were trained under the food processing unit. Currently, the initiative has 390 women members covering 8 villages;
- Attitude: 89% of the respondents became aware of the SHGs initiative at the Center through the cluster officer. 79% SHGs members felt empowered as they were now able to participate in decision making on their household level due to their income generation; and
- Practice: The practical training received at the Center has helped the SHGs members to engage in new and stable income generation activities. 97% of the respondents felt that they have benefitted from the horticulture development due to the Center.

III. Analysis of the work achieved at the Center:

The key points of the evaluation done are as follows:

- i. Relevance: Contextualized solutions for improving the primary livelihood source of the community in the area;
- ii. Effectiveness: Incorporated oral and visual teaching methods;
- iii. Efficiency: Local individuals for community-facing roles;
- iv. Impact: Creation of inclusive agri-horticulture solutions, creation of multiple streams of income and creation of spending power;
- v. Coherence: The strategic collaborations with institutions has ensured latest training material and rightful governmental support; and
- vi. Sustainability: Knowledge is a long-term resource that helps develop livelihood and skills for the foreseeable future.

5. (a) Average net profit of the Company as per Section 135(5): ₹ 1,524.58 Crores

(b) Two percent of average net profit of the Company as per Section 135(5): ₹ 30.49 Crores

- (c) Surplus arising out of the CSR projects or programmes or activities of the previous financial years: **Nil**
- (d) Amount required to be set off for the financial year, if any: **Nil**
- (e) Total CSR obligation for the financial year (5b+5c-5d): **₹ 30.49 Crores**

ANNEXURE 2 TO THE DIRECTORS' REPORT

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED MARCH 31, 2023

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Pidilite Industries Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Pidilite Industries Limited (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company, to the extent the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India warranted due to the spread of the Covid-19 pandemic, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2023 generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by the Company for the financial year ended on March 31, 2023 according to the provisions of:

- The Companies Act, 2013 ('the Act') and the rules made thereunder;
- The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act')
 - The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

- The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 and amendments from time to time; **(Not applicable to the Company during the Audit Period);**
 - The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
 - The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; **(Not applicable to the Company during the Audit Period);**
 - The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Act and dealing with client; **(Not applicable to the Company during the audit period);**
 - The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; **(Not applicable to the Company during the Audit Period);**
 - The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **(Not applicable to the Company during the Audit Period);** and
 - Other laws specifically applicable to the Company namely:
 - The Environment (Protection) Act, 1986
 - The Hazardous Waste (Management & Handling) Rules, 1989
 - The Manufacture, Storage and Import of Hazardous Chemicals Rules, 1989
- We have also examined compliance with the applicable clauses of the following:
- Secretarial Standards issued by The Institute of Company Secretaries of India with respect to Board and General Meetings.
 - The Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange of India Limited read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, standards etc. mentioned above.

Annexure-A

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance other than those held at shorter notice, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions at the Board Meetings were taken unanimously.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period no events occurred which had bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc.

ANNEXURE 3 TO THE DIRECTORS' REPORT

Statement containing particulars pursuant to Section 134(3)(m) of the Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rules, 2014.

Your Company undertook various measures for conservation of energy and use of alternate sources of energy which resulted in total savings of ₹ 33.23 crores during the year, FY 2022-23. Savings accrued during the last 3 years (2020-23) is ₹ 74.78 crores.

A) CONSERVATION OF ENERGY/ALTERNATE SOURCE OF ENERGY**1. Steps taken or impact on conservation of energy:**

The manufacturing units of the Company have continued their efforts to reduce energy consumption. In this year, the Company has implemented various energy conservation measures recommended during previous energy audits and additionally new inhouse initiatives have been undertaken as given below:

New Measures undertaken in 2022-23:

- Waste heat recovery from operations.
- Productivity improvements in filling and packing machines resulting in energy saving by operating less number of machines.
- Use of energy efficient heat pump for hot DM water generation used in manufacturing process.
- Replacement of air operated pumps (AODD) by electrical centrifugal pumps.
- Replacement of conventional fans with high energy efficient BLDC fans.
- Reallocation of windmill power to C58 and C59 units at Mahad.

Earlier proven energy conservation projects replicated across other manufacturing units in 2022-23:

- Replacement of compressors with energy efficient compressors.
- Replacement of existing AC with energy efficient AC.
- Installation of Variable frequency drives.
- Installation of motion sensors for lighting applications.
- Day light savings in warehouses by providing transparent roof sheets.

2. Steps taken by the Company for utilizing alternate sources of energy:

Various initiatives and steps taken by your Company are given below:

a. Green Fuel:

Your Company continues to evaluate and increase the usage of green fuel (biomass) which replace fossil fuels for operation of our boilers. During the year, by use of green fuels, your Company has saved ₹ 26.7 crores. The CO2 emissions per MT of production reduced from 0.081 T/MT to 0.061 T/MT.

b. Wind Energy:

Power generated from wind farm projects at Gujarat and Maharashtra continue to be utilized in the manufacturing units and for corporate office in Mumbai. Power generated from windmills was 53 Lakh KWH while the consumption was limited to 38 Lakh KWH which has resulted in saving of ₹ 3.24 crores in the year.

c. Solar Energy:

Your Company have saved 29 Lakhs units of electricity (KWH) from 16 solar installations of capacity 2,711 KWP, resulting of saving ₹ 2.46 Crores.

3. The Capital Investment on Energy Conservation Equipment's:

Capital Investment in energy conservation equipment was ₹ 5.0 crores during the year.

B) TECHNOLOGY ABSORPTION**1. Efforts made towards technology absorption:**

- R&D maps new market and application trends on regular basis and upgrade our technologies by advancing development work on various types of products in adhesives, sealants, tile & stone fixing solutions, synthetic resins, pigments, pigment dispersions, intermediates, thickeners, dispersants, coatings, waterproofing products and construction chemicals.

- b. R&D scouts for technology experts and research institutes continuously, for developing new technologies capabilities.
- c. R&D continue to strengthen the strategic initiative on safe and sustainable products and product systems.

2. Benefits derived like product improvement, cost reduction, product development or import substitution:

R&D plays a key role in revenue and margin growth by launching new products, product improvement and cost saving initiatives, capacity debottlenecking, solutions for market needs for new applications and improved environmental compliance.

3. In case of imported technology (imported during the last 3 years reckoned from the beginning of the financial year):

The details of technology imported, the year of import, whether the technology been fully absorbed, if not fully absorbed, areas where absorption has not taken place, and the reasons thereof:

The technology for manufacture of Silicone Sealant, received by the Company during the year 2021-22, was fully absorbed during the financial year i.e. 2022-23.

4. Expenditure incurred on Research and Development:

(₹ in crores)

	Year ended 31 st March 2023	Year ended 31 st March 2022
i) Capital	3.43	5.26

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

Introduction

Given the heightened significance of global climate change, sustainability has emerged as a key priority. Pidilite Industries Limited ("Company") is committed to comprehensive organizational development, clearly focusing on embedding Environmental, Social and Governance (ESG) considerations throughout its value chain. The environmental performance of the Company was primarily driven by the focus on reduction in consumption of fresh water & energy, reduction in Greenhouse Gas Emissions, increasing the usage of renewable energy and reduction and recycling of waste with focus on plastic packaging. The Corporate Social Responsibility (CSR) initiatives were directed towards the wellbeing of the vulnerable and marginalised communities and focused on issues such as education, women empowerment, skill development, agriculture, water management and sanitation. By incorporating ESG principles into these critical areas, the Company aims to foster a sustainable business model that creates long-term value for its stakeholders.

Over the past few years, the Company has been monitoring its ESG parameters and publishing its Sustainability Report since FY 2018-19. With a strong foundation in place, the transformation is based on the concept of sustainable development at the core of its operations. The leadership sets the tone of the Company's culture and the practices are followed across the organisation. The Company has broadened its perspective and consequently, the strategy is to inculcate more stringent environmental targets along with social and governance aspects with special focus on climate risks.

This report has been developed in accordance with the guidelines set forth by the Securities & Exchange Board of India (SEBI) for Business Responsibility and Sustainability Reporting (BRSR).

24. Overview of the entity's material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to the business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications.

S. No.	Material Issue Identified	Indicate whether risk or opportunity	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1	Corporate governance and risk management	Opportunity	To enhance corporate governance practices by establishing board-level priorities. The Company's directors oversee management activities to actively contribute to the enhancement of shareholder value.	-	Positive
2	Management of hazardous chemicals	Risk	Proper handling of hazardous chemicals is essential to reduce health and safety risks and lower environmental impacts.	<ul style="list-style-type: none"> The Company has Environment Health & Safety (EHS) policy which is communicated to all the employees. The Company conducts regular risk assessments and closely monitors the implementation of action plans derived from these assessments until their completion. Training and awareness programs are conducted to educate employees about hazards, associated risks, emergency preparedness & response, and safe handling practices of hazardous chemicals. Procedures are in place for the adoption of inherently safe design based on various applicable standards for all new infrastructures and implementing the same for existing infrastructures in a phased manner. 	Negative
3	Environment	Risk	<ul style="list-style-type: none"> Climate change due to Green House Gases (GHG) emissions leading to global warming and impact to business operations. Changes in existing regulations / emerging sourcing of materials, emissions, waste generation, storage and use of material or quality of finished goods. 	<ul style="list-style-type: none"> The Company has taken several initiatives to reduce the impact of GHG emissions by adopting measures on renewable energy sources, water reduction/conservation and waste reduction. The Company has established systems and processes to monitor emerging regulations, incidents, and developments, and to assess their applicability for compliance purposes. 	Negative

S. No.	Material Issue Identified	Indicate whether risk or opportunity	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
4	Plastic Packaging	Risk	The regulatory changes in Plastic Waste Management Rules requires- <ul style="list-style-type: none"> Reduce virgin plastic consumption by including recycled plastic in plastic packaging. Recycle & Reuse the plastic packaging that is put into market. 	The Company is taking several initiatives including - <ul style="list-style-type: none"> To optimize the packaging and reduce virgin plastic usage. To utilize Post Consumer Recycled (PCR) plastics in packaging to promote circularity. To reuse rigid plastic packaging. 	Negative
5	Occupational health and safety	Risk	The Company's operation has inherent health and safety hazards. Proper process safety management and controls are required to eliminate / minimise any potential health and safety hazards/ risks.	<ul style="list-style-type: none"> The Company is committed to the Occupational Health & Safety of all across its value chain with a goal of 'Zero Harm'. The Company has adopted ISO 45001:2018 for the management of Health & Safety across its operations. The Company continues to drive improvements in process safety management and people safety. Additionally, during the reporting period the Company has also rolled out Pidilite Life Saving Rules (PLSR). Regular reviews of EHS systems and processes are conducted through internal as well as independent external audits. 	Negative
6	Economic performance	Opportunity	Strong economic performance is key to the stakeholders of an organization. The Company's efforts have been to ensure sustainable growth for its value chain and the economy.	-	Positive
7	Community development	Opportunity	The Company is a firm believer in the inclusion of the community in which it operates, thereby providing direct economic and social growth for all its stakeholders.	-	Positive

SECTION B: MANAGEMENT AND PROCESS DISCLOSURES

Disclosure Questions	P1	P2	P3	P4	P5	P6	P7	P8	P9	
Policy and Management Processes										
1	a. Whether your entity's policy/policies cover each principle and its core elements of the NGRBCs. (Yes/No)	Y	Y	Y	Y	Y	Y	Y	Y	Y
	b. Has the policy been approved by the Board? (Yes/No)	Y	Y	Y	Y	Y	Y	Y	Y	Y
	c. Web Link of the Policies, if available	Certain Policies are uploaded on the website of the Company at https://pidilite.com/investors/corporate-governance/								
2	Whether the entity has translated the policy into procedures. (Yes / No)	Y	Y	Y	Y	Y	Y	Y	Y	Y
3	Do the enlisted policies extend to your value chain partners? (Yes/No)	The value chain partners are expected to follow the Company policies as applicable to their business.								
4	Name of the national and international codes/certifications/labels/standards (e.g., Forest Stewardship Council, Fairtrade, Rainforest Alliance, Trustee) standards (e.g., SA 8000, OHSAS, ISO, BIS) adopted by your entity and mapped to each principle.	Principle of Corporate Governance, Corporate Governance Voluntary Guidelines, 2009	ISO 14001 : 2015, GRI standards	ISO 45001 : 2018, GRI standards	ISO 14001 : 2015, GRI standards	Universal Declaration on Human Rights of the United Nations,	ISO 14001 : 2015, GRI standards	Universal declaration on Human Rights of the United Nations, GRI Standards	CSR disclosures pursuant to Section 135 of the Companies Act, 2013, read with the Companies (Corporate Social Responsibility Policy) Rules, 2014, as amended	ISO 14001 : 2015, GRI standards
5	Specific commitments, goals and targets set by the entity with defined timelines, if any.	The details of Company's Sustainability strategy, commitments, goals, targets and progress against targets are available in the Sustainability Report, which is available in public domain at https://pidilite.com/sustainability/								
6	Performance of the entity against the specific commitments, goals, and targets along-with reasons in case the same are not met.									

Governance, Leadership and Oversight

7	Statement by director responsible for the business responsibility report, highlighting ESG related challenges, targets, and achievements	<p>The Company has a comprehensive Sustainability strategy that seamlessly incorporates material ESG related challenges into its decision-making processes. The environmental focus is on reduction in consumption of fresh water & energy, reduction in Greenhouse Gas (GHG) emissions, increasing the usage of renewable energy and reduction and recycling of waste with focus on plastic packaging. On the social front, the focus is to cultivate a thriving work environment by building a diverse workforce, investing in enhancing the workforce's skills, career development pathways, and ensuring the workforce's overall well-being. The Corporate Social Responsibility (CSR) initiatives are directed towards sustainable development through focused initiatives to improve the quality of life and the wellbeing of local communities.</p> <p>The Company has established long term targets for reducing freshwater consumption, optimizing energy consumption, increasing usage of renewable energy, recycle / reduce / reuse of plastic packaging and reducing waste disposed to landfill. Robust systems are in place to monitor the performance of environmental targets. Various initiatives are regularly carried out across the manufacturing locations to improve environmental performance.</p> <p>The Company continues to elevate occupational safety conditions and overall health and safety culture across the business. Safety performance improvement focuses more on leading indicators like near miss/unsafe act/condition reporting, audits, surveys etc. The Company has deployed several key initiatives to improve overall health and safety performance like safe handling of hazardous chemicals, machine guarding, contractor safety management, etc. During the reporting period, the Company has implemented Pidilite Life Saving Rules (PLSR's) which comprise of 6 rules focusing on travel safety, permit to work system, working at height, Lifting Safety, Machine guarding & Energy isolation and Adherence to the safety control system.</p> <p>The Company has always believed in contributing to the betterment of the society where it operates. With the objective to enhance the quality of life and wellness of the surrounding communities, over the past several years, the Company has been involved in several social and community service initiatives that are related to agriculture, animal husbandry, health, education, women's empowerment, water conservation and more.</p> <p>The Company is committed to comply with all applicable laws and regulations including that of applicable environmental laws and regulations.</p>
8	Details of the highest authority responsible for implementation and oversight of the Business Responsibility policy (ies).	Name: Shri Sudhanshu Vats Designation: Deputy Managing Director DIN : 05234702
9	Does the entity have a specified Committee of the Board/ Director responsible for decision making on sustainability related issues? (Yes / No). If yes, provide details.	Name: Shri Joseph Varghese Designation: Director – Operations DIN : 09770335 The Sustainability Management Council – a cross functional Senior Management team chaired by Deputy Managing Director of the Company is constituted to ensure effective formulation of sustainability policies and implementation of strategy.

10. Details of Review of NGRBCs by the Company:

Subject for Review	Indicate whether review was undertaken by Director / Committee of the Board/ Any other Committee	Frequency (Annually/ Half yearly/ Quarterly/ Any other – please specify)								
		P1	P2	P3	P4	P5	P6	P7	P8	P9
Performance against above policies and follow up action	Yes	Quarterly	Monthly	Monthly	Quarterly	Quarterly	Monthly	Ongoing	Quarterly	Quarterly
Compliance with statutory requirements of relevance to the principles, and rectification of any non-compliances	The Company is in compliance with all the statutory requirements of principles to the extent applicable.									
11. Has the entity carried out independent assessment/ evaluation of the working of its policies by an external agency? (Yes/No). If yes, provide name of the agency	P1	P2	P3	P4	P5	P6	P7	P8	P9	
	External firms were engaged to review the systems and procedures related to safety and environment.									

12. If answer to question (1) above is "No" i.e. not all Principles are covered by a policy, reasons to be stated:

Questions	P1	P2	P3	P4	P5	P6	P7	P8	P9
The entity does not consider the principles material to its business (Yes/No)	Not Applicable								
The entity is not at a stage where it is in a position to formulate and implement the policies on specified principles (Yes/No)									
The entity does not have the financial or/ human and technical resources available for the task (Yes/No)									
It is planned to be done in the next financial year (Yes/No)									
Any other reason (please specify)									

SECTION C: PRINCIPLE WISE PERFORMANCE DISCLOSURE

PRINCIPLE 1: Businesses should conduct and govern themselves with integrity, and in a manner that is Ethical, Transparent and Accountable.

ESSENTIAL INDICATORS

1. Percentage coverage by training and awareness program on any of the principles during the financial year:

Segment	Total number of training and awareness programmes held	Topics/principles covered under the training and its impact	%age of persons in respective category covered by the awareness programmes
Board of Directors & Key Managerial Personnel	5 (as part of Board meetings)	Updates and awareness related to regulatory changes are conducted for the Board of Directors & KMPs. The topics covered includes: 1) Corporate Governance 2) Companies Act 3) SEBI Listing Requirements 4) Environmental & Safety matters 5) Business Process Improvements	100%
Employees other than BODs and KMPs	89	1) Corporate Induction 2) POSH, Company Policies and Procedures 3) CSR Awareness and field visits 4) Well-being and Safety related sessions 5) Session on Code of Conduct to Regulate, Monitor and Report Trading by Designated Person	80%
All Workers	45	1) Training on Company Policies and Processes 2) EHS Induction and annual refresher training 3) Job Specific Training	82%

2. Details of fines / penalties /punishment/ award/ compounding fees/ settlement amount paid in proceedings (by the entity or by directors / KMPs) with regulators/ law enforcement agencies/ judicial institutions, in the financial year, in the following format. (Note: the entity shall make disclosures on the basis of materiality as specified in Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and as disclosed on the entity's website):

a. Monetary					
Type	NGRBC Principle	Name of the regulatory/ enforcement agencies/ judicial institutions	Amount (In ₹)	Brief of the case	Has an appeal been preferred? (Yes/No)
Penalty/ Fine	Nil	Nil	Nil	NA	NA
Settlement	Nil	Nil	Nil	NA	NA
Compounding fee	Nil	Nil	Nil	NA	NA

b. Non-Monetary				
Type	NGRBC Principle	Name of the regulatory/ enforcement agencies/ judicial institutions	Brief of the case	Has an appeal been preferred? (Yes/No)
Imprisonment	Nil	Nil	NA	NA
Punishment	Nil	Nil	NA	NA

3. Of the instances disclosed in Question 2 above, details of the Appeal/ Revision preferred in cases where monetary or non-monetary action has been appealed:

Case Details	Name of the regulatory/ enforcement agencies/ judicial institutions
NA	NA

4. Does the entity have an anti-corruption or anti-bribery policy? If yes, provide details in brief and if available, provide a web-link to the policy:

Though the Company does not have a dedicated Anti-corruption or Anti-bribery Policy, its operations are governed as per the Code of Conduct of the Company. The document is applicable to all the employees of the Company who must abide by the values of the Company.

5. Number of Directors/KMPs/employees/workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery/ corruption:

Category	FY 2022-23	FY 2021-22
Directors	Nil	Nil
KMPs	Nil	Nil
Employees	Nil	Nil
Workers	Nil	Nil

6. Details of complaints with regard to conflict of interest:

Topic	FY 2022-23	FY 2021-22
Number of complaints received in relation to issues of Conflict of Interest of the Directors	Nil	Nil
Number of complaints received in relation to issues of Conflict of Interest of KMPs	Nil	Nil

7. Provide details of any corrective action taken or underway on issues related to fines / penalties / action taken by regulators/ law enforcement agencies/ judicial institutions, on cases of corruption and conflicts of interest.

Not Applicable.

PRINCIPLE 2: Businesses should provide goods and services in a manner that is sustainable and safe.

ESSENTIAL INDICATORS

1. Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively:

Type	FY 2022-23	FY 2021-22	Details of improvement in social and environmental aspects
Research & Development (R&D)	6%	3%	<ol style="list-style-type: none"> R&D efforts have been to shift from solvent-based adhesives to sustainable alternatives like water-based systems and eco-friendly adhesives. Develop a roof seal coating that meets "Green building" standards and significantly reduces energy consumption for cooling, lowering overall energy costs. Incorporate sustainable raw materials in manufacturing without compromising cost and performance parameters. Invest in technology to reduce the weight of multilayer packaging (MLP), using innovative materials and techniques to minimize quantity of MLP introduced into markets. Exploring possibilities of plastic reduction through selection and use of alternate materials and by redesigning our packs. Utilize Post Consumer Recycled (PCR) plastics in packaging to promote circularity and decrease reliance on virgin plastic materials.

Capital Expenditure (CAPEX)	1.69%	1.18%	<ol style="list-style-type: none"> Implementing a waste heat recovery system to decrease boiler operating time, resulting in reduced fuel consumption and air emissions. Adopting a wash water recovery system to minimize the usage of fresh water. Transitioning to PNG (Piped Natural Gas) as a fuel source to lower air emission intensity. Utilizing energy-efficient heat pumps to generate hot DM water for the manufacturing process, thereby reducing fuel consumption for boilers. Replacement of air operated pumps (AODD) with electrical centrifugal pumps. Replacement of conventional fans with high energy efficient BLDC fans. Reallocation of windmills between units to utilize maximum wind power available. Replacement of compressors with energy efficient compressors. Replacement of existing AC with energy efficient AC. Installation of Variable frequency drives. Installation of motion sensors for lighting applications. Day light savings in ware houses by providing transparent roof sheets.
-----------------------------	-------	-------	---

2. a. Does the entity have procedures in place for sustainable sourcing?

The Company currently has supplier Code of Conduct and is in the process of formulating sustainable sourcing policy.

b. If yes, what percentage of inputs were sourced sustainably?

Not Applicable

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.

Product	Process to safely reclaim the product
a. Plastics (including packaging)	<p>The Company uses a variety of plastics as packing material, including multilayer plastics. Ensuring compliance with the Plastic Waste Management (PWM) Rules 2016, the Company follows the Extended Producer Responsibility (EPR) approach to manage plastic packaging waste in its downstream operations. The Company has engaged Central Pollution Control Board (CPCB) approved contractors for collection and channelizing the collected plastics to CPCB authorized recyclers/end of life processors.</p> <p>The plastic wastes generated in manufacturing facilities are channelized to Pollution Control Board (PCB) authorized plastic waste processors.</p>
b. E-Waste	E-waste from Company's establishments are collected and disposed off through PCB authorized vendors.
c. Hazardous Waste	Hazardous waste from manufacturing units and warehouses is disposed off through PCB authorized hazardous waste recyclers/co-processors/landfill facilities.
d. Other Waste	Other wastes are disposed off through approved waste management agencies.

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.

Yes, EPR under Plastic Waste Management (PWM) Rules, 2016 is applicable. The collection done is in line with the EPR plan submitted to Central Pollution Control Board (CPCB). In FY 2022-23, as part of EPR, the Company collected 19,562 MT of Category I, 3,473 MT of Category II and 1,547 MT of Category III of post-consumer plastics. 100% of Category I & II plastics (total 23,035 MT) is recycled through the Pollution Control Board (PCB) authorized recyclers and 100% of Category III plastics (1,547 MT) are sent for end of life processing (co-processing).

PRINCIPLE 3: Businesses should respect and promote the well-being of all employees, including those in their value chains.

ESSENTIAL INDICATORS

1. a. Details of measures for the well-being of employees:

Category	% of employees covered by										
	Total (A)	Health Insurance		Accident Insurance		Maternity Benefits		Paternity Benefits		Day Care Facilities	
		No. (B)	% (B/A)	No. (C)	%(C/A)	No.(D)	%(D/A)	No. (E)	%(E/A)	No. (F)	%(F/A)
Permanent Employees											
Male	6,738	6,738	100%	6,738	100%	-	-	6,382	95%	-	-
Female	396	396	100%	396	100%	396	100%	-	-	256	65%
Total	7,134	7,134	100%	7,134	100%	396	6%	6,382	90%	256	4%
Other than Permanent Employees											
Male	2,072	1,953	94%	1,953	94%	-	-	-	-	-	-
Female	158	147	93%	147	93%	158	100%	-	-	-	-
Total	2,230	2,100	94%	2,100	94%	158	7%	-	-	-	-

b. Details of measures for the well-being of workers:

Category	% of workers covered by										
	Total (A)	Health Insurance		Accident Insurance		Maternity Benefits		Paternity Benefits		Day Care Facilities	
		No. (B)	% (B/A)	No. (C)	%(C/A)	No.(D)	%(D/A)	No. (E)	%(E/A)	No. (F)	%(F/A)
Workers (Unionized Workers)											
Male	167	167	100%	167	100%	-	-	31	19%	-	-
Female	9	9	100%	9	100%	9	100%	-	-	-	-
Total	176	176	100%	176	100%	9	5%	31	18%	-	-
Other than Permanent Workers											
Male	3,403	3,403	100%	3,403	100%	-	-	-	-	-	-
Female	182	182	100%	182	100%	-	-	-	-	-	-
Total	3,585	3,585	100%	3,585	100%	-	-	-	-	-	-

2. Details of retirement benefits, for Current and Previous Financial Year:

Sr. No.	Benefits	FY 2022-23 (Current FY)			FY 2021-22 (Previous FY)		
		No. of employees covered as a % of total employees	No. of workers covered as a % of total worker	Deducted and deposited with the authority (Y/N/N.A.)	No. of employees covered as a % of total employees	No. of workers covered as a % of total worker	Deducted and deposited with the authority (Y/N/N.A.)
1	PF	100%	100%	Yes	100%	100%	Yes
2	Gratuity	100%	100%	Yes	100%	100%	Yes
3	ESI	3%	100%	Yes	5%	100%	Yes

3. Accessibility of workplaces: Are the premises / offices of the entity accessible to differently abled employees and workers, as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard.

The Company endeavors to become a more inclusive organization wherein there is a planned refurbishment of all its facilities. The Company is committed to creating an inclusive environment for individuals with disabilities. As part of this effort, the Company has implemented wheelchair-accessible ramps and side railings to ensure accessibility and ease of movement for everyone.

4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy:

The Company does not discriminate against any of its employees and have a comprehensive Code of Conduct. The associated policies cover issues related to fraud, bribery, corruption, human rights, and discrimination and detail the relevant corrective measures. They follow the principles of equal opportunity and are consistently working towards establishing an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016.

5. Return to work and Retention rates of permanent employees and workers that took parental leave:

Gender	Permanent Employees		Permanent Workers	
	Return to work rate	Retention rate	Return to work rate	Retention rate
Male	100%	93%	-*	-
Female	100%	80%	-	-
Total	100%	93%	-	-

* No worker has applied for parental leave during FY 2022-23.

6. Is there a mechanism available to receive and redress grievances for the following categories of employees and worker? If yes, give details of the mechanism in brief:

Category	Yes/No (If yes, give details of the mechanism in brief)
Permanent Workers	Permanent Employees / workers / other than permanent employees and workers are encouraged to share their concerns with their Reporting Manager or the members of the senior management. Employees can reach out independently to the Human Resource Function if they so choose to. The Company has an open-door approach, wherein any employee irrespective of hierarchy has access to the senior management. In addition, the whistle blower policy allows all our employees to report any kind of suspected or actual misconduct in the organization in an anonymous manner by dialing the toll free no (Ethics hotline 1800-102-6969) or writing e-mail to whistleblower@pidilite.co.in or report@integritymatters.in . Stakeholders other than permanent employees of the Company can also raise their grievances via e-mail to the concerned person/management. Further, the Company has Safety Committees at plants to handle grievances related to health & safety.

10. Health and safety management system:

a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/No) If yes, the coverage of such system?	Yes, the Occupational Health and Safety Management System has been implemented in all manufacturing facilities and Research & Development Laboratory. The health and safety management system follows ISO 45001 : 2018, which is an internationally recognized standard for ensuring occupational health and safety.
b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?	I. Job Safety Analysis ("JSA") is used for both routine and non-routine activities to carefully analyze and identify potential hazards associated with specific tasks. II. Hazard and Operability Study ("HAZOP") for identifying hazard related to chemical processes. III. Industrial Hygiene monitoring is used for identifying health hazards during employment. IV. Fire Risk assessment is used for identifying fire related risks. V. Periodic EHS audits by internal trained auditors and external auditing agencies.
c. Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks? (Yes/No)	Yes, the Company has established effective mechanisms for reporting work-related hazards. If any worker identifies a hazard, they can promptly report it to their supervisor. The hazard observation is then recorded in the EHS portal under categories such as Unsafe Acts, Unsafe Conditions, or Near Miss incidents. The reported unsafe acts or conditions are investigated, and the progress of implementing corrective actions is closely monitored until completion. These reports are centrally reviewed during EHS performance review meetings, with attention given to their frequency and closure. Also, during the Safety committee meeting/Gemba walks, workers share any potential risk they have observed on the shop floor and the same is corrected within the time frame. In addition to this, the Company is also having suggestion box system where workers can provide their feedback/suggestion related to workplace hazards elimination/reduction measures.
d. Do the employees/ worker of the entity have access to non-occupational medical and healthcare services? (Yes/ No)	Yes, all the employees and workers are having access to non-occupational medical and health care services.

11. Details of safety related incidents, in the following format:

Safety Incident/Number	Category	FY 2022-23	FY 2021-22
Lost Time Injury Frequency Rate (LTIFR) (per one million-person hours worked)	Employees	-	-
	Workers	0.48	0.28
Total recordable work-related injuries	Employees	-	-
	Workers	5	3
No. of fatalities	Employees	-	-
	Workers	1	1
High consequence work-related injury or ill-health (excluding fatalities)	Employees	-	-
	Workers	-	-

12. Describe the measures taken by the entity to ensure a safe and healthy workplace.

The health and safety management system are based on ISO 45001:2018, the International Standard for Occupational Health and Safety. The key focus areas remain the safety of our people by investing in technologies and processes that eliminate / minimize the interface of man and machinery. A few of the examples are automation in processes, process safety control, fire protection systems, machine guarding, tamper proof interlocks on packaging machineries etc. The processes on which we are focusing are Permit Management Systems, EHS SOPs & technical specifications implementation, Risk Assessments e.g., HAZOP, JSA, Audits etc.

At the design stage of any process, the focus is on eliminating the hazards or providing engineering controls to control the various hazards during manufacturing. The Company has implemented Project Risk Assessment (PRA) for assessing risks for all new or significant modifications of processes, plants, equipment and buildings. In our new plants automation and process control systems are being embedded as part of the design. Further, the Company has a systematic process for identification of work-related hazards through periodic assessments of workplace activities through various internal and external audits and action planning to mitigate or eliminate the identified hazards.

The Company provides Health & Safety training to all concerned during initial employment and on an annual basis. During the reporting period, the Company has implemented Pidilite Life Saving Rules (PLSR's) which comprise of 6 rules e.g., Travel safety, permit to work system, working at height, Lifting Safety, Machine guarding & Energy isolation and Adherence to safety control system. We have a health protocol in place that includes medical screening and periodic health checks.

13. Number of Complaints on the following made by employees and workers:

Topic	FY 2022-2023			FY 2021-2022		
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks
Working Conditions	-	NA	-	-	NA	-
Health & Safety	-	NA	-	-	NA	-

14. Assessments for the year:

Topic	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Health and safety practices	100% All plants were assessed by Internal Audit (every year), external audit (once in 2 years) and safety inspection by unit heads.
Working Conditions	

15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks concerns arising from assessments of health & safety practices and working conditions.

Examples of a few of the corrective actions which are taken as outcome of Incident Investigations/ Assessments are:

- As a part of periodic assessments of workplace activities, the Company have identified six high risk areas for improvement. The six areas identified were Contractor Safety, Permit to Work, working at height, Machine guarding and energy isolation, Lifting Safety and Packaging machinery. Gap assessments have been done against the standard/ guideline requirements and the identified gaps have been closed.
- A targeted initiative named "360-degree guarding" was carried out to evaluate the adequacy of machinery guarding. Through this campaign, specific action plans were taken to rectify any gaps in the machine guarding.
- Audit was carried out by external agency for Static Electricity risk identification & recommendations are implemented for all identified gaps.
- To enhance overall safety culture within the Company, a comprehensive program called Pidilite Life Saving Rules (PLSR's) was rolled out. This program placed special emphasis on critical areas like Travel Safety, Permit to Work, Working at Height, Energy Isolation and Machine guarding, Lifting Safety and Adherence to safety control system.

PRINCIPLE 4: Businesses should respect the interests of and be responsive to all its stakeholders.

ESSENTIAL INDICATORS

1. Describe the processes for identifying key stakeholder groups of the entity:

The process of stakeholder engagement involves identifying key internal and external stakeholders followed by analyzing the impact of each stakeholder groups on our business and vice versa. Based on the exercise carried out, the Company has prioritized its key stakeholders to understand their expectations and concerns. Through regular interactions with the stakeholders across various channels, the Company has been able to strengthen its relationships and enhance the organizational strategy.

2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group:

Stakeholder Group	Whether identified as Vulnerable & Marginalized Group (Yes/No)	Channels of communication	Frequency of engagement (Annually/ Half yearly/ Quarterly /others – please specify)	Purpose and scope of engagement including key topics and concerns raised during such engagement
Workforce	No	<ul style="list-style-type: none"> • Trainings • Meetings • Email interaction • Employee satisfaction survey • Employee engagement activities • Open forums • Live chat 	• Ongoing	<ul style="list-style-type: none"> • Skill development • Workplace satisfaction • Healthy and safe operations • Employee engagement and involvement • Career progression • Emotional and mental well-being
Customers	No	<ul style="list-style-type: none"> • Telephone • Email • Customer meets • Personal visits • Advertisements • Customer satisfaction reports 	• Ongoing	<ul style="list-style-type: none"> • Availability of the product • Pricing of the product • Quality of the product • New product development • Logistics • Efficient service • Grievance redressal and transparency • Information on the safe use of products
Investors and Shareholders	No	<ul style="list-style-type: none"> • Media releases • Annual reports • Investor meets • Analyst meets • Contact through investor service centers • Annual general meeting • Company website 	• Ongoing/ Quarterly	<ul style="list-style-type: none"> • Financial performance • Business growth • Business strategy • Future investments • Transparency • Good governance practices • Social responsibility • Sustainability
Dealers	No	<ul style="list-style-type: none"> • Helpdesk • E-business portal • Personal interaction • E-communication/ telephonic conversations • Dealer visits/meets 	• Ongoing	<ul style="list-style-type: none"> • Product availability • Product portfolio • New product development • Market trend
Suppliers	No	<ul style="list-style-type: none"> • Personal interaction • Telephonic conversations • Email communication 	• Ongoing	<ul style="list-style-type: none"> • Long-term association • Innovation opportunities

Stakeholder Group	Whether identified as Vulnerable & Marginalized Group (Yes/No)	Channels of communication	Frequency of engagement (Annually/ Half yearly/ Quarterly /others – please specify)	Purpose and scope of engagement including key topics and concerns raised during such engagement
Local communities	No	<ul style="list-style-type: none"> • Visits • Meetings • Medical camps • Need assessment 	• Ongoing	<ul style="list-style-type: none"> • Health • Education • Indirect economic impact • Sanitation
Non-governmental organizations (NGOs)	No	<ul style="list-style-type: none"> • CSR initiatives • Telephonic discussions 	• Ongoing	<ul style="list-style-type: none"> • Support on implementation of program in Company's focus areas • Support for community-based organizations
Regulatory authorities	No	<ul style="list-style-type: none"> • Industry bodies and forums 	• Need based	<ul style="list-style-type: none"> • Regulatory compliance • Community initiatives

PRINCIPLE 5: Businesses should respect and promote human rights.

ESSENTIAL INDICATORS

1. Employees and workers who have been provided training on human rights issues and policy(ies) of the entity, in the following format:

Category	FY 2022-23 (Current FY)			FY 2021-22 (Previous FY)		
	Total (A)	No. of employees /workers covered (B)	% (B/A)	Total (C)	No. of employees /workers covered (D)	%(D/C)
Employees						
Permanent	7,134	4,346	61%	6,428	4,781	74%
Other than permanent	-	-	-	-	-	-
Total Employees	7,134	4,346	61%	6,428	4,781	74%
Workers						
Permanent	176	176	100%	161	161	100%
Other than permanent	-	-	-	-	-	-
Total Workers	176	176	100%	161	161	100%

2. Details of minimum wages paid to employees and workers, in the following format:

Category	FY 2022-23 (Current FY)					FY 2021-22 (Previous FY)				
	Total (A)	Equal to Minimum Wage		More than Minimum Wage		Total (D)	Equal to Minimum Wage		More than Minimum Wage

Category	FY 2022-23 (Current FY)					FY 2021-22 (Previous FY)				
	Total (A)	Equal to Minimum Wage		More than Minimum Wage		Total (D)	Equal to Minimum Wage		More than Minimum Wage	
		No. (B)	% (B/A)	No. (C)	% (C/A)		No. (E)	% (E/D)	No. (F)	% (F/D)
Workers										
Permanent										
Male	167	-	-	167	100%	152	-	-	152	100%
Female	9	-	-	9	100%	9	-	-	9	100%
Other than permanent										
Male	3,403	-	-	3,403	100%	-	-	-	-	-
Female	182	-	-	182	100%	-	-	-	-	-

3. Details of remuneration/salary/wages, in the following format:

Category	Male		Female	
	Number	Median remuneration/ salary/ wages of respective category (₹ in lacs)	Number	Median remuneration/ salary/ wages of respective category (₹ in lacs)
Board of Directors (BoD)	15	112.45#	02	33.9*
Key Managerial Personnel	0@	-	01	63.7*
Employees other than BoD and KMP	6,730	6.6^	395	14.1^
Workers	167	5.7^	9	5.5^

Represents median remuneration of Directors including those resigned/joined during the year.

* Represent total remuneration of the Independent Directors/KMP.

@ Excludes Key Managerial Personnel who are already covered under Board of Directors

^ Represents median CTC

4. Do you have a focal point (Individual/ Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No).

Yes. Any human rights issues are addressed to the HR function for resolution.

5. Describe the internal mechanisms in place to redress grievances related to human rights issues.

The Company has a framework that focuses on good governance, our commitment to abide by law, ensuring timely payment of employee salaries, and providing equal opportunities for all. The Company has provided various platforms to facilitate employees to express their concerns e.g. Ethics helpline, Sampark, Mypidilite etc. Any grievances are routed to the Human Resource function and in certain cases to the Ethics Committee. Necessary action is taken in line with underlying policies and regulations applicable to the workplace and the closure is intimated to the aggrieved person. Further, at the factory locations, system of open house forum called 'Khulla Manch' is organized periodically for grievance resolution. In addition, the Code of Conduct for Employees and the Whistle Blower Policy allows all our employees to report any kind of suspected or actual misconduct in the organization in an anonymous manner including grievances.

6. Number of Complaints on the following made by employees and workers:

Category	FY 2022-23			FY 2021-22		
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks
Sexual Harassment	1	-	The complaint has been investigated and necessary action taken.	1	-	-
Discrimination at workplace	-	-	-	-	-	-
Child Labour	-	-	-	-	-	-
Forced Labour/ Involuntary Labour	-	-	-	-	-	-
Wages	-	-	-	-	-	-
Other human rights related issues	-	-	-	-	-	-

7. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.

The Company has a well-defined Whistle Blower Policy and Grievance Redressal Procedure for employees. Any employee can raise the grievance and the same is resolved within the prescribed timelines. Further, an Internal Committee under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 is also in place.

8. Do human rights requirements form part of your business agreements and contracts? (Yes/No)

Yes.

9. Assessments for the year:

	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Child Labour	100% of Company's plants are assessed by internal team.
Forced/involuntary Labour	
Sexual harassment	
Discrimination at workplace	
Wages	
Others – please specify	

10. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 9 above.

There were no significant risks/concern arising from the above assessments.

PRINCIPLE 6: Businesses should respect and make efforts to protect and restore the environment

ESSENTIAL INDICATORS

1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:

Parameter	FY 2022-23	FY 2021-22
Total electricity consumption (A) (GJ)	1,91,746	1,82,225
Total fuel consumption (B) (GJ)	4,29,873	4,80,682
Energy consumption through other sources (C) (GJ)	-	-
Total energy consumption (A+B+C) (GJ)	6,21,619	6,22,907
Energy intensity per rupee of turnover (Total energy consumption/ turnover in rupees)	0.0000059	0.0000075
Energy intensity (GJ/MT)	1.61	2.03

**Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N)
If yes, name of the external agency.**

No

2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.

Not Applicable, as the Company does not fall in the category of industries mandated under the PAT scheme.

3. Provide details of the following disclosures related to water, in the following format:

Parameter	FY 2022-23	FY 2021-22
Water withdrawal by source (in kiloliters)		
(i) Surface water	44,483	27,266
(ii) Groundwater	1,36,125	1,71,119
(iii) Third party water	5,89,100	6,16,027
(iv) Seawater / desalinated water	-	-
(v) Others	-	-
Total volume of water withdrawal (in kiloliters)	7,69,708	8,14,412
Total volume of water consumption (in kiloliters)	4,33,625	4,36,173
Water intensity per rupee of turnover (Water consumed / turnover)	0.0000041	0.0000049
Water intensity Ratio (KL/MT) (based on water withdrawal)	1.99	2.49

**Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N)
If yes, name of the external agency.**

No

4. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.

Yes, currently we have 22 of total 33 manufacturing facilities considered as zero liquid discharge. We are continuing with our efforts to reduce fresh water consumption by applying the principles of reduce, reuse, recycle and looking for newer technologies in the field.

5. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

Parameter	Unit	FY 2022-23	FY 2021-22
NOx	Kg/Yr	17,528	16,754
SOx	Kg/Yr	18,481	14,433
Particulate matter (PM)	Kg/Yr	26,191	29,565

Note: Persistent Organic Pollutants (POP), Volatile Organic Compounds (VOC) and Hazardous Air Pollutants (HAP), are not being monitored currently.

**Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N)
If yes, name of the external agency.**

Yes, Stack emissions are monitored by authorized external agency.

Name of external agencies: Padmaja Aerobiological Pvt Ltd., Navi Mumbai, Kadam Environment, Vadodara and Vimta Lab Ltd., Hyderabad.

6. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity in following format:

Parameter	Unit	FY 2022-23	FY 2021-22
Total Scope 1 emissions	tCO2e	9,881	12,100
Total Scope 2 emissions	tCO2e	33,286	32,874
Total Scope 1 and Scope 2 emissions per crore rupee of turnover	tCO2e / Rupee turnover	0.00000041	0.00000051
Total Scope 1 and Scope 2 emission intensity	tCO2e/MT	0.11	0.14

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N)
If yes, name of the external agency.

No

7. Does the entity have any project related to reducing Green House Gas emission? If yes, then provide detail.

Yes. With the goals of minimizing carbon footprint and mitigating climate change risks, the Company has undertaken several initiatives to shift to less carbon intensive / renewable fuels. Some of the initiatives include conversion of coal fired boiler into briquette boiler, change of boiler fuel from Furnace oil to PNG. Also new solar panels have been installed in our units and windmills have been maintained to generate electricity in order to reduce the GHG emissions.

8. Provide details related to waste management by the entity, in the following format:

Category of Waste	FY 2022-23	FY 2021-22
Total Waste generated (in metric tonnes)		
Plastic waste (A) MT	1,120	825
E-waste (B) MT	4.0	14.7
Bio-medical waste (C)MT	2.7	1.6
Construction and demolition waste (D) MT	422	188
Battery waste (E) MT	10.7	3.7
Radioactive waste (F)	-	-
Other Hazardous waste. Please specify if any (G) MT	5,463	6,492
Other Non-hazardous waste generated (H). Please specify, if any MT	1,601	1,901
Total Waste Disposed (A+B + C + D + E + F + G + H) MT	8,623	9,426

For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)

Category of Waste: Plastic Waste (in Metric Tonnes)		
i. Recycled	1,120	825
ii. Reused	-	-
iii. Other recovery operations	-	-
Category of Waste: E-Waste (in Metric Tonnes)		
i. Recycled	4.0	14.7
ii. Reused	-	-
iii. Other recovery operations	-	-
Category of Waste: Biomedical Waste (in Metric Tonnes)		
i. Recycled	-	-
ii. Reused	-	-
iii. Other recovery operations	-	-
Category of Waste: Construction and Demolition Waste (in Metric Tonnes)		
i. Recycled	-	-
ii. Reused	422	188
iii. Other recovery operations	-	-
Category of Waste: Battery Waste (in Metric Tonnes)		
i. Recycled	10.7	3.7
ii. Reused	-	-

Category of Waste	FY 2022-23	FY 2021-22
iii. Other recovery operations	-	-
Category of Waste: Hazardous Waste (in Metric Tonnes)		
i. Recycled	953	1,190
ii. Reused	-	-
iii. Other recovery operations	-	-
Category of Waste: Non-Hazardous Waste (in Metric Tonnes)		
i. Recycled	368	793
ii. Reused	-	-
iii. Other recovery operations	-	-

For each category of waste generated, total waste disposed by nature of disposal method (in metric tonnes)

Category of Waste: Plastic Waste (in Metric Tonnes)		
i. Incineration	-	-
ii. Landfilling	-	-
iii. Other disposal operations – Co-processing	-	-
Category of Waste: E-Waste (in Metric Tonnes)		
i. Incineration	-	-
ii. Landfilling	-	-
iii. Other disposal operations – Co-processing	-	-
Category of Waste: Biomedical Waste (in Metric Tonnes)		
i. Incineration	2.7	1.6
ii. Landfilling	-	-
iii. Other disposal operations – Co-processing	-	-
Category of Waste: Construction and demolition waste (in Metric Tonnes)		
i. Incineration	-	-
ii. Landfilling	-	-
iii. Other disposal operations – Co-processing	-	-
Category of Waste: Battery Waste (in Metric Tonnes)		
i. Incineration	-	-
ii. Landfilling	-	-
iii. Other disposal operations – Co-processing	-	-
Category of Waste: Non Hazardous Waste (in Metric Tonnes)		
i. Incineration	-	-
ii. Landfilling	1,233	1,108
iii. Other disposal operations – Co-processing	-	-
Category of Waste: Hazardous Waste (in Metric Tonnes)		
i. Incineration	637	489
ii. Landfilling	3,873	4,813
iii. Other disposal operations – Co-processing	-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N)
If yes, name of the external agency.

No

9. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes:

The Company is committed to minimizing its waste disposal intensity, adopting practices of waste reduction, reuse and recycling. Some of the initiatives undertaken are shifting to bulk raw material storage from drum packs, reuse / recycling of packing materials, recycling of equipment wash water, etc. The Company keeps track of its waste disposal intensity and has set KPI for year-on-year reduction. Details of the initiatives are further disclosed in annual sustainability reports available in the public domain at <https://pidilite.com/sustainability/>.

10. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

None of the manufacturing facilities or offices of the Company falls in or around ecologically sensitive areas.

11. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

During the financial year 2022-23, no environmental impact assessments of projects were undertaken.

12. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India, such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:

Yes, the Company is in compliance with the applicable environmental legislation.

PRINCIPLE 7: Businesses when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent

ESSENTIAL INDICATORS

1. a) Number of affiliations with trade and industry chambers/ associations

We are part of 5 leading industry bodies amongst many other associations.

b) List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated to.

S. No.	Name of the trade and industry chambers/ associations	Reach of trade and industry chambers/ associations (State/National)
1	Federation of Indian Chambers of Commerce and Industry	National
2	Indian Chemical Council	National
3	Confederation of Indian Industry	National
4	National Chemical Laboratory	National
5	The Advertising Standards Council of India	National

2. Provide details of corrective action taken or underway on any issues related to anti-competitive conduct by the entity, based on adverse orders from regulatory authorities

No cases were reported related to anti-competitive conduct.

PRINCIPLE 8: Businesses should promote inclusive growth and equitable development.

ESSENTIAL INDICATORS

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.

Not Applicable

2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity:

Not Applicable

3. Describe the mechanisms to receive and redress grievances of the community:

The Company has always believed in contributing to the betterment of the society where it operates. With this objective, the Company is proactively supporting various social and community initiatives for the past several years, even before the concept of Corporate Social Responsibility and statutory requirements thereof came into existence. The Company engages with different stakeholders of the community like farmers, women self-help groups, children through different programs in the areas of agriculture and horticulture, Farmer Producer Organizations, Animal husbandry, initiatives for women, sanitation, water conservation, education, health care and different social and community initiatives. The Company has different engagement programs with stakeholders such as monthly farmers meeting, self-help group women meeting as well as open house programs.

Details of some of such initiatives are given below:

S. No.	CSR Project	No of persons benefited from CSR Projects	% of beneficiaries from vulnerable and marginalized group
1	Agriculture	18,000 farmers	100% of the projects serve the intended beneficiaries. Please refer to the Social & Community Initiatives section in the Annual Report.
2	Farmer Producer Organization	1,171 farmers	
3	Animal Husbandry	821 farmers	
4	Water Harvesting and Conservation	Development of 56 check dams, 13 ponds deepening and 36 farm ponds for the year 2022-23.	
5	Women Initiative	7,853 women	
6	Education	Covered 155 Government Primary Schools through WaGaLe, Digitization and other initiatives.	
7	Skill	More than 18,600 students	
8	Health (Treatment, vaccination, and others)	More than 45,500 patients	

4. Percentage of input material (inputs to total inputs by value) sourced from local or small-scale suppliers:

	FY 2022-23	FY 2021-22
Directly sourced from MSMEs/ Small producers	13%	10%
Sourced directly from within the district and neighboring districts	66%	46%

PRINCIPLE 9: Businesses should engage with and provide value to their consumers in responsible manner.

ESSENTIAL INDICATORS

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback:

The Company has an online complaint management system where all customer complaints are recorded. Upon receipt of the complaints, these are investigated and based on the root cause analysis the corrective and preventive actions are taken. The feedback of the actions are communicated back to the complaint initiator.

2. Turnover of products and services as a percentage of turnover from all products/service that carry information about:

	As a percentage to total turnover
Environmental and Social parameters relevant to the product	100
Safe and responsible usage	100
Recycling and/or safe disposal	100

3. Number of consumer complaints:

	FY 2022-23		Remarks	FY 2021-22		Remarks
	Received during the year	Pending resolution at the end of year		Received during the year	Pending resolution at the end of year	
Data privacy	Nil	-	-	Nil	-	-
Advertising	2	-	-	Nil	-	-
Cyber-security	Nil	-	-	Nil	-	-
Delivery of essential services	NA	-	-	NA	-	-
Restrictive Trade Practices	Nil	-	-	Nil	-	-
Unfair Trade Practices	Nil	-	-	Nil	-	-
Others (Product related complaints)	2,612	3	-	1,580	11	-

4. Details of instances of product recalls on account of safety issues:

	Number	Reason for recall
Voluntary recalls	-	NA
Forced recalls	-	NA

5. Does the entity have a framework/ policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web-link of the policy:

Yes. The Company has an Information Security Policy to guide on the controls to be incorporated under security domains for appropriate use of Information and Information Technology within the business. The policy is applicable to all employees, vendors, contractors, consultants and other temporary workers of the Company and its subsidiaries. The policy is available on the Company's intranet.

6. Provide details of any corrective actions taken or underway on issues relating to advertising and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty / action taken by regulatory authorities on safety of products / services:

There are no product complaints, which have attracted penal action by regulatory authorities during the reporting period.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF PIDILITE INDUSTRIES LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Pidilite Industries Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Principal audit procedures performed
<p>Impairment of Investment in certain subsidiaries (Refer Note 7 of the Standalone Financial Statements)</p> <p>The standalone financial statements of the Company includes investment in two subsidiaries, located at Brazil and Middle East, aggregating ₹ 165.98 crores (as at 31st March, 2023) which is measured at cost less impairment and is tested for impairment if there are any indicators of impairment. Due to material accumulated losses being incurred by these subsidiaries, the Company's management has tested these investments for impairment in accordance with Ind AS 36. For impairment testing, management determines recoverable amount, using discounted cash flow projections, which represent management's best estimate about future developments and takes into account past experience.</p> <p>Key assumptions on which management has based its determination of recoverable amount include estimated long-term growth rates, discount rate, estimated sales growth rate and estimated operating margins. Management has obtained fair value of investments from independent valuation experts for investments in the said two subsidiaries.</p> <p>We have identified this as a key audit matter as determination of recoverable amount involves significant judgements, as regards to reasonableness of assumptions involved in estimating future cash flows of these subsidiaries and in determining the discount rate to be used. Changes in these assumptions could impact the results of the impairment assessment.</p>	<p>To evaluate impairment of investment in these two subsidiaries, our procedures included:</p> <ol style="list-style-type: none"> Evaluated the design and implementation of the controls over identification of impairment indicators and review of the impairment assessment of investment in subsidiaries and tested the operating effectiveness of these controls. Validating impairment models through testing of the mathematical accuracy and verifying the application of the input assumptions. Assessed the appropriateness of the forecast cash flows within the budgeted period based on the understanding of the business. Considered historical forecasting accuracy, by comparing previously forecasted cash flows to actual results achieved. Compared the assumptions made by the management of the Company with comparable benchmarks in relation to key inputs such as long-term growth rates and discount rates with the assistance of our fair value specialists Performed sensitivity analysis on the key assumptions such as long-term growth rates and discount rates, to ascertain the extent of change in those assumptions that would be required for the investment in these subsidiaries to be impaired further.

Information Other than the Financial Statements and Auditor's Report Thereon ("other information").

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report, Business Responsibility and Sustainability Report, Corporate Governance and Information for Shareholder, but does not include the

consolidated financial statements, standalone financial statements and our auditor's report thereon.

- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient

and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to standalone financial statements.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the note 53(a) to the financial statements no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding,

whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The Management has represented that, to the best of its knowledge and belief, as disclosed in the note 54(h) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. (a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with section 123 of the Act, as applicable.
 - (b) The Company did not declare any interim dividend in the current year.
 - (c) As stated in note 20(b) to the financial statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend proposed is in accordance with section 123 of the Act, as applicable.
 - vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company w.e.f. 1st April 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended 31st March, 2023.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF PIDILITE INDUSTRIES LIMITED FOR THE YEAR ENDED 31ST MARCH, 2023

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of Pidilite Industries Limited ("the Company") as of 31st March, 2023 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls with reference to standalone financial statements based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at 31st March, 2023, based on the criteria for internal financial control with reference to standalone financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF PIDILITE INDUSTRIES LIMITED FOR THE YEAR ENDED 31ST MARCH, 2023

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) In respect of the Company's Property, Plant and Equipment and Intangible Assets:
- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment, capital work-in progress and relevant details of right-of-use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a program of physical verification of its property, plant and equipment, capital work-in-progress and right-of-use assets so to cover all the items once in every 3 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain property, plant and equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) Based on our examination of the registered sale deed /transfer deed / conveyance deed provided to us, we report that, the title deeds of all the immovable properties, (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in property, plant and equipment and capital work-in progress are held in the name of the Company as at the balance sheet date.
- (d) The Company has not revalued any of its Property, Plant and Equipment (including Right of Use assets) and intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at 31st March, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) In respect of the Company's Inventories:
- (a) The inventories except for goods in transit, were physically verified during the year by the Management at reasonable intervals. In our opinion and based on information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. In respect of goods in transit, the goods have been received / delivered subsequent to the year end.

No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.

- (b) The Company has been sanctioned working capital limits in excess of ₹ 5 crores, in aggregate, throughout the year, from banks on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly statement comprising stock statement, statements on ageing analysis of the debtors, payable statements filed by the Company with such banks are in agreement with the unaudited books of account of the Company of the respective quarters.
- (iii) The Company has made investments in, provided guarantees and granted unsecured loans to subsidiary companies or any other parties during the year, in respect of which:
- (a) The Company has provided loans and stood guarantees during the year and details of which are given below:

(₹ in crores)

	Loans	Guarantees
A. Aggregate amount provided during the year:		
- Subsidiaries	-	102.83
- Associates	2.04	-
- Others	8.21	-
B. Balance Outstanding as at balance sheet date in respect of above cases*		
- Subsidiaries	-	205.17
- Associates	2.04	-
- Others	11.04	-

* includes opening balance.

The Company has not provided any advances in the nature of loans and security to any other entity during the year.

- (b) The investments made, guarantees provided and the terms and conditions of the all above mentioned loans provided during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.
- (c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are regular as per stipulation.
- (d) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.

- (e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties.
- (f) The Company has not granted any loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause (iii)(f) is not applicable.
- (iv) The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments guarantees and securities provided, as applicable.
- (v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended and prescribed by the Central

Government for maintenance of cost records under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained by the company. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

- (vii) In respect of statutory dues:
- (a) Undisputed statutory dues, including Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value added tax, Cess and other material statutory dues applicable to the Company have been regularly deposited by it with the appropriate authorities in all cases during the year.
- There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value added tax, Cess and other material statutory dues in arrears as at 31st March, 2023 for a period of more than six months from the date they became payable.

- (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on 31st March, 2023 on account of disputes are given below:

Name of Statute	Nature of Dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount (₹ in crores)
Income Tax Act, 1961	Income Tax	Commissioner (Appeals)	AY 2007-08, AY 2010-11 to AY 2014-15, AY 2017-18, AY 2018-19	22.20

- (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- (ix) (a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan during the year and there are no unutilized term loans at the beginning of the year and hence, reporting under clause (ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries or joint ventures or associate companies and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company has not issued any of its securities (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause (x)(b) of the Order is not applicable to the Company.

- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year (and upto the date of this report) and provided to us, when performing our audit.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date when performing our audit procedures.
- (xv) In our opinion, during the year the Company has not entered into any non-cash transactions with any of its directors or directors of its subsidiary company, associate company or persons connected with such directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable.
- (d) The Group does not have any CIC as part of the group and accordingly reporting under clause (xvi) (d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.

- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause (xx) of the Order is not applicable for the year.

Notes Forming Part of The Financial Statements

1 Corporate information

Pidilite Industries Limited (CIN L24100MH1969PLC014336), together with its subsidiaries are pioneers in consumer and industrial speciality chemicals in India. The equity shares of the Company are listed on BSE Ltd (BSE) and National Stock Exchange of India Ltd (NSE).

The address of its registered office is Regent Chambers, 7th Floor, Jammalal Bajaj Marg, 208, Nariman Point, Mumbai 400 021. The address of principal place of business is Ramkrishna Mandir Road, Off Mathuradas VasANJI Road, Andheri (E), Mumbai 400 059.

2 Significant Accounting Policies

2.1 Basis of accounting and preparation of financial statements

The standalone financial statements of the Company have been prepared in accordance with the Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

The financial statements have been prepared under the historical cost convention except for the following items –

- Certain Financial Assets / Liabilities (including derivative instruments) – at Fair value
- Employee Stock Options - at Fair value

The financial statements are presented in Indian Rupees (₹) and all values are rounded to the nearest crores, except otherwise indicated.

2.2 Business Combination

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred by the Company, liabilities incurred by the Company to the former owners of the acquiree and the equity interest issued by the Company in exchange of control of acquiree. Acquisition-related costs are recognised in statement of profit or loss as incurred.

When the consideration transferred by the Company in a business combination includes assets or liabilities resulting from a contingent consideration arrangement, the contingent consideration is measured at its acquisition-date fair value and included as a part of the consideration transferred in a business combination. Changes in the fair value of the contingent consideration that qualify as measurement period adjustments are adjusted retrospectively, with corresponding changes against goodwill or capital reserve, as the case maybe. Measurement period adjustments are adjustments that arise from additional information obtained during the 'measurement period' (which cannot exceed one year from the acquisition date) about facts and circumstances that existed at the acquisition date. Contingent consideration that is classified as an asset or a liability is subsequently (after the measurement period) remeasured at subsequent reporting dates with the corresponding gain or loss being recognised in Statement of Profit and Loss.

In case of business combinations involving entities under common control, the above policy does not apply. Business combinations involving entities under common control are accounted for using the pooling of interests method. The net assets of the transferor entity or business are accounted at their carrying amounts on the date of the acquisition subject to necessary adjustments required to harmonise accounting policies. Retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee. Identity of the reserves appearing in the financial statements of the transferor is preserved and appears in the financial statements of the transferee in the same form. Any excess or shortfall of consideration paid over share capital and reserves of transferor entity is recognised as capital reserve under equity.

2.3 Goodwill

Goodwill is measured as the excess of the sum of the consideration transferred over the net of acquisition-date amounts of the identifiable assets acquired and the liabilities assumed. Goodwill arising on an acquisition of a business is carried at cost as established at the date of acquisition of the business less accumulated impairment losses, if any.

For the purposes of impairment testing, goodwill is allocated to each of the Company's cash-generating units (or groups of cash-generating units) that is expected to benefit from the synergies of the combination. A cash-generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata based on the carrying amount of each assets in the unit. Any impairment loss for goodwill is recognised directly in Statement of Profit and Loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

2.4 Revenue Recognition

The Company recognises revenue from sale of goods, based on the terms of contract and as per the business practice; the Company determines transaction price considering the amount it expects to be entitled in exchange of transferring promised goods to the customer. Revenue is recognised when it is realized or is realizable and has been earned after the deduction of variable components such as discounts, rebates, incentives, promotional couponing and schemes. The company estimates the amount of variable components based on historical, current and forecast information available and either expected value method or most likely method, as appropriate and records a corresponding liability in other payables; the actual amounts may be different from such estimates. These differences, which have historically not been significant, are recognized as a change in management estimate in a subsequent period.

2.4.1.a Sale of Goods

Revenue is recognised when control of the products being sold has been transferred to a customer and when there are no longer any unfulfilled obligations to the customer. This is generally on delivery to the customer but depending on individual customer terms, this can be at the time of dispatch, delivery or upon formal customer acceptance. This is considered the appropriate point where the performance obligations in our contracts are satisfied and the Company no longer has control over the inventory.

Advance received from customer before transfer of control of goods to the customer is recognised as contract liability.

2.4.1.b Sale of Services

Revenue from sale of services includes fixed price contracts and time and material contracts and is recognized as sale, as and when the related services are performed and certified by the client. Incomplete services are recorded at cost as work-in-progress.

The Company accounts for provision of warranty in accordance with Ind AS 37 "Provisions, Contingent Liabilities and Contingent Assets".

2.4.2 Dividend, Interest income and Royalty

Dividend income from investments is recognised when the Company's right to receive dividend is established. Interest income from a financial asset is recognised on a time basis, by reference to the principal outstanding using the effective interest method provided it is probable that the economic benefits associated with the interest will flow to the Company and the amount of interest can be measured reliably. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of that financial asset.

Royalty income is recognised on an accrual basis in accordance with the substance of the relevant agreement or underlying arrangement in case of sales provided that it is probable that the economic benefits associated with the royalty shall flow to the Company and the amount of royalty can be measured reliably.

Claims / Insurance Claim etc. are accounted for when no significant uncertainties are attached to their eventual receipt.

The Company's policy for recognition of revenue (rental income) from leases is described in note 2.5.2.

2.5 Leasing

The company at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration.

2.5.1 Company as Lessee

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset, (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right-of-use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cashflows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related Right-of-use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing activity under cash flows.

2.5.2 Company as Lessor

Rental income from leases is recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increase, such increases are recognised in the year in which such benefits accrue.

Amounts due from lessees under finance leases are recognised as receivables at the amount of the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect constant periodic rate of return of the Company's net investment outstanding in respect of the leases.

2.6 Foreign Currencies

The functional currency of the Company is the Indian Rupee.

At the end of each reporting period, monetary items (including financial assets and liabilities) denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Gains or losses arising from these translations are recognised in the Statement of Profit and Loss.

In respect of the foreign offices / branches, which are integral foreign operations, all revenues and expenses during the month are reported at monthly average rates. Outstanding balances in respect of monetary assets and liabilities are restated at the year end exchange rates. Outstanding balances in respect of non-monetary assets and liabilities are stated at the rates prevailing on the date of the transaction. Net gain / loss on foreign currency translation are recognised in the Statement of Profit and Loss.

2.7 Share-based payment transactions of the Company

Equity-settled share-based payments to employees providing similar services are measured at the fair value of the equity instruments at the grant date.

The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity.

2.8 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

2.8.1 Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using applicable tax rates that have been enacted or substantively enacted by the end of the reporting period and the provisions of the Income Tax Act, 1961 and other tax laws, as applicable.

2.8.2 Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

2.8.3 Current and Deferred Tax for the year

Current and deferred tax are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognised in Other Comprehensive Income or directly in equity respectively.

2.9 Property, Plant and Equipment**2.9.1 Property, Plant and Equipment acquired separately**

Freehold land is stated at cost and not depreciated. Buildings, plant and machinery, vehicles, furniture and office equipments are stated at cost less accumulated depreciation and accumulated impairment losses.

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in Statement of Profit and Loss.

2.9.2 Capital Work-in-Progress

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified and capitalised to the appropriate categories of Property, Plant and Equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

2.9.3 Depreciation

Depreciation is recognised so as to write off the cost of assets (other than Freehold Land and Capital Work-in-Progress) less their residual values over their useful lives, using the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

For certain items of Property, Plant and Equipment, the Company depreciates over estimated useful life which are different from the useful lives prescribed under Schedule II to the Companies Act, 2013 which is based upon technical assessment made by technical expert and management estimate. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

The estimated useful lives are as mentioned below:

Type of Asset	Useful Life
Buildings	30 - 60 years
Plant and Machinery	6 - 25 years
Vehicles	8 - 10 years
Furniture and Fixtures	10 years
Office Equipment	3 - 6 years

2.10 Intangible Assets**2.10.1 Intangible assets acquired separately**

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

2.10.2 Intangible assets acquired in a business combination

Intangible assets acquired in a business combination and recognised separately from goodwill are initially recognised at their fair value at the acquisition date (which is regarded as their cost).

Subsequent to initial recognition, intangible assets acquired in a business combination are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets that are acquired separately.

2.10.3 Internally generated Intangible Assets – Research and Development Expenditure

Expenditure on research activities is recognised in Statement of Profit and Loss in the period in which it is incurred.

An internally generated intangible asset arising from development is recognised if and only if it meets the recognition criteria of intangible assets. The amount initially recognised is the sum total of expenditure incurred from the date when the intangible asset first meets the recognition criteria. Where no intangible asset can be recognised, development expenditure is recognised in Statement of Profit and Loss in the period in which it is incurred.

Subsequent to initial recognition, internally generated intangible assets are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets acquired separately.

2.10.4 Useful lives of Intangible Assets

Estimated useful lives of the Intangible Assets are as follows:

Type of Asset	Useful Life
Computer Software	6 years
Technical Knowhow	10 years
Non-Compete Fees	7-10 years
Distribution Network	15 years
Copyrights	Indefinite Life
Trademarks	Indefinite Life

2.11 Impairment of Tangible and Intangible Assets other than Goodwill

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired. Intangible assets with indefinite useful lives are tested for impairment annually at the cash-generating unit level. The assessment of indefinite useful life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Recoverable amount is the higher of fair value less costs of disposal and value in use. If the recoverable amount of the asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised in Statement of Profit and Loss.

2.12 Inventories

Inventories are valued at lower of cost and net realisable value. Cost of inventories is determined on weighted average. Cost for this purpose includes cost of direct materials, direct labour, excise duty and appropriate share of overheads. Net realisable value represents the estimated selling price in the ordinary course of business less all estimated costs of completion and estimated costs necessary to make the sale.

Obsolete, defective, unserviceable and slow / non-moving stocks are duly provided for and valued at net realisable value.

2.13 Provisions (other than Employee Benefits)

A provision is recognised when as a result of past event, the Company has a present legal or constructive obligation which can be reliably estimated and it is probable that an outflow of economic benefit will be required to settle the obligation.

Provisions (excluding retirement benefits) are determined based on the best estimate required to settle the obligation at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

2.14 Financial Instruments**2.14.1 Initial Recognition and Measurement**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. All financial assets and financial liabilities are initially measured at fair value, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at Fair Value Through Profit or Loss) are added to or deducted from the value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at Fair Value Through Profit or Loss are recognised in the Statement of Profit and Loss.

2.14.2 Subsequent measurement of Financial Assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets. Debt instruments that meet conditions based on purpose of holding assets and contractual terms of instrument are subsequently measured at amortised cost using effective interest method.

All other financial assets are measured at fair value.

Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as Fair Value Through Profit or Loss. Interest income is recognised in Statement of Profit and Loss and is included in the "Other income" line item.

2.14.3 Impairment of Financial Assets

The Company recognises loss allowance using expected credit loss model for financial assets which are not measured at Fair Value Through Profit or Loss. Expected credit losses are weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at original effective rate of interest.

For Trade receivables, the Company measures loss allowance at an amount equal to lifetime expected credit losses. The Company computes expected credit loss allowance based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

2.14.4 Financial Liabilities and equity instruments**2.14.4.1 Classification of debt or equity**

Debt or equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of financial liability and equity instrument.

2.14.4.2 Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

2.14.4.3 Financial Liabilities

All financial liabilities (other than derivative financial instruments) are measured at amortised cost using effective interest method at the end of reporting periods.

2.14.5 Derecognition of Financial Assets and Liabilities

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or when the Company transfers the contractual rights to receive the cash flows of the financial asset in which substantially all the risks and rewards of ownership of the financial asset are transferred, or in which the Company neither transfers nor retains substantially all the risks and rewards of ownership of the financial asset and does not retain control of the financial asset.

The Company derecognises a financial liability (or a part of financial liability) when the contractual obligation is discharged, cancelled or expired.

2.14.6 Derivative Financial Instruments

The Company holds derivative financial instruments such as foreign exchange forward contracts to manage its exposure to foreign currency exchange rate risks. Also, the Company has an option to purchase and the seller has an option to sell balance stake in equity share capital of certain partly owned subsidiary(ies).

Derivatives are initially recognised at fair value at the date the contracts are entered into. Subsequent to initial recognition, these contracts are measured at fair value at the end of each reporting period and changes are recognised in Statement of Profit and Loss.

2.15 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / loss before tax for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments. Cash Flows from operating, investing and financing activities of the Company are segregated.

Cash and Cash Equivalents for the purpose of Cash Flow Statement comprise of cash at bank, cash in hand and short-term deposits with an original maturity of three months or less, as reduced by bank overdrafts.

2.16 Segment Reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / loss amounts are evaluated regularly by the Chief Operating Decision Maker (CODM) in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment. Inter-segment revenue is accounted on the basis of cost plus margins. Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue/expenses/assets/liabilities" respectively.

2.17 Employee Benefits

Employee benefits include Provident Fund, Superannuation Fund, Employee State Insurance Scheme, Gratuity Fund, Compensated Absences, Anniversary Awards, Premature Death Pension Scheme and Total Disability Pension Scheme.

2.17.1 Defined Contribution Plans

The Company's contribution to Provident Fund, Superannuation Fund, National Pension Scheme and Employee State Insurance Scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

2.17.2 Defined Benefit Plans

For Defined Benefit Plans in the form of Gratuity Fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Remeasurement, comprising actuarial gains and losses and the return on plan assets (excluding net interest) is reflected immediately in the Balance Sheet with a charge or credit recognised in Other Comprehensive Income in the period in which they occur. Remeasurement recognised in Other Comprehensive Income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised immediately for both vested and the non-vested portion. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited taking into account the present value of available refunds and reductions in future contributions to the schemes.

2.17.3 Short-Term and Other Long-Term Employee Benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

2.18 Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential ordinary shares, which includes all stock options granted to employees.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

2.19 Assets held for sale

Sale of business is classified as held for sale, if their carrying amount is intended to be recovered principally through sale rather than through continuing use. The condition for classification as held for sale is met when disposal business is available for immediate sale and the same is highly probable of being completed within one year from the date of classification as held for sale.

2.20 Discontinued operations

A discontinued operation is a component of the Company's business that represents a separate line of business that has been disposed of or is held for sale, or is a subsidiary acquired exclusively with a view to resale. Classification as a discontinued operation occurs upon the earlier of disposal or when the operation meets the criteria to be classified as held for sale.

2.21 Non-current assets and disposal groups held for sale

Assets of disposal groups that is available for immediate sale and where the sale is highly probable of being completed within one year from the date of classification are considered and classified as assets held for sale. Non-current assets and disposal groups held for sale are measured at the lower of carrying amount and fair value less costs to sell.

3 Critical Accounting Judgements and key sources of Estimation Uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies, reported amounts of assets, liabilities, income and expenses, and accompanying disclosures, and the disclosure of contingent liabilities. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

3.1 Key accounting judgements, assumptions and estimates

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

3.1.1 Impairment of investments in subsidiaries

Investment in subsidiaries is measured at cost and tested for impairment annually. For impairment testing, management determines recoverable amount, using cash flow projections which take into account past experience and represent management's best estimate about future developments. Key assumptions on which management has based its determination of recoverable amount include estimated long term growth rates, weighted average cost of capital and estimated operating margins. Management obtains fair value of investments from independent valuation experts.

3.1.2 Impairment of Goodwill and Other Intangible Assets

Goodwill and Other Intangible Assets (i.e. trademarks and copyrights) are tested for impairment on an annual basis. Recoverable amount of cash-generating units is determined based on higher of value-in-use and fair value less cost to sell. The impairment test is performed at the level of the cash-generating unit or groups of cash-generating units which are benefitting from the synergies of the acquisition and which represents the lowest level at which the intangibles are monitored for internal management purposes.

Market related information and estimates are used to determine the recoverable amount. Key assumptions on which management has based its determination of recoverable amount include estimated long term growth rates, weighted average cost of capital and estimated operating margins. Cash flow projections take into account past experience and represent management's best estimate about future developments.

3.1.3 Employee related provisions

The costs of long term and short term employee benefits are estimated using assumptions by the management. These assumptions include rate of increase in compensation levels, discount rates, expected rate of return on assets and attrition rates (disclosed in Note 45).

3.1.4 Income taxes

Significant judgements are involved in estimating budgeted profits for the calculation of advance tax and deferred tax, and determining provision for income taxes and uncertain tax positions (disclosed in Note 48).

3.1.5 Property, Plant and Equipment and Other Intangible Assets

The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired. These estimates are reviewed annually by the management. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

3.1.6 Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

3.1.7 Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, the effective date for adoption of below amendments is for annual periods beginning on or after 1st April 2023.

Ind AS 1 - Presentation of Financial Statements - This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The Company is evaluating the amendment and its impact on financial statements.

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors - This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The Company is evaluating the amendment and its impact on financial statements.

Ind AS 12 - Income Taxes - This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The Company is evaluating the amendment and its impact on financial statements.

(₹ in crores)

Goodwill pertaining to following cash generating unit ("CGU")		
	As at 31 st March 2023	As at 31 st March 2022
Consumer & Bazaar	1,127.23	1,127.23
Business to Business	57.62	57.62
Total	1,184.85	1,184.85

The company has estimated the useful life for its copyrights and trademark as indefinite on the basis of renewal of legal rights and the management's intention to keep it perpetually.

Goodwill, Copyrights and Trademark

Goodwill, copyrights and trademark in the books of the Company pertain to Consumer and Bazaar & Business to Business of the Company.

At the end of each reporting period, the Company reviews carrying amount of goodwill, copyrights and trademark to determine whether there is any indication that goodwill, copyrights and trademark has suffered any impairment loss. Accordingly, recoverable amount of goodwill, copyrights and trademark is arrived basis projected cashflows from Consumer and Bazaar business & Business to Business.

Recoverable amount of goodwill, copyrights and trademark exceeds the carrying amount of goodwill, copyrights and trademark in the books as on 31st March 2023. Further there are no external indications of impairment of goodwill, copyrights and trademark. As a result, no impairment loss on goodwill, copyrights and trademark is required to be recognised.

Projected cashflows from Consumer and Bazaar business (including Araldite) and Business to Business

The recoverable amount of this cash-generating unit is determined based on a value in use calculation which uses cash flow projections based on financial budgets approved by the management for next year, estimates prepared for the next 4 years thereafter and a discount rate of 12.7% per annum (12.0% per annum as at 31st March 2022).

Cash flow projections during the budget period are based on the same expected gross margins and raw materials price inflation throughout the budget period. The cash flows beyond that five-year period have been extrapolated using a steady 7% per annum (7% per annum as at 31st March 2022) growth rate. The management believes that any reasonably possible change in the key assumptions on which recoverable amount is based would not cause the aggregate carrying amount to exceed the aggregate recoverable amount of the cash-generating unit.

The key assumptions used in the value in use calculations for Consumer and Bazaar and Business to Business cash-generating unit are as follows:

Budgeted sales growth	Sales growth is assumed at 12.8% (CAGR) (12.3% as at 31 st March 2022) for Consumer and Bazaar business and at 10.9% (CAGR) for Business to Business which is in line with current year projections. The values assigned to the assumption reflect past experience and current market scenario considering COVID-19 impact and are consistent with the managements' plans for focusing operations in these markets. The management believes that the planned sales growth per year for the next five years is reasonably achievable.
Raw materials price inflation	Forecast for Material cost growth CAGR higher by 0.2% (0.2% as at 31 st March 2022) vs. sales growth, considering impact of commodity cost inflation.
Other budgeted costs	Commercial spends (schemes and A&SP) are kept consistent with sales growth. Other fixed costs are in line with the current year's growth.

Figures in brackets () represents previous year

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward-looking information. The expected credit loss allowance is based on the ageing of the receivable days and the rates as given in the provision matrix. The provision matrix at the end of the reporting period is as follows:

Ageing	Expected Credit Loss	
	As at 31 st March 2023	As at 31 st March 2022 (refer Note 56)
Within the credit period (in days)		
01-90	0.9%	0.8%
91-180	57.3%	54.1%
181-360	65.0%	65.6%
>360	82.8%	84.1%

Movement in expected credit loss allowance:		
	For the year ended 31 st March 2023	For the year ended 31 st March 2022 (refer Note 56)
Balance at the beginning of the year	48.53	34.75
Acquisition under Business Combination (refer Note 56)	-	15.30
Movement in expected credit loss allowance	5.10	(1.52)
Balance at the end of the year	53.63	48.53

A formal credit policy has been framed and credit facilities are given to dealers within the framework of the credit policy. As per credit risk management mechanism, a policy for doubtful debt has been formulated and risk exposure related to receivables are identified based on criteria mentioned in the policy and provided for credit loss allowance.

Trade receivables includes receivables from Companies/firms where directors are directors/members/partners (refer Note 44).

b. Terms/ Rights attached to equity shares

The Company has only one class of equity shares having a par value of ₹ 1 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividend in Indian rupees. The final dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.

In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in the proportion of their shareholding.

The Board of Directors at its meeting held on 8th May 2023 declared a final dividend of ₹ 11.00 per equity share of ₹ 1 each, subject to approval of the shareholders at the ensuing Annual General Meeting.

During the year ended 31st March 2023, the Company had paid final dividend of ₹ 10.00 per equity share of ₹ 1 each for the financial year 2021-22.

21.1 Capital Reserve on Business Combination
Capital Reserve represents excess/short of net assets acquired in business combination. It is not available for the distribution to shareholders as dividend.

21.2 Securities Premium
Securities Premium is created when shares are issued at premium. The Company may issue fully paid-up bonus shares to its members out of the Securities Premium, and Company can use this reserve for buy-back of shares. This reserve is utilised in accordance with the provisions of the Companies Act, 2013.

21.3 Capital Redemption Reserve
The Company has recognised Capital Redemption Reserve on buy-back of equity shares from its General Reserve. The amount in Capital Redemption Reserve is equal to the nominal amount of equity shares bought back. The reserve can be utilised in accordance with the provisions of the Companies Act, 2013.

21.4 Cash Subsidy Reserve
Cash Subsidy Reserve represents subsidies received from state government. It is not available for distribution as dividend to shareholders.

21.5 Share Options Outstanding Account
The above reserve relates to share options granted by the Company to its employees under its employee share option plan. Further information about share-based payments to employees is set out in Note 46.

21.6 General Reserve
General Reserve is created by a transfer from one component of equity to another and is not an item of Other Comprehensive Income. The same can be utilised by the Company in accordance with the provisions of the Companies Act, 2013.

21.7 Retained Earnings
This Reserve represents the cumulative profits of the Company and effects of remeasurement of defined benefit obligations. This Reserve can be utilised in accordance with the provisions of the Companies Act, 2013.

*The Company disaggregated revenues from contracts with customers by customer type and by geography. The Company believes that this disaggregation best depicts how the nature, amount, timing and uncertainty of its revenues and cash flows are affected by industry, market and other economic factors. For geography wise and customer wise breakup of revenue, refer Note 42.

Further, the Company derives its revenue from the transfer of goods at a point in time for its major service lines. This is consistent with the revenue information that is disclosed for each reportable segment under Ind AS 108 'Operating Segment'.

Reconciliation of revenue recognised with the contracted price is as follows:

	For the year ended 31 st March 2023	For the year ended 31 st March 2022 (refer Note 56)
Contracted Price	11,683.00	9,665.05
Reduction towards variable consideration components*	(1,137.88)	(812.74)
Revenue Recognised	10,545.12	8,852.31

*The reduction towards variable consideration includes discounts, rebates, incentives, promotional couponing and schemes.

42 Segment information**Business Segment:**

The Company operates in two business segments namely Consumer & Bazaar (C&B) and Business to Business (B2B). Consumer & Bazaar segment covers sale of products mainly to end consumers which are retail users such as carpenters, painters, plumbers, mechanics, households, students, offices, etc. Sale consists of mainly adhesives, sealants, art and craft materials and construction and paint chemicals. B2B covers sale of products to end customers which are mainly large business users. This includes Industrial Products (IP) such as adhesives, synthetic resins, organic pigments, pigment preparations, construction chemicals (projects), surfactants, etc. and caters to various industries like packaging, textiles, paints, joineries, printing inks, paper, leather, etc. Others includes sale of raw materials.

Operating Segment disclosures are consistent with the information provided to and reviewed by the Managing Director (Chief Operating Decision Maker).

45 Employee Benefits

The Company has classified various employee benefits as under:

(A) Defined Contribution Plans
(a) Provident Fund
(b) Superannuation Fund
(c) State Defined Contribution Plans
- Employers' Contribution to Employees' State Insurance
- Employers' Contribution to Employees' Pension Scheme 1995
- Labour Welfare Fund
(d) National Pension Scheme

The Provident Fund and the State Defined Contribution Plans are operated by the Regional Provident Fund Commissioner, the Superannuation Fund is administered by the LIC of India and National Pension Fund is administered by Pension Fund Regulatory and Development Authority (PFRDA), as applicable, for all eligible employees. Under the schemes, the Company is required to contribute a specified percentage of payroll cost to the retirement benefit schemes to fund the benefits. These funds are recognised by the Income Tax Authorities.

The Company has recognised the following amounts in the Statement of Profit and Loss:

(₹ in crores)

	For the year ended 31 st March 2023	For the year ended 31 st March 2022
(i) Contribution to Provident Fund	30.97	25.75
(ii) Contribution to Employees' Superannuation Fund	0.66	0.80
(iii) Contribution to Employees' State Insurance Scheme	0.19	0.25
(iv) Contribution to Employees' Pension Scheme 1995	10.18	9.43
(v) Contribution to National Pension Scheme	5.89	4.77
TOTAL	47.89	41.00
(B) Defined Benefit Plans		
Gratuity		
(C) Other Long-Term Benefits		
(a) Compensated Absences		
(b) Anniversary Awards		
(c) Premature Death Pension Scheme		
(d) Total Disability Pension Scheme		

Valuations in respect of above have been carried out by independent actuary, as at the balance sheet date, based on the following assumptions:

	Valuations as at	
	31 st March 2023	31 st March 2022
(i) Discount Rate (per annum)	7.47%	6.91% to 7.26%
(ii) Rate of increase in Compensation levels (per annum)	1 st yr - 8.50%, thereafter 6.50%	1 st yr - 8.50%, thereafter 6.50%
(iii) Expected Rate of Return on Assets	7.47%	6.50% to 7.18%
(iv) Attrition Rate	upto 5 yrs - 12.7%, 5 - 10 yrs - 5.4%, Above 10 yrs - 4.5%	2% to 12.7%
(v) Retirement Age	60 years	60 years
(vi) The expected rate of return on plan assets is determined after considering several applicable factors such as the composition of the plan assets, investment/ strategy, market scenario, etc. In order to protect the capital and optimise returns within acceptable risk parameters, the plan assets are well diversified.		
(vii) The discount rate is based on the prevailing market yields of Government of India securities as at the balance sheet date for the estimated term of the obligations.		
(viii) The estimate of future salary increases considered, takes into account the inflation, seniority, promotion, increments and other relevant factors.		

Gratuity fund asset is managed by Life Insurance Corporation of India, there is no material risk that the Company would be unable to meet its gratuity liability. Also as the fund is set up as a trust, the money as a part of the trust will not flow back into the Company until the last employee of the trust is paid.

Note on other risks:

- Investment Risk** – The funds are invested by LIC / Kotak and they provide returns basis the prevalent bond yields, LIC on an annual basis requests for contributions to the fund, while the contribution requested may not be on the same interest rate as the bond yields provided, basis the past experience it is low risk.
- Interest Risk** – LIC does not provide market value of assets, rather maintains a running statement with interest rates declared annually – The fall in interest rate is not therefore offset by increase in value of Bonds, hence may pose a risk.
- Longevity Risk** – Since the gratuity payment happens at the retirement age of 60, longevity impact is very low at this age, hence this is a non-risk.
- Salary Risk** – The liability is calculated taking into account the salary increase, basis past experience of the Company's actual salary increases with the assumptions used, they are in line, hence this risk is low risk.

(₹ in crores)

	31 st March 2023	31 st March 2022

	Year 6 to 10	56.20	53.72
(ix)	Average Expected Future Working Life (yrs)	11.05	11.22

46 Employee Stock Option Scheme**a) Details of Employee Share Options**

In the Annual General Meeting of the Company held on 24th July 2012, the shareholders approved the issue of 50,76,486 equity shares under the Scheme titled "Employee Stock Option Scheme 2012" (ESOS 2012). The Board approved Employees Stock Option Scheme covering 3,00,000 Stock options, in terms of the regulations of the Securities and Exchange Board of India.

The ESOS 2012 allows the issue of options to Eligible employees of the Company. Each option comprises one underlying equity share. The exercise price of each option shall be ₹ 1/- per equity share. The options vest in the manner as specified in ESOS 2012. Options may be exercised within 5 years from the date of vesting.

ESOP 2016 covering grant of 45,00,000 options (including 2,50,000 Options to be granted to Eligible Employees / Directors of the subsidiary Companies) was approved by the shareholders through Postal Ballot on 2nd April 2016. Each option comprises one underlying equity share. The exercise price shall be ₹ 1/- per option or such other higher price as may be fixed by the Board or Committee. Options to be granted under the Plan shall vest not earlier than one year but not later than a maximum of six years from the date of grant of such options. In the case of Eligible Employee who has not completed 3 years of employment as on date of the grant of Options then the Options which are due for vesting before completion of 3 years as above, shall vest as on the completion of 3 years of employment in the Company by the Employee concerned or as may be approved by the Nomination and Remuneration Committee. Vested Options will have to be exercised within 3 years from the date of respective vesting.

The following share based payment arrangements were in existence during the current & prior years:

Option Series	Number	Grant date	Vesting date	Exercise price (₹)	Fair value at grant date (₹)

47 Financial Instruments

(A) Capital Management

The Company manages its capital to ensure that it will be able to continue as going concerns while maximising the return to stakeholders through the optimum utilisation of the equity balance. The capital structure of the Company consists of only equity of the Company. The Company is not subject to any externally imposed capital requirements.

(B) Categories of financial instruments

(₹ in crores)

	As at 31 st March 2023	As at 31 st March 2022

Other Financial Liabilities	848.23	678.96
Total Financial Liabilities	1,974.41	1,823.82

(C) Financial risk management objectives

The Company's Corporate Treasury function provides services to the business, co-ordinates access to domestic and international financial markets, monitors and manages the financial risks relating to the operations of the Company through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk, credit risk and liquidity risk. The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. Exchange rate exposures are managed within approved policy parameters utilising foreign exchange forward contracts. Compliance with policies and exposure limits is a part of Internal Financial Controls. The Company does not enter into or trade in financial instruments, including derivative financial instruments, for speculative purposes. The Corporate Treasury function reports quarterly to the Company's risk management committee, an independent body that monitors risks and policies implemented to mitigate risk exposures.

(D) Market risk

The Company's activities expose it primarily to the financial risk of changes in foreign currency exchange rates (see note E below). The Company enters into foreign exchange forward contracts to manage its exposure to foreign currency risk of net imports.

(E) Foreign currency risk management

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

	Foreign Currency Exposure (in FC)		Foreign Currency Exposure (₹ in crores)	
	31 st March 2023	31 st March 2022	31 st March 2023	31 st March 2022

ZAR	64,255.58	64,255.58	0.03	0.03

(i) Foreign currency sensitivity analysis

The Company is mainly exposed to the USD, EUR and GBP. The following table demonstrates the sensitivity to a 2% increase or decrease in the USD, EUR and GBP against INR with all other variables held constant. The sensitivity analysis is prepared on the net unhedged exposure of the Company as at the reporting date. 2% represents management assessment of reasonably possible changes in foreign exchange rates.

(₹ in crores)

	USD impact	
	For the year ended 31 st March 2023	For the year ended 31 st March 2022
Impact on profit or loss for the year (a)	(2.99)	(4.12)
	EUR impact	
	For the year ended 31 st March 2023	For the year ended 31 st March 2022
Impact on profit or loss for the year (b)	0.24	0.09
	GBP impact	
	For the year ended 31 st March 2023	For the year ended 31 st March 2022
Impact on profit or loss for the year (c)	0.07	(0.34)

(a) This is mainly attributable to the exposure of outstanding USD receivables and payables at the end of the reporting period.

(b) This is mainly attributable to the exposure of outstanding EUR receivables and payables at the end of the reporting period.

(c) This is mainly attributable to the exposure of outstanding GBP receivables and payables at the end of the reporting period.

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

(ii) Foreign exchange forward contracts

It is the policy of the Company to enter into foreign exchange forward contracts to cover foreign currency payments (net of receipts) in USD and EUR. The Company enters into contracts with terms upto 90 days. The Company's philosophy does not permit any speculative calls on the currency. It is driven by conservatism which guides that we follow conventional wisdom by use of Forward contracts in respect of Trade transactions.

Regulatory Requirements: The Company does alter its hedge strategy in relation to the prevailing regulatory framework and guidelines that may be issued by RBI, FEDAI or ISDA or other regulatory bodies from time to time.

Mode of taking Cover: Based on the outstanding details of import payable and export receivable (in weekly baskets) the net trade import exposure is arrived at (i.e. Imports – Exports = Net trade exposures). The net trade import exposure arrived at is netted off with the outstanding forward cover as on date and with the surplus foreign currency balance available in EEFC A/Cs.

Forward cover is obtained from bank for each of the aggregated exposures and the Trade deal is booked. The forward cover deals are all backed by actual trade underlines and settlement of these contracts on maturity are by actual delivery of the hedged currency for settling the underline hedged trade transaction.

The following table details the foreign exchange forward contracts outstanding at the end of the reporting period

Outstanding contracts	Average exchange rates (₹)		Foreign Currency	
	31 st March 2023	31 st March 2022	31 st March 2023	31 st March 2022
USD - Buy	82.65	76.07	2,32,38,224.00	3,23,26,444.10
(₹ in crores)				
Outstanding contracts	Nominal Amounts		Fair value assets / (liabilities)	
	31 st March 2023	31 st March 2022	31 st March 2023	31 st March 2022
USD - Buy	191.99	246.06	(0.60)	(0.16)

The line-items in the financial statements that include the above hedging instruments are "Other Financial Assets" of ₹ NIL crores (₹ 0.44 crores as at 31st March 2022) and "Other Financial Liabilities" of ₹ 0.60 crores (₹ 0.60 crores as at 31st March 2022) (refer Note: 13 and 25 respectively).

The aggregate amount of loss under foreign exchange forward contracts recognised in the Statement of Profit and Loss is ₹ 0.44 crores (gain of ₹ 0.14 crores as at 31st March 2022).

(F) Credit risk management

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables (refer Note 9), investment in mutual funds, derivative financial instruments, other balances with banks, loans and other receivables.

The Company has adopted a policy of only dealing with counterparties that have sufficiently high credit rating. The Company's exposure and credit ratings of its counterparties are continuously monitored and the aggregate value of transactions is reasonably spread amongst the counterparties.

Credit risk arising from investment in mutual funds, derivative financial instruments and other balances with banks is limited and there is no collateral held against these because the counterparties are banks and recognised financial institutions with high credit ratings assigned by the international credit rating agencies.

(G) Liquidity risk management

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value.

The Company has an established liquidity risk management framework for managing its short term, medium term and long term funding and liquidity management requirements. The Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. The Company manages the liquidity risk by maintaining adequate funds in Cash and Cash Equivalents and has adequate credit facilities agreed with banks to ensure that there is sufficient cash to meet all its normal operating commitments in a timely and cost-effective manner.

(i) Liquidity risk tables

The following tables detail the Company's remaining contractual maturity for its non-derivative and derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company will be liable to pay.

The tables include both interest and principal cash flows. To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period.

(₹ in crores)

(H) Fair value measurements

This note provides information about how the Company determines fair values of various financial assets and financial liabilities.

(i) Fair value of the Company's financial assets and financial liabilities that are measured at fair value on a recurring basis

Some of the Company's financial assets and financial liabilities are measured at fair value at the end of each reporting period.

The following table gives information about how the fair values of these financial assets and financial liabilities are determined (in particular, the valuation technique(s) and inputs used).

Financial Assets / Financial Liabilities	Fair value		Fair value hierarchy	Valuation technique(s) and key input(s)
	As at 31 st March 2023	As at 31 st March 2022		
1 Investment in Mutual Fund, Preference Shares, Debentures and Bonds	Various funds - aggregate fair value of ₹ 488.44 crores	Various funds - aggregate fair value of ₹ 214.59 crores	Level 1	Quoted bid prices in active market
2 Derivative assets and liabilities towards foreign currency forward contracts, Alternate Investment Funds	Assets - ₹ NIL Liabilities - ₹ 0.60 crores Investment funds - aggregate fair value of ₹ 21.05 crores	Assets - ₹ 0.44 crores Liabilities - ₹ 0.60 crores Investment funds - aggregate fair value of ₹ 11.64 crores	Level 2	Mark to market values acquired from banks / financial institution, with whom the Company has contracts.

(ii) Financial instruments measured at amortised cost

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

57 Approval of financial statement

The financial statements are approved for issue by the Audit Committee and by the Board of Directors at their respective meetings held on 8th May 2023.

FOR AND ON BEHALF OF THE BOARD OF DIRECTORS

BHARAT PURI
Managing Director
DIN:02173566

M B PAREKH
Executive Chairman
DIN:00180955

MANISHA SHETTY
Company Secretary

SANDEEP BATRA
Director Finance & Chief Financial Officer
DIN:00871843

Place: Mumbai
Date : 8th May 2023

In compliance with Regulation 34(3) and Schedule V of the Securities and Exchange Board of India (SEBI) (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") the Company submits the following report:

1. Company's Philosophy on Code of Governance

The Company is committed to complying with the best practices in Corporate Governance and aspires to reach higher standards while emphasising on the principles of integrity, transparency, customer orientation thereby creating a sustainable culture and long term value for all its stakeholders.

The Company has complied in all material respects with applicable mandatory requirements of the Listing Regulations.

2. Board Procedures

The Board / Statutory Committee meetings are pre-scheduled and a tentative annual calendar of the Board and Statutory Committee meetings is circulated to the Directors well in advance to facilitate them to plan their schedule and to ensure meaningful participation in the meetings. However, in case of a special and urgent business need, the Board's approval is taken by passing resolutions by circulation, as permitted by law, which are noted in the subsequent Board Meeting.

3. Board of Directors

During the financial year 2022-23, five Board Meetings were held on 18th May, 2022, 10th August, 2022, 9th November, 2022, 24th November, 2022# and 24th January, 2023.

The Directors of the Company, in their fiduciary position, are empowered to oversee the management functions with a view to ensure its effectiveness and enhancement of shareholder's value. The Board also reviews and approves management's strategic plan & business objectives and monitors the Company's strategic direction.

The composition of the Board is in conformity with Regulation 17 of the Listing Regulations as well as the Companies Act, 2013 (the Act) read with the Rules issued thereunder. The Independent Directors constitute more than 50% of the Board's strength. The details of composition of the Board, category, attendance of Directors at the Board Meetings and previous Annual General Meeting (53rd AGM), number of other Directorships and Committee positions as on 31st March, 2023 are given below:

Independent Directors' Meeting

In accordance with the provisions of Schedule IV (Code for Independent Directors) of the Act and Regulation 25(3) of Listing Regulations, meeting of the Independent Directors of the Company was held on 26th November, 2022.

Declarations

The Company has received declarations from the Independent Directors that they meet the criteria of independence laid down under the Act and the Listing Regulations. The Board of Directors, based on the declaration(s) received from the Independent Directors, have verified the veracity of such disclosures and confirm that the Independent Directors fulfill the conditions of independence specified in the Listing Regulations and the Act and are independent of the management of the Company. The Company has issued formal appointment letters to all the Independent Directors in accordance with the Act read with the Rules issued thereunder. The draft of the letter of appointment/ re-appointment, containing the terms and conditions, issued to the Independent Directors, is posted on the Company's website. Based on intimations/disclosures received from the Directors periodically, the Directors of the Company hold positions of memberships/Chairmanships of the committees, which are not more than the prescribed limits.

4. Audit Committee

The composition of the Audit Committee, its powers and terms of reference are in alignment with provisions of Section 177 of the Act read with the Rules issued thereunder and Regulation 18 read with Part C of Schedule II of the Listing Regulations. The members of the Audit Committee are financially literate and have experience in financial management. All the recommendations made by the Audit Committee during the year under review were accepted by the Board.

During the financial year 2022-23, four meetings of the Audit Committee were held on 17th May, 2022, 9th August, 2022, 8th November, 2022 and 23rd January, 2023 (in respect of all the aforesaid meetings certain business items were transacted and then meeting were adjourned to the next consecutive day for discussion on financial results and other related matters).

Details of composition of the Audit Committee and attendance of the members at the meetings are given below:

Sr. No.	Name	Designation	Category	No. of Meetings attended
1	Shri B S Mehta	Chairman	NED (I)	4
2	Shri M B Parekh	Member	ED (P)	4
3	Shri Uday Khanna	Member	NED (I)	4
4	Shri Sanjeev Aga	Member	NED (I)	4

Shri Bharat Puri, Managing Director is a permanent invitee, ex-officio.

The Company Secretary is the Secretary of the Audit Committee. The Chief Financial Officer, Vice President – Domestic Accounts, Chief - Internal Audit, Statutory Auditors and Internal Auditors are invited to attend the meetings. The Cost Auditor is invited as and when required. The remuneration of Chief Internal Auditor is reviewed by the management.

The Chairman of the Audit Committee was present at the 53rd Annual General Meeting held on 10th August, 2022.

5. Nomination and Remuneration Committee (NRC)

NRC also functions as Compensation Committee as per the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021.

The terms of reference of NRC consists of making recommendation to the Board for all remuneration payable to Directors and Senior Management and making policy relating thereto, review of performance-based remuneration with reference to corporate goals and objectives, frame policy and review the process of succession planning at key levels in the Company and other related matters.

During the financial year 2022-23, four meetings of the NRC were held on 18th May, 2022, 9th November, 2022, 24th November, 2022 and 24th January, 2023.

Details of composition of the NRC and attendance of the members at the meetings are given below:

Sr. No.	Name	Designation	Category	No. of meetings attended
1	Shri B S Mehta	Chairman	NED (I)	3
2	Shri N K Parekh	Member	NED (P)	4
3	Shri Sanjeev Aga	Member	NED (I)	4
4	Shri Vinod Dasari	Member	NED (I)	3
5	Shri Rajeev Vasudeva	Member	NED (I)	4

Shri Rahul Kumar Sinha, Chief Human Resource Officer, acts as the Secretary of the NRC.

The Committee's constitution and terms of reference are in compliance with the provisions of Section 178 of the Act, Regulation 19 read with Part D (A) of Schedule II of Listing Regulations and the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021, as amended from time to time.

The Committee has formulated Remuneration Policy for Directors, Key Managerial Personnel and Senior Management Personnel and is available on the Company's website viz. <https://pidilite.com/investors/corporate-governance/>. The Remuneration Policy is directed towards time commitment and responsibilities of the Directors and senior management, desirability of performance-based remuneration and salaries paid by comparable companies. The structure of remuneration payable to the Managing Director and Deputy Managing Director involves a fair balance of fixed pay and variable component which is linked to achievement of business goals.

The criteria for performance evaluation of Directors, Board etc. cover the areas relevant to the functioning of Directors like teamwork, integrity, knowledge, competency, participation, conduct and effectiveness. The Board evaluation for financial year 2022-23 was completed and summary of findings and recommendations were discussed by the Directors.

Appointment of Shri Sandeep Batra as a Director and as a Whole-Time Director designated as "Executive-Director-Finance" of the Company.	40,02,79,124	92.24	3,36,55,511	7.76	0	0	Approved by requisite majority
Appointment of Shri Joseph Varghese as a Director and also as a Whole Time Director designated as "Director-Operations" of the Company.	40,02,73,985	92.24	3,36,60,652	7.76	0	0	Approved by requisite majority

The Company successfully completed the process of obtaining approval of its shareholders for ordinary resolutions on the items detailed above, vide postal ballot on 27th December, 2022.

Shri M.M Sheth of M.M Sheth & Co., Company Secretaries was appointed as the scrutinizer for carrying out the postal ballot process in a fair and transparent manner.

Special resolution for re-appointment of Shri Piyush Pandey as an Independent Director for second consecutive term of 5 years is proposed to be conducted through postal ballot.

Procedure for Postal Ballot:

In compliance with Regulation 44 of the Listing Regulations, Sections 108, 110 and other applicable provisions of the Act read with the Rules issued thereunder and the General Circulars issued in this regard by the Ministry of Corporate Affairs ("MCA"), the Company provides electronic voting facility to all its members.

The Company generally engages the services of National Securities Depository Limited ("NSDL") for the purpose of providing electronic voting facility to all its members. The Postal Ballot Notice are sent to the members in electronic form at their email addresses registered with the depositories/TSR Consultants Private Limited, Company's Registrar and Share Transfer Agent. The Company also publishes notice in the newspapers declaring the details of completion of dispatch, e-voting details and other requirements in terms of the Act read with the Rules issued thereunder and the Secretarial Standards issued by the Institute of Company Secretaries of India. Voting rights are reckoned on the paid-up value of shares of the Company registered in the names of the shareholders as on the cut-off date.

The scrutinizer submits his report to the Chairman or any other person authorized by the Chairman, after the completion of scrutiny. The results of the postal ballot are announced by the Chairman or any other person authorized by the Chairman.

The results are also displayed at the registered office and corporate office of the Company, intimated to NSDL and the Stock Exchanges where the Company's shares are listed and also displayed along with the Scrutinizer's report on the Company's website viz. <https://pidilite.com/investors/listing-information/>

**PRACTISING COMPANY SECRETARIES'
CERTIFICATE ON CORPORATE GOVERNANCE**

To
The Members of
M/s. Pidilite Industries Limited

We have examined the compliance of the conditions of Corporate Governance by Pidilite Industries Limited ('the Company') for the year ended on March 31, 2023, as stipulated under Regulations 17 to 27, clauses (b) to (i) and (t) of sub-regulation (2) of Regulation 46 and para C, D & E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, the representations made by the Directors and the management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India warranted due to the spread of the COVID-19 pandemic, we certify that the Company has generally complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2023.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Dematerialisation of shares and liquidity

As on 31st March, 2023, 99.81% of total equity shares of the Company were held in dematerialised form with National Securities Depository Limited and Central Depository Services (India) Limited. The Company's equity shares are required to be compulsorily traded in the dematerialised form. The shares are available for dematerialisation under ISIN - INE318A01026.

Requests for dematerialisation of shares are processed and generally confirmed within 15 days of receipt, subject to the documents being valid and complete in all respects.

The shares of the Company were not suspended from trading during the year under review.

Transfer of unclaimed dividend & shares to the Investor Education and Protection Fund

Pursuant to applicable provisions of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (Rules), all unpaid or unclaimed dividends and shares in respect of which dividend has not been paid or claimed by the shareholders for seven consecutive years or more have been transferred by the Company to the Investor Education and Protection Fund (IEPF) Authority. The said requirement does not apply to shares in respect of which there is a specific Order of Court, Tribunal or Statutory Authority, restraining transfer of the shares.

During the year under review, the Company had sent individual notices through Ordinary Post and Air mail and also advertised in the newspapers seeking action from the shareholders who have not claimed their dividends for seven consecutive years or more. Accordingly, the Company has transferred to IEPF following unpaid or unclaimed dividends and corresponding shares as under:

Particulars	Amount of dividend (₹)	No. of shares
Final Dividend for the Financial Year 2014-15	17,57,160	17,191
Interim Dividend for the Financial Year 2015-16	24,33,017	11,813

The Company has uploaded the above mentioned details on its website: <https://pidilite.com/investors/corporate-governance/> and also on the website of the IEPF Authority (www.iepf.gov.in).

The voting rights on the shares transferred to IEPF Authority shall remain frozen till the rightful owner claims the shares from the IEPF Authority.

Shareholders/claimants whose shares, unclaimed dividend, have been transferred to the IEPF Demat Account or the Fund, as the case may be, need to apply to the IEPF Authority by making an application in Form IEPF-5 available on <http://www.iepf.gov.in>.

Nodal and Deputy Nodal Officer

In accordance with the IEPF Rules, the Board of Directors have appointed Smt. Manisha Shetty as Nodal Officer of the Company and Smt. Poornima Narayanan as Deputy Nodal Officer of the Company for the purposes of verification of claims of shareholders pertaining to shares transferred to IEPF and / or refund of dividend from IEPF Authority and for coordination with IEPF Authority. The details of the Nodal Officer and Deputy Nodal Officer are available on the website of the Company.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF PIDILITE INDUSTRIES LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Pidilite Industries Limited** ("the Parent") and its subsidiaries, (the Parent and its subsidiaries together referred to as "the Group") which includes the Group's share of profit in its associates and share of loss in its joint venture, which comprise the Consolidated Balance Sheet as at 31st March, 2023, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditors on separate financial statements / financial information of the subsidiaries, associates and joint venture referred to in the Other Matters section below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS') and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2023, and their consolidated profit, their consolidated total comprehensive income, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, its associates and joint venture in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the sub-paragraph (a) of the Other Matters section below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon ("Other Information")

- The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report, Business Responsibility and Sustainability Report, Corporate Governance and Information for Shareholder, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.
- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the subsidiaries, associates and joint venture audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries, associates and joint venture, is traced from their financial statements audited by the other auditors.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Parent's Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group including its Associates and joint venture in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its associates and joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates and its joint venture and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Management of the companies included in the Group and of its associates and joint venture are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and joint venture are also responsible for overseeing the financial reporting process of the Group and of its associates and joint venture.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and joint venture to continue

as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and joint venture to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and joint venture to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Parent and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated

in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the financial statements / financial information of 31 subsidiaries, whose financial statements / financial information reflect total assets of ₹ 1,843.78 crores as at 31st March, 2023, total revenues of ₹ 1,255.67 crores and net cash outflows amounting to ₹ 42.08 crores for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit of ₹ 6.98 crores for the year ended 31st March, 2023, as considered in the consolidated financial statements, in respect of five associates and one joint venture, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, associates and joint venture, and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, associates and joint venture is based solely on the reports of the other auditors.
- (b) The consolidated financial statements also include the Group's share of loss of ₹ 0.34 crores for the year ended 31st March, 2023, as considered in the consolidated financial statements, in respect of one associate, whose financial statements have not been audited by us. These financial information are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these associate, is based solely on such unaudited financial information. In our opinion and according to the information and explanations given to us by the Management, these financial information are not material to the Group.

Our opinion on the consolidated financial statements above and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the separate financial statements / financial information of the subsidiaries and associates referred to in the Other Matters section above we report, to the extent applicable that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Parent as on 31st March, 2023 taken on record by the Board of Directors of the Company and the reports of the statutory auditors of its subsidiary companies and associate companies incorporated in India, none of the directors of the Group companies and its associate companies incorporated in India is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors' reports of the Parent, subsidiary companies and associate companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls with reference to consolidated financial statements of those companies.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the auditor's reports of subsidiary companies, associate companies and joint venture company incorporated in India, the remuneration paid by the Parent and such subsidiary companies, associate companies and joint venture company to their respective directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and its associates.

- ii) The Group and its associates did not have any material foreseeable losses on long-term contracts including derivative contracts.
- iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Parent, its subsidiary companies and associate companies incorporated in India.
- iv) (a) The respective Managements of the Parent and its subsidiaries, associates and joint venture which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us and to the other auditors of such subsidiaries, associates and joint venture respectively that, to the best of their knowledge and belief, other than as disclosed in the Note 56(a) to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Parent or any of such subsidiaries, associates and joint venture to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Parent or any of such subsidiaries, associates and joint venture ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The respective Managements of the Parent and its subsidiaries, associates and joint venture which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us and to the other auditors of such subsidiaries, associates and joint venture respectively that, to the best of their knowledge and belief, as disclosed in the Note 57(h) to the consolidated financial statements, no funds have been received by the Parent or any of such subsidiaries, from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Parent or any of such subsidiaries, associates and joint venture shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances performed by us and that those performed by the auditors of the subsidiaries, associates and

joint venture which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v) (a) The final dividend proposed in the previous year, declared and paid by the Parent and its subsidiaries, associates and joint venture which are companies incorporated in India, whose financial statements have been audited under the Act, where applicable, during the year is in accordance with section 123 of the Act, as applicable.
- (b) The Parent did not declare any interim dividend in the current year.
- (c) As stated in note 22 (b) to the consolidated financial statements, the Board of Directors of the Parent, whose financial statements have been audited under the Act, have proposed final dividend for the year which is subject to the approval of the members of the Parent at the ensuing respective Annual General Meeting. Such dividend proposed is in accordance with section 123 of the Act, as applicable.
- vi) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable w.e.f. 1st April, 2023 to the Parent and its subsidiaries, associates and joint ventures which are companies incorporated in India, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended 31st March, 2023.
2. With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020 ("CARO"/ "the Order") issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the CARO reports issued by us and the auditors of respective companies included in the consolidated financial statements to which reporting under CARO is applicable, as provided to us by the Management of the Parent, we report that there are no qualifications or adverse remarks by the respective auditors in the CARO reports of the said companies included in the consolidated financial statements.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF PIDILITE INDUSTRIES LIMITED FOR THE YEAR ENDED 31ST MARCH 2023

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31st March, 2023, we have audited the internal financial controls with reference to consolidated financial statements of Pidilite Industries Limited (hereinafter referred to as "Parent") and its subsidiary companies, and its associate company, which are companies incorporated in India wherever applicable, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent, its subsidiary companies and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the internal control with reference to consolidated financial statements criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Parent, its subsidiary companies and its associate company which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply

with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies and associate company, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements of the Parent, its subsidiary companies and its associate company, which are companies incorporated in India where such reporting under section 143(3) of the Companies Act, 2013 is applicable.

Meaning of Internal Financial Controls with reference to consolidated financial statements

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Parent, its subsidiary companies and its associate company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at 31st March, 2023, based on the criteria for internal financial control with reference to consolidated financial statements established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to 10 subsidiary companies and 1 associate company, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matters.

1 Corporate information

Pidilite Industries Limited (the Company / Parent) CIN : L24100MH1969PLC014336, together with its subsidiaries are pioneers in consumer and industrial speciality chemicals in India. The equity shares of the Company are listed on BSE Ltd (BSE) and National Stock Exchange of India Ltd (NSE).

The address of its registered office is Regent Chambers, 7th Floor, Jamnalal Bajaj Marg, 208, Nariman Point, Mumbai 400 021. The address of principal place of business is Ramkrishna Mandir Road, Off Mathuradas VasANJI Road, Andheri (E), Mumbai 400 059.

2 Significant Accounting Policies**2.1 Basis of accounting and preparation of financial statements**

The consolidated financial statements of the Group have been prepared in accordance with the Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013('Act') read with Companies (Indian Accounting Standards) Rules, 2015 as amended.

The financial statements have been prepared under the historical cost convention except for the following items –

- a. Certain Financial Assets / Liabilities (including derivative instruments) – at Fair value
- b. Employee Stock Options - at Fair value

The financial statements are presented in Indian Rupees (₹) and all values are rounded to the nearest crores, except otherwise indicated.

2.2 Basis of consolidation

The consolidated financial statements comprise the financial statements of Pidilite Industries Limited and its subsidiaries (together referred to as "Group") and Group's share of profit / loss in its Associates and Joint Venture as at 31st March 2023. Control exists when the Group has:

- power over the investee;
- exposure or rights, to variable returns from its involvement with the investee; and
- ability to use its power over the investee to affect its returns.

The Group reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

Generally, there is a presumption that a majority of voting rights result in control. When the Group has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Group considers all relevant facts and circumstances in assessing whether or not the Group's voting rights in an investee are sufficient to give it power, including:

- the size of the Group's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- potential voting rights held by the Group, other vote holders or other parties;
- rights arising from other contractual arrangements; and
- any additional facts and circumstances that indicate that the Group has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders meetings.

Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the Consolidated Statement of Profit and Loss from the date the Group gains control until the date when the Group ceases to control the subsidiary.

If the Group loses control over a subsidiary, it derecognises the related assets (including goodwill), liabilities, non-controlling interest and other components of equity. Any investment retained is measured at fair value. Any resultant gain or loss is recognised in the Consolidated Statement of Profit and Loss.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction.

The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies in line with the Group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Parent, i.e., year ended on 31st March 2023.

The consolidated financial statements have been prepared on the following basis:

- a) The financial statements of the Parent and its subsidiaries have been consolidated on a line-by-line basis by adding together like items of assets, liabilities, income and expenses after eliminating intra-group balances, intra-group transactions and resulting unrealised profits or losses in accordance with Ind AS 110 "Consolidated Financial Statements". Further, the carrying amount of the Parent's investments in each subsidiary and the Parent's portion of equity of each subsidiary are eliminated on consolidation.
- b) The consolidated financial statements include the share of profit / loss of an Associate Companies and Joint Venture which have been accounted for using equity method as per Ind AS 28 "Investment in Associates and Joint Ventures". The investment is initially recognised at cost, and the carrying amount is increased or decreased to recognise the investor's share of the profit or loss (the loss being restricted to the cost of investment) of the investee after the acquisition date.
- c) Profit or loss and each component of Other Comprehensive Income (the 'OCI') are attributed to the equity holders of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance.
- d) The excess of cost to the Group of its investments in the subsidiary companies over its share of equity of the subsidiary companies, at the dates on which the investments in the subsidiary companies were made, is recognised as 'Goodwill' being an asset in the consolidated financial statements and is tested for impairment on annual basis. On the other hand, where the share of equity in the subsidiaries as on the date of investment is in excess of cost of investments of the Group, it is recognised as 'Capital Reserve' and shown under the head 'Reserves & Surplus', in the consolidated financial statements.
- e) Minority Interest in the net assets of the consolidated subsidiaries consist of the amount of equity attributable to the minority shareholders at the date on which investments in the subsidiary companies were made and further movements in their share in the equity, subsequent to the dates of investments. Net profit / loss for the year and each component of Other Comprehensive Income of the subsidiaries attributable to minority interest is identified and adjusted against the profit after tax of the Group in order to arrive at the income attributable to shareholders of the Company.
- f) The difference between the cost of investments in the associate and the share of net assets at the time of acquisition of shares in the associate is identified in the consolidated financial statements as Goodwill or Capital Reserve as the case may be.
- g) Goodwill arising on consolidation is not amortised but tested for impairment.

2.3 Business Combination

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred by the Group, liabilities incurred by the Group to the former owners of the acquiree and the equity interest issued by the Group in exchange of control of acquiree. Acquisition-related costs are recognised in Consolidated Statement of Profit and Loss as incurred.

Where the consideration transferred by the Group in a business combination includes assets or liabilities resulting from a contingent consideration arrangement, the contingent consideration is measured at its acquisition-date fair value and included as a part of the consideration transferred in a business combination. Changes in the fair value of the contingent consideration that qualify as measurement period adjustments are adjusted retrospectively, with corresponding changes against goodwill or capital reserve, as the case maybe. Measurement period adjustments are adjustments that arise from additional information obtained during the 'measurement period' (which cannot exceed one year from the acquisition date) about facts and circumstances that existed at the acquisition date. Contingent consideration that is classified as an asset or a liability is subsequently (after the measurement period) remeasured at subsequent reporting dates with the corresponding gain or loss being recognized in Consolidated Statement of Profit and Loss.

In case of business combinations involving entities under common control, the above policy does not apply. Business combinations involving entities under common control are accounted for using the pooling of interests method. The net assets of the transferor entity or business are accounted at their carrying amounts on the date of the acquisition subject to necessary adjustments required to harmonise accounting policies. Retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee. Identity of the reserves appearing in the financial statements of the transferor is preserved and appears in the financial statements of the transferee in the same form. Any excess or shortfall of the consideration paid over the share capital of transferor entity or business is recognised as capital reserve under equity.

2.4 Goodwill

Goodwill is measured as the excess of the consideration transferred over the net of acquisition-date amounts of the identifiable assets acquired and the liabilities assumed.

Goodwill arising on an acquisition of a business is carried at cost as established at the date of acquisition of the business less accumulated impairment losses, if any.

For the purposes of impairment testing, goodwill is allocated to each of the Group's cash-generating units (or groups of cash-generating units) that is expected to benefit from the synergies of the combination.

A cash-generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised directly in Consolidated Statement of Profit and Loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

The Group's policy for goodwill arising on business combination or acquisition of an associate and a Joint Venture is described at Note 2.5.

2.5 Investments in Associates and Joint Ventures

An Associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

A Joint Venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

An investment in an Associate or a Joint Venture is accounted for using the equity method from the date on which the investee becomes an Associate or a Joint Venture.

Under the equity method, an investment in an Associate or a Joint Venture is initially recognised in the Consolidated Balance Sheet at cost and adjusted thereafter to recognise the Group's share of the profit or loss and Other Comprehensive Income of the associate or Joint Venture. Distributions received from an associate or a Joint Venture reduce the carrying amount of the investment. When the Group's share of losses of an associate or a Joint Venture exceeds the Group's interest in that associate or Joint Venture (which includes any long-term interests that, in substance, form part of the Group's net investment in the associate or Joint Venture); the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate or Joint Venture.

On acquisition of the investment in an Associate or a Joint Venture, any excess of the cost of the investment over the Group's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included within the carrying amount of the investment. Any excess of the Group's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised directly in equity as capital reserve.

After application of the equity method of accounting, the Group determines whether there is any objective evidence of the impairment as a result of one or more events that occurred after the initial recognition of the net investment in an associate or Joint Venture and that event (or events) has an impact on the estimated future cash flows from the net investment that can be reliably estimated. If there exists such an objective evidence of impairment, then it is necessary to recognise impairment loss with respect to the Group's investment in an Associate or Joint Venture.

When necessary, the entire carrying amount of the investment (including goodwill) is tested for impairment in accordance with Ind AS 36 "Impairment of Assets" as a single asset by comparing its recoverable amount (higher of value in use and fair value less costs of disposal) with its carrying amount. Any impairment loss recognised forms part of the carrying amount of the investment. Any reversal of that impairment loss is recognised in accordance with Ind AS 36 to the extent that the recoverable amount of the investment subsequently increases.

When a group entity transacts with an associate or a Joint Venture of the Group, profits and losses resulting from the transactions with the associate or Joint Venture are recognised in the Group's consolidated financial statements only to the extent of interests in the associate or Joint Venture that are not related to the Group.

2.6 Revenue Recognition

The Group recognises revenue from sale of goods and services, based on the terms of contract and as per the business practice; the Group determines transaction price considering the amount it expects to be entitled in exchange of transferring promised goods or services to the customer. Revenue is recognised when it is realized or is realizable and has been earned after the deduction of variable components such as discounts, rebates, incentives, promotional couponing and schemes. The Group estimates the amount of variable components based on historical, current and forecast information available and either expected value method or most likely method, as appropriate and records a corresponding liability in other payables; the actual amounts may be different from such estimates. These differences, which have historically not been significant, are recognized as a change in management estimate in a subsequent period.

2.6.1.a Sale of goods

Revenue is recognised when control of the products being sold has been transferred to a customer and when there are no longer any unfulfilled obligations to the customer. This is generally on delivery to the customer but depending on individual customer terms, this can be at the time of dispatch, delivery or upon formal customer acceptance. This is considered the appropriate point where the performance obligations in our contracts are satisfied and the Group no longer has control over the inventory.

Advance received from customer before transfer of control of goods to the customer is recognised as contract liability.

2.6.1.b Sale of Services

Revenue from sale of services includes fixed price contracts and time and material contracts and is recognized as sale, as and when the related services are performed and certified by the client. Services performed and not certified by the client, are recognized as sales and are recorded as uncertified revenue and unbilled revenue. Incomplete services are recorded at cost as work-in-progress.

The Group accounts for provision of warranty in accordance with Ind AS 37 "Provisions, Contingent Liabilities and Contingent Assets".

2.6.2 Dividend, Interest income and Royalty

Dividend income from investments is recognised when the Group's right to receive dividend is established.

Interest income from a financial asset is recognised on a time basis, by reference to the principal outstanding using the effective interest method provided it is probable that the economic benefits associated with the interest will flow to the Group and the amount of interest can be measured reliably. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of that financial asset.

Royalty income is recognised on an accrual basis in accordance with the substance of the relevant agreement or underlying arrangement in case of sales provided that it is probable that the economic benefits associated with the royalty shall flow to the Group and the amount of royalty can be measured reliably.

Claims / Insurance Claim etc. are accounted for when no significant uncertainties are attached to their eventual receipt.

The Group's policy for recognition of revenue (rental income) from leases is described in Note 2.7.1.

2.7 Leasing

The Group, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration.

2.7.1 Group as Lessor

Rental income from leases is recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Group's expected inflationary cost increase, such increases are recognised in the year in which such benefits accrue.

Amounts due under finance leases are recognised as receivables at the amount of the Group's net investment in the leases.

Finance lease income is allocated over accounting periods so as to reflect constant periodic rate of return of the Group's net investment outstanding in respect of the leases.

2.7.2 Group as Lessee

The Group's lease asset classes primarily consist of leases for land and buildings. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset, (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cashflows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing activity in the Consolidated Statement of Cash Flows.

2.8 Foreign Currencies

The functional currency of the Parent and its Indian Subsidiaries is the Indian Rupee, whereas the functional currency of Foreign Subsidiaries is the currency of their countries of domicile. In preparing the financial statements of each individual Group entity, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items (including financial assets and liabilities) denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Gains or losses arising from these translations are recognised in the Consolidated Statement of Profit and Loss. For the purposes of presenting these consolidated financial statements, the assets and liabilities of the Group's foreign operations are translated into Indian Rupees using exchange rates prevailing at the end of each reporting period. Income and expense items are translated at the average exchange rates for the period.

2.9 Share-based payment transactions of the Group

Equity-settled share-based payments to employees providing similar services are measured at the fair value of the equity instruments at the grant date.

The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Group's estimate of equity instruments that will eventually vest, with a corresponding increase in equity.

2.10 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

2.10.1 Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Consolidated Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group's current tax is calculated using applicable tax rates that have been enacted or substantively enacted by the end of the reporting period and the provisions of the Income Tax Act, 1961 and other tax laws, as applicable.

2.10.2 Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

2.10.3 Current and Deferred Tax for the year

Current and deferred tax are recognised in the Consolidated Statement of Profit and Loss, except when they relate to items that are recognised in Other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognised in Other Comprehensive Income or directly in equity respectively.

2.11 Property, Plant and Equipment

2.11.1 Property, Plant and Equipment acquired separately

Freehold Land is stated at cost and not depreciated.

Buildings, plant and machinery, vehicles, furniture & fixtures and office equipments are stated at cost less accumulated depreciation and accumulated impairment losses.

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in Consolidated Statement of Profit and Loss.

2.11.2 Capital Work-In-Progress

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Group's accounting policy. Such properties are classified and capitalised to the appropriate categories of Property, Plant and Equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

2.11.3 Depreciation

Depreciation is recognised so as to write off the cost of assets (other than Freehold Land and Capital Work-In-Progress) less their residual values over their useful lives, using the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

For certain items of Property, Plant and Equipment, the Group depreciates over estimated useful life which are different from the useful lives prescribed under Schedule II to the Companies Act, 2013 which is based upon technical assessment made by technical expert and management estimate. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Estimated useful lives of the assets are as follows:

Type of Asset	Useful Life
Buildings	20-60 years
Leasehold Improvements	Over the life of lease contract
Plant and Machinery	1-30 years
Vehicles	1-10 years
Furniture and Fixtures	3-15 years
Office Equipment	1-20 years

2.12 Intangible Assets

2.12.1 Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives are carried at cost less accumulated impairment losses.

2.12.2 Intangible assets acquired in a business combination

Intangible assets other than goodwill acquired in a business combination are initially recognised at their fair value at the acquisition date (which is regarded as their cost).

Subsequent to initial recognition, such intangible assets acquired in a business combination are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets that are acquired separately.

2.12.3 Internally generated Intangible Assets – Research and Development Expenditure

Expenditure on research activities is recognised in Consolidated Statement of Profit and Loss in the period in which it is incurred.

An internally generated intangible asset arising from development is recognised if and only if it meets the recognition criteria of intangible assets. The amount initially recognised is the sum total of expenditure incurred from the date when the intangible asset first meets the recognition criteria. Where no intangible asset can be recognised, development expenditure is recognised in Consolidated Statement of Profit and Loss in the period in which it is incurred.

Subsequent to initial recognition, internally generated intangible assets are reported at cost less accumulated amortization and accumulated impairment losses, on the same basis as intangible assets acquired separately.

2.12.4 Useful lives of Intangible Assets

Estimated useful lives of the Intangible Assets are as follows:

Type of Asset	Useful Life
Computer Software	3-10 years
Technical Knowhow	10-15 years
Non-Compete Fees	7-15 years
Distribution Network	15 years
Copyrights	Indefinite Life
Trademark	Indefinite Life

2.13 Impairment of Tangible and Intangible Assets other than Goodwill

At the end of each reporting period, the Group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired. Intangible assets with indefinite useful lives are tested for impairment annually at the cash-generating unit level. The assessment of indefinite useful life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Recoverable amount is the higher of fair value less costs of disposal and value in use.

If the recoverable amount of the asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised in Consolidated Statement of Profit and Loss.

2.14 Inventories

Inventories are valued at lower of cost and net realisable value.

Cost of inventories is determined on weighted average. Cost for this purpose includes cost of direct materials, direct labour and appropriate share of overheads. Net realisable value represents the estimated selling price in the ordinary course of business less all estimated costs of completion and estimated costs necessary to make the sale.

Obsolete, defective, unserviceable and slow / non-moving stocks are duly provided for and valued at net realisable value.

2.15 Provisions (other than Employee Benefits)

A provision is recognised when as a result of past event, the Group has a present legal or constructive obligation that can be reliably estimated, and, it is probable that an outflow of economic benefit will be required to settle the obligation.

Provisions (excluding retirement benefits) are determined based on the best estimate required to settle the obligation at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

2.16 Financial Instruments**2.16.1 Initial Recognition and Measurement**

Financial assets and financial liabilities are recognised when a Group entity becomes a party to the contractual provisions of the instruments.

All financial assets and financial liabilities are initially measured at fair value, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at Fair Value Through Profit and Loss) are added to or deducted from the value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at Fair Value Through Profit and Loss are recognised in Consolidated Statement of Profit and Loss.

2.16.2 Subsequent measurement of Financial Assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets. Debt instruments that meet conditions based on purpose of holding assets and contractual terms of instrument are subsequently measured at amortised cost using effective interest method. All other financial assets are measured at fair value. Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at Fair Value Through Profit and Loss. Interest income is recognised in Consolidated Statement of Profit and Loss and is included in the "Other income" line item.

2.16.3 Impairment of Financial Assets

The Group recognises loss allowance using expected credit loss model financial assets which are not measured at Fair Value Through Profit and Loss. Expected credit losses are weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive, discounted at original effective rate of interest.

For Trade receivables, the Group measures loss allowance at an amount equal to lifetime expected credit losses. The Group computes expected credit loss allowance based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

2.16.4 Financial Liabilities and Equity Instruments**2.16.4.1 Classification of debt or equity**

Debt or equity instruments issued by the Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of financial liability and equity instrument.

2.16.4.2 Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Group are recognised at the proceeds, net of direct issue costs.

2.16.4.3 Financial Liabilities

All financial liabilities (other than derivative financial instruments) are measured at amortised cost using effective interest method.

2.16.5 Derecognition of Financial Assets and Liabilities

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or when the Group transfers the contractual rights to receive the cash flows of the financial asset in which substantially all the risks and rewards of ownership of the financial asset are transferred, or in which the Group neither transfers nor retains substantially all the risks and rewards of ownership of the financial asset and does not retain control of the financial asset.

The Group derecognises a financial liability (or a part of financial liability) when the contractual obligation is discharged, cancelled or expires.

2.16.6 Derivative Financial Instruments

The Group holds derivative financial instruments such as foreign exchange forward contracts to hedge its exposure to foreign currency exchange rate risks.

Derivatives are initially recognised at fair value at the date the contracts are entered into. Subsequent to initial recognition, these contracts are measured at their fair value and changes are recognised in Consolidated Statement of Profit and Loss.

2.17 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / loss before tax for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments. Cash flows from operating, investing and financing activities of the Group are segregated.

Cash and Cash Equivalents for the purpose of cash flow statement comprise of cash at bank, cash in hand and short-term deposits with an original maturity of three months or less, as reduced by bank overdrafts.

2.18 Segment Reporting

The Group identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / loss amounts are evaluated regularly by the Chief Operating Decision Maker (CODM) in deciding allocation of resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Group. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

Inter-segment revenue is accounted on the basis of cost plus margins. Revenue, expenses, assets and liabilities which relate to the Group as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities respectively".

2.19 Employee Benefits

Employee benefits include Provident Fund, Superannuation Fund, Employee State Insurance Scheme, Gratuity Fund, Compensated Absences, Anniversary Awards, Premature Death Pension Scheme and Total Disability Pension Scheme.

2.19.1 Defined Contribution Plans

The Group's contribution to Provident Fund, Superannuation Fund, National Pension Scheme and Employee State Insurance Scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

2.19.2 Defined Benefit Plans

For defined benefit plans in the form of Gratuity Fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Remeasurement, comprising actuarial gains and losses and the return on plan assets (excluding net interest) is reflected in the Consolidated Balance Sheet with a charge or credit recognised in Other Comprehensive Income in the period in which they occur. Remeasurement recognised in Other Comprehensive Income is reflected in retained earnings and is not reclassified to profit or loss. Past service cost is recognised immediately for both vested and the non-vested portion. The retirement benefit obligation recognised in the Consolidated Balance Sheet represents the present value of the defined benefit obligation, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited taking into account the present value of available refunds and reductions in future contributions to the schemes.

2.19.3 Short-Term and Other Long-Term Employee Benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Group in respect of services provided by employees up to the reporting date.

2.20 Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential ordinary shares, which includes all stock options granted to employees.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

2.21 Assets held for sale

Sale of business is classified as held for sale, if their carrying amount is intended to be recovered principally through sale rather than through continuing use. The condition for classification as held for sale is met when disposal business is available for immediate sale and the same is highly probable of being completed within one year from the date of classification as held for sale.

2.22 Discontinued operations

A discontinued operation is a component of the Group's business that represents a separate line of business that has been disposed of or is held for sale, or is a subsidiary acquired exclusively with a view to resale. Classification as a discontinued operation occurs upon the earlier of disposal or when the operation meets the criteria to be classified as held for sale.

2.23 Non-current assets and disposal groups held for sale

Assets of disposal groups that is available for immediate sale and where the sale is highly probable of being completed within one year from the date of classification are considered and classified as assets held for sale. Non-current assets and disposal groups held for sale are measured at the lower of carrying amount and fair value less costs to sell.

3 Critical Accounting Judgements and key sources of Estimation Uncertainty

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies, reported amounts of assets, liabilities, income and expenses, and accompanying disclosures, and the disclosure of contingent liabilities. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

3.1 Critical Judgments**3.1.1 Classification of Plus Call Technical Services LLC as a Joint Venture**

Plus Call Technical Services LLC is a limited liability company whose legal form confers separation between the parties to the joint arrangement and the LLC itself. Furthermore, there is no contractual arrangement or any other facts and circumstances that indicate that the parties to the joint arrangement have rights to the assets and obligations for the liabilities of the joint arrangement. Accordingly, Plus Call Technical Services LLC is classified as Joint Venture of the Group.

3.1.2 Classification of entities as Subsidiaries wherein Group has ownership interest and voting rights of 50% or less

Pidilite MEA Chemicals LLC, Bamco Supply and Services Ltd, ICA Pidilite Pvt Ltd, Pidilite Grupo Puma Manufacturing Ltd are subsidiaries of the Group even though the Group has ownership interest and voting rights of 50% or less in the subsidiaries respectively. However, based on the relevant facts and circumstances, control and management of these entities lie with the Group. The Group has the power to direct the relevant activities of these entities and therefore controls these entities.

3.2 Key accounting, judgements, assumptions and estimates

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

3.2.1 Impairment of Goodwill and Other Intangible Assets

Goodwill and Other Intangible Assets (i.e. trademark and copyrights) are tested for impairment on an annual basis. Recoverable amount of cash-generating units is determined based on higher of value-in-use and fair value less cost to sell. The impairment test is performed at the level of the cash-generating unit or groups of cash-generating units which are benefitting from the synergies of the acquisition and which represents the lowest level at which the intangibles are monitored for internal management purposes.

Market related information and estimates are used to determine the recoverable amount. Key assumptions on which management has based its determination of recoverable amount include estimated long term growth rates, weighted average cost of capital and estimated operating margins. Cash flow projections take into account past experience and represent management's best estimate about future developments.

3.2.2 Business Combinations and Intangible Assets

Business combinations are accounted for using Ind AS 103, 'Business Combinations'. Ind AS 103 requires the identifiable intangible assets and contingent consideration to be fair valued in order to ascertain the net fair value of identifiable assets, liabilities and contingent liabilities of the acquiree. Significant estimates are required to be made in determining the value of contingent consideration and intangible assets. These valuations are conducted by independent valuation experts.

3.2.3 Employee related provisions

The costs of long-term and short-term employee benefits are estimated using assumptions by the management. These assumptions include rate of increase in compensation levels, discount rates, expected rate of return on assets and attrition rates (disclosed in Note 51).

3.2.4 Income taxes

Significant judgements are involved in estimating budgeted profits for the calculation of advance tax and deferred tax, and determining provision for income taxes and uncertain tax positions (disclosed in Note 53).

3.2.5 Property, Plant and Equipment and Other Intangible Assets

The useful lives and residual values of Group's assets are determined by the management at the time the asset is acquired. These estimates are reviewed annually by the management. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

3.2.6 Leases

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116 'Leases'. Identification of a lease requires significant judgment. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Group makes an assessment on the expected lease term on a lease-by-lease basis and there by assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Group considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

3.2.7 Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 31st March 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, the effective date for adoption of below amendment is for annual periods beginning on or after 1st April 2023.

Ind AS 1 - Presentation of Financial Statements - This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The Group is evaluating the amendment and its impact on financial statements.

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors - This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The Group is evaluating the amendment and its impact on financial statements.

Ind AS 12 - Income Taxes - This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The Group is evaluating the amendment and its impact on financial statements.

• Business to Business	63.30	63.30
TOTAL	1,289.76	1,286.83

Goodwill, Copyrights and Trademark

Goodwill, copyrights and trademark in the books of the Group pertains mainly to Consumer and Bazaar business (majorly consists of Parent) & Business to Business. At the end of each reporting period, the Group reviews carrying amount of goodwill, copyrights and trademark to determine whether there is any indication that goodwill, copyrights and trademark has suffered any impairment loss. Accordingly, recoverable amount of goodwill, copyrights and trademark is arrived basis projected cashflows from Consumer and Bazaar business & Business to Business.

Recoverable amount of goodwill, copyrights and trademark exceeds the carrying amount of goodwill, copyrights and trademark in the books as on 31st March 2023. Further there are no external indications of impairment of goodwill, copyrights and trademark. As a result, no impairment loss on goodwill, copyrights and trademark is required to be recognised.

Projected cashflows from Consumer and Bazaar business and Business to Business

The recoverable amount of this cash-generating unit is determined based on a value in use calculation which uses cash flow projections based on financial budgets approved by the management for next year, estimates prepared for the next 4 years thereafter and a discount rate of 12.7% per annum (12.0% per annum as at 31st March 2022).

Cash flow projections during the budget period are based on the same expected gross margins and raw materials price inflation throughout the budget period. The cash flows beyond that five-year period have been extrapolated using a steady 7% per annum (7% per annum as at 31st March 2022) growth rate. The management believes that any reasonably possible change in the key assumptions on which recoverable amount is based would not cause the aggregate carrying amount to exceed the aggregate recoverable amount of the cash-generating unit.

The key assumptions used in the value in use calculations for Consumer and Bazaar cash-generating unit are as follows:

Budgeted sales growth	Sales growth is assumed at 12.8% (CAGR) (12.3% as at 31 st March 2022) for Consumer and Bazaar business and at 10.9% (CAGR) for Business to Business which is in line with current year projections. The values assigned to the assumption reflect past experience and current market scenario considering COVID-19 impact and are consistent with the managements' plans for focusing operations in these markets. The management believes that the planned sales growth per year for the next five years is reasonably achievable.
Raw materials price inflation	Forecast for Material cost growth CAGR higher by 0.2% (0.2% as at 31 st March 2022) vs. sales growth, considering impact of commodity cost inflation.
Other budgeted costs	Commercial spends (schemes and A&SP) are kept consistent with sales growth. Other fixed costs are in line with the current year's growth.

Figures in brackets () represents previous year

The Group has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. The expected credit loss allowance is based on the ageing of the receivables days and the rates vary with the business of Parent and each Subsidiary.

Trade receivables includes receivables from Companies / firms where directors are directors / members / partners (refer Note 47).

Movement in expected credit loss allowance

	For the year ended 31 st March 2023	For the year ended 31 st March 2022
Balance at the beginning of the year	99.77	88.53
Movement in expected credit loss allowance on trade receivables calculated at lifetime expected credit losses	0.89	11.24
	100.66	99.77

A formal credit policy has been framed and credit facilities are given to dealers within framework of credit policy. As per credit risk management mechanism, a policy for doubtful debt has been formulated and risk exposure related to receivable are identified based on criteria mentioned in policy and provided for credit loss allowance.

b.	Terms / Rights attached to equity shares
	The Company has only one class of equity shares having a par value of ₹ 1 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividend in Indian rupees. The final dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.
	In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in the proportion of their shareholding.
	The Board of Directors at its meeting held on 8 th May 2023 declared a final dividend of ₹ 11.00 per equity share of ₹ 1 each, subject to approval of the shareholders at the ensuing Annual General Meeting.
	During the year ended 31 st March 2023, the Company has paid Final Dividend of ₹ 10.00 per equity share of ₹ 1 each for the financial year 2021-22.

Retained Earnings	5,707.92	4,928.62
TOTAL	7,161.45	6,352.88
23.1 Capital Reserve		
Capital Reserve represents excess of net assets acquired in past amalgamation. It is not available for the distribution to shareholders as dividend.		
23.2 Securities Premium		
Securities Premium is created when shares are issued at premium. The Group may issue fully paid-up bonus shares to its members out of the Securities Premium, and Group can use this reserve for buy-back of shares. This reserve is utilised in accordance with the provisions of the Companies Act, 2013.		
23.3 Capital Redemption Reserve		
The Group has recognised Capital Redemption Reserve on buy-back of equity shares from its General Reserve. The amount in Capital Redemption Reserve is equal to the nominal amount of equity shares bought back. The reserve can be utilised in accordance with the provisions of the Companies Act, 2013.		
23.4 Cash Subsidy Reserve		
Cash Subsidy Reserve represents subsidies received from state governments. It is not available for the distribution to shareholders as dividend.		
23.5 Legal Reserve		
According to Thai Civil and Commercial Code, Thai Subsidiary of a Company is required to set aside a statutory reserve an amount equal to at least five percent of its net profit each time the Company pays out a dividend, until such reserve reaches ten percent of its registered share capital. The statutory reserve cannot be used for dividend payment. At present, the statutory reserve has fully been set aside.		
23.6 State Investment Reserve		
State Investment Reserve represents subsidies received by Hybrid Coatings (a subsidiary of the Company) from state government for capital investment. It is not available for the distribution to shareholders as dividend.		
23.7 Share Options Outstanding Account		
Share Options Outstanding Account relates to share options granted by the Company to its employees under its employee share option plan. Further information about share-based payments to employees is set out in Note 49.		
23.8 Foreign Currency Translation Reserve		
Foreign Currency Translation Reserve arises as a result of translating the financial statement items from the functional currency into the Group's presentational currency i.e. Indian Rupee.		
23.9 General Reserve		
General Reserve is created by a transfer from one component of equity to another and is not an item of Other Comprehensive Income. The same can be utilised by the Company in accordance with the provisions of the Companies Act, 2013.		
23.10 Retained Earnings		
The amount that can be distributed by the Company as dividend to its equity shareholders is determined based on the separate financial statements of the Company and also considering requirements of the Companies Act, 2013.

*The Group disaggregated revenues from contracts with customers by customer type and by geography. The Group believes that this disaggregation best depicts how the nature, amount, timing and uncertainty of its revenues and cash flows are affected by industry, market and other economic factors. For geographywise and customerwise breakup of revenue, refer Note 48.

Further, the Group derives its revenue from the transfer of goods at a point in time for its major service lines. This is consistent with the revenue information that is disclosed for each reportable segment under Ind AS 108 "Operating Segment".

Reconciliation of revenue recognised with the contracted price is as follows:

	For the year ended 31 st March 2023	For the year ended 31 st March 2022
Contracted Price	13,049.20	10,799.35
Reduction towards variable consideration components*	(1,297.58)	(919.38)

TOTAL	82.32	70.54

45 During the financial year 2015-16, pursuant to a Business Transfer Agreement (BTA) entered into by the company with Nina Concrete Systems Private Limited (NCSPL), the company acquired the waterproofing Business (the "Business"), including all its assumed assets and assumed liabilities, of NCSPL, a private limited company based in India (the "Seller"), as a going concern and on a slump sale basis for a lump-sum consideration, with effect from 17th April 2015.

The terms and conditions of the BTA included a total purchase consideration of ₹ 82.02 crores, out of which ₹ 79.15 crores was settled by the Company to the Seller as of 31st March 2023. A balance amount of ₹ 2.87 crores including Holdback Amount is payable by the Company to the Seller after settlement of the unrealised Net Working Capital.

An amount of the identified Net Working Capital, i.e. Receivables, Inventories, Retention Monies receivables, etc which was not fully realised by 15th April 2020, was to be deducted by the Company from the Holdback amount and the balance was to be paid to the seller or recovered from the seller. The settlement of which was to be completed by 31st October 2020, post verification of books of account.

Due to pandemic, the verification of books by Independent Audit firm got delayed. The report is now submitted by the Independent auditors and is under discussion. The same will be finalised in the Financial Year 2023-24.

46 Earnings Per Share (EPS)

The following reflects the Profit and Share data used in the Basic and Diluted EPS computations:

	For the year ended 31 st March 2023	For the year ended 31 st March 2022
Basic:		
Profit attributable to shareholders of the Company (₹ in crores)	1,273.25	1,207.56
Weighted average number of equity shares in calculating basic EPS	50,83,00,950	50,81,64,425
Par value per share (₹)	1.00	1.00
Earning per share (Basic) (₹)	25.05	23.76
Diluted:		
Profit attributable to shareholders of the Company (₹.in crores)	1,273.25	1,207.56
Weighted average number of equity shares in calculating basic EPS	50,83,00,950	50,81,64,425
Add: Effect of Employee Stock Option Scheme / Plan	3,52,660	3,85,070
Weighted average number of equity shares in calculating diluted EPS	50,86,53,610	50,85,49,495
Par value per share (₹)	1.00	1.00
Earning per share (Diluted) (₹)	25.03	23.75

48 Segment information**Business Segment:**

The Group operates in two business segments namely Consumer & Bazaar (C&B) and Business to Business (B2B). C&B segment covers sale of products mainly to end consumers which are retail users such as carpenters, painters, plumbers, mechanics, households, students, offices, etc. Sale consists of mainly adhesives, sealants, art and craft materials and construction and paint chemicals. B2B covers sale of products to end customers which are mainly large business users. This includes Industrial Products (IP) such as adhesives, synthetic resins, organic pigments, pigment preparations, construction chemicals (projects), surfactants, etc. and caters to various industries like packaging, textiles, paints, joineries, printing inks, paper, leather, etc. Others mainly includes sale of raw materials.

Operating Segment disclosures are consistent with the information provided to and reviewed by the Managing Director (Chief Operating Decision Maker).

49 Employee Stock Option Scheme**a) Details of Employee Share Options**

In the Annual General Meeting of the Company held on 24th July 2012, the shareholders approved the issue of 50,76,486 equity shares under the Scheme titled "Employee Stock Option Scheme 2012" (ESOS 2012). The Board approved Employees Stock Option Scheme covering 3,00,000 Stock options, in terms of the regulations of the Securities and Exchange Board of India. The ESOS 2012 allows the issue of options to Eligible employees of the Company. Each option comprises one underlying equity share. The exercise price of each option shall be ₹ 1/- per equity share. The options vest in the manner as specified in ESOS 2012. Options may be exercised within 5 years from the date of vesting.

ESOP 2016 covering grant of 45,00,000 options (including 2,50,000 Options to be granted to Eligible Employees/ Directors of the subsidiary Companies) was approved by the shareholders through Postal Ballot on 2nd April 2016. Each option comprises one underlying equity share. The exercise price shall be ₹ 1/- per option or such other higher price as may be fixed by the Board or Committee. Options to be granted under the Plan shall vest not earlier than one year but not later than a maximum of six years from the date of grant of such options. In the case of Eligible Employee who has not completed 3 years of employment as on date of the grant of Options then the Options which are due for vesting before completion of 3 years as above, shall vest as on the completion of 3 years of employment in the Company by the Employee concerned or as may be approved by the Nomination and Remuneration Committee. Vested Options will have to be exercised within 3 years from the date of respective vesting.

The following share based payment arrangements were in existence during the current & prior years:

50 Financial Instruments**(A) Capital Management**

The Group manages its capital to ensure that the Group will be able to continue as going concern while maximising the returns to stakeholders through the optimum utilisation of the equity balance. The capital structure of the Group consists of equity and borrowings.

(B) Categories of Financial Instruments

(₹ in crores)

	As at 31 st March 2023	As at 31 st March 2022
Financial Assets

Measured at amortised cost		
Borrowings	163.26	287.34
Trade Payables	1,063.59	1,049.29
Lease Liabilities	227.35	128.49
Other Financial liabilities	951.91	799.59
Total Financial Liabilities	2,406.71	2,265.38

(C) Financial risk management objectives

The Group's Treasury function provide services to the business, co-ordinates access to domestic and international financial markets, monitors and manages the financial risks relating to the operations of the Group through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk, credit risk and liquidity risk. The Group undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. Exchange rate exposures are managed within approved policy parameters utilising foreign exchange forward contracts. Compliance with policies and exposure limits is a part of Internal Financial Controls. The Group does not enter into or trade in financial instruments, including derivative financial instruments, for speculative purposes.

(D) Market risk

The Group's activities expose it primarily to the financial risk of changes in foreign currency exchange rates (see Note E below). The Group enters into foreign exchange forward contracts to manage its exposure to foreign currency risk of net imports.

(E) Foreign currency risk management

The carrying amounts of the Group's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows.

	Foreign Currency Exposure (in FC)		Foreign Currency Exposure (₹ in crores)	
	31 st March 2023	31 st March 2022	31 st March 2023	31 st March 2022
Amounts recoverable / (advance) in foreign currency on account of the following:				
EUR	11,71,830.37	8,97,400.36	10.49	7.58
USD	1,87,76,424.67	1,28,78,819.85	154.15	97.51
GBP	1,68,840.00	15,929.25	1.72	0.16
Amounts (payable) / advance in foreign currency on account of the following:				
AED	2,64,462.44	2,88,560.60	0.59	0.59
AUD	1,820.00	29,820.00	0.01	0.17
CHF	(9,347.80)	(13,780.80)	(0.08)	(0.11)
EUR	17,97,299.41	15,25,661.40	16.09	12.89
GBP	1,90,429.40	(17,06,367.06)	1.94	(16.94)
JPY	(60,00,000.00)	(1,14,28,300.00)	(0.37)	(0.72)
SGD	(3,04,090.88)	-	(1.88)	-
USD	(2,90,25,731.31)	(4,11,90,526.05)	(238.30)	(311.85)
ZAR	64,255.58	64,255.58	0.03	0.03

(i) Foreign currency sensitivity analysis

The Group is mainly exposed to the USD, EUR and GBP. The following table demonstrates the sensitivity to a 2% increase or decrease in the USD, EUR and GBP against INR with all other variables held constant. The sensitivity analysis is prepared on the net unhedged exposure of the Group as at the reporting date. 2% represents management assessment of reasonably possible changes in foreign exchange rates.

	USD impact	
	For the year ended 31 st March 2023	For the year ended 31 st March 2022
Impact on profit or loss for the year (a)	(1.68)	(4.29)

	EUR impact	
	For the year ended 31 st March 2023	For the year ended 31 st March 2022
Impact on profit or loss for the year (b)	0.53	0.41

(₹ in crores)

	GBP impact	
	For the year ended 31 st March 2023	For the year ended 31 st March 2022
Impact on profit or loss for the year (c)	0.07	(0.34)

- (a) This is mainly attributable to the exposure of outstanding USD receivables and payables at the end of the reporting period.
- (b) This is mainly attributable to the exposure of outstanding EUR receivables and payables at the end of the reporting period.
- (c) This is mainly attributable to the exposure of outstanding GBP receivables and payables at the end of the reporting period.

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

(ii) Foreign exchange forward contracts

It is the policy of the Group to enter into foreign exchange forward contracts to cover foreign currency payments (net of receipts) in USD, EUR, GBP and AUD. The Group enters in to contracts with terms upto 90 days. The Group's philosophy does not permit any speculative calls on the currency. It is driven by conservatism which guides that we follow conventional wisdom by use of Forward contracts in respect of Trade transactions.

Regulatory Requirements: The Group will alter its hedge strategy in relation to the prevailing regulatory framework and guidelines that may be issued by RBI, FEDAI, ISDA or other regulatory bodies from time to time.

Mode of taking Cover: Based on the outstanding details of import payable and exports receivable (in weekly baskets) the net trade import exposure is arrived at (i.e. Imports – Exports = Net trade exposures). The Net trade import exposure arrived at is netted off with the outstanding forward cover as on date and with the surplus foreign currency balance available in EEFC A/Cs. Forward cover is obtained from bank for each of the aggregated exposures and the Trade deal is booked. The forward cover deals are all backed by actual trade underlines and settlement of these contracts on maturity are by actual delivery of the hedged currency for settling the underline hedged trade transaction.

The following table details the foreign exchange forward contracts outstanding at the end of the reporting period:

Outstanding contracts	Average exchange rates (₹)		Foreign Currency (Amount)	
	31 st March 2023	31 st March 2022	31 st March 2023	31 st March 2022
USD - Buy	82.65	76.07	2,32,38,224.00	3,23,26,444.10

(₹ in crores)

Outstanding contracts	Nominal Amounts		Fair value assets / (liabilities)	
	31 st March 2023	31 st March 2022	31 st March 2023	31 st March 2022
USD - Buy	191.99	246.06	(0.60)	(0.16)

The line-items in the balance sheet that include the above hedging instruments are "Other financial assets" of ₹ 0.06 crores (₹ 0.44 crores as at 31st March 2022) and "Other financial liabilities" ₹ 0.60 crores (₹ 0.67 crores as at 31st March 2022) (refer Note 14 and 28 respectively).

At 31st March 2023, the aggregate amount of loss under foreign exchange forward contracts recognised in the Consolidated Statement of Profit and Loss is ₹ 0.44 crores (gain of ₹ 0.14 crores as at 31st March 2022).

(F) Credit risk management

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Group. Credit risk arises primarily from financial assets such as trade receivables (refer Note 10), investment in mutual funds, derivative financial instruments, other balances with banks, loans and other receivables.

The Group has adopted a policy of only dealing with counterparties that have sufficiently high credit rating. The Group's exposure and credit ratings of its counterparties are continuously monitored and the aggregate value of transactions is reasonably spread amongst the counterparties.

Credit risk arising from investment in mutual funds, derivative financial instruments and other balances with banks is limited and there is no collateral held against these because the counterparties are banks and recognised financial institutions with high credit ratings assigned by the international credit rating agencies.

(G) Liquidity risk management

Liquidity risk is the risk that the Group will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value.

The Group has an established liquidity risk management framework for managing its short term, medium term and long term funding and liquidity management requirements. The Group's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. The Group manages the liquidity risk by maintaining adequate credit facilities in cash and cash equivalents. The Group also has adequate credit facilities agreed with banks to ensure that there is sufficient cash to meet all its normal operating commitments in a timely and cost-effective manner.

(i) Liquidity risk tables

The following tables detail the Group's remaining contractual maturity for its derivative and non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group will be liable to pay.

The tables include both interest and principal cash flows. To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period.

(₹ in crores)

	Less than 1 year	1-5 years	More than 5 years	TOTAL	Carrying Amount

(H) Fair value measurements

This note provides information about how the Group determines fair values of various financial assets and financial liabilities.

(i) Fair value of the Group's financial assets and financial liabilities that are measured at fair value on a recurring basis.

Some of the Group's financial assets and financial liabilities are measured at fair value at the end of each reporting period. The following table gives information about how the fair values of these financial assets and financial liabilities are determined (in particular, the valuation technique(s) and inputs used).

Financial Assets / Financial Liabilities	Fair value		Fair value hierarchy	Valuation Technique(s) and key input(s)
	As at 31 st March 2023	As at 31 st March 2022		
1 Investment in Mutual Funds, Preference Shares, Debentures and Bonds (FVTPL)	Various funds - aggregate fair value of ₹ 576.80 crores	Various funds - aggregate fair value of ₹ 217.84 crores	Level 1	Refer note i.
2 Derivative assets & liabilities towards foreign currency forward contracts and Alternative Investment Fund (FVTPL)	Assets - ₹ 0.06 crores Liabilities - ₹ 0.60 crores Investment funds - aggregate fair value of ₹ 21.05 crores	Assets - ₹ 0.44 crores Liabilities - ₹ 0.67 crores Investment funds - aggregate fair value of ₹ 11.64 crores	Level 2	Refer note ii.
3 Investment in Equity and Preference Shares (FVTOCI)	Aggregate fair value of ₹ 181.84 crores	Aggregate fair value of ₹ 166.32 crores	Level 3	Refer note iii.
4 Investment in Promissory Notes (amortised cost) and Debentures (FVTOCI)	Aggregate fair value of ₹ 6.14 crores	Aggregate fair value of ₹ 2.15 crores	Level 3	Refer note iii.

Notes:

- Quoted bid prices in active market.
- Mark to market values acquired from banks/ financial institution, with whom the Group has contracts.
- If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as best estimate of fair value.

There has been no change in the valuation methodology for Level 3 inputs during the year.

A one percentage point change in the unobservable inputs used in fair valuation of Level 3 assets and liabilities does not have a significant impact in its value.

(ii) Financial instruments measured at amortised cost

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Group does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

51 Employee Benefits

The Group has classified various employee benefits as under:

(A) Defined Contribution Plans

(a) Provident Fund

(b) Superannuation Fund

(c) State Defined Contribution Plans

- Employers' Contribution to Employees' State Insurance

- Employers' Contribution to Employees' Pension Scheme 1995

- Labour Welfare Fund

(d) National Pension Scheme

The Provident Fund and the State Defined Contribution Plans are operated by the Regional Provident Fund Commissioner, the Superannuation Fund is administered by the LIC of India and National Pension Fund is administered by Pension Fund Regulatory and Development Authority (PFRDA), as applicable, for all eligible employees. Under the schemes, the Group is required to contribute a specified percentage of payroll cost to the retirement benefit schemes to fund the benefits. These funds are recognised by the Income Tax Authorities.

The Group has recognised the following amounts in the Consolidated Statement of Profit and Loss:

	₹ in crores	
	For the year ended 31 st March 2023	For the year ended 31 st March 2022
(i) Contribution to Provident Fund	41.75	36.11
(ii) Contribution to Employees' Superannuation Fund	0.66	0.80
(iii) Contribution to Employees' State Insurance Scheme & Labour Welfare Fund	0.22	0.29
(iv) Contribution to Employees' Pension Scheme 1995	11.19	9.91
(v) Contribution to National Pension Scheme	5.90	4.77
(vi) Other Funds (International)	0.86	1.29
TOTAL	60.58	53.17
(B) Defined Benefit Plans		
Gratuity		
(C) Other Long-Term Benefits		
(a) Compensated Absences		
(b) Anniversary Awards		
(c) Premature Death Pension Scheme		
(d) Total Disability Pension Scheme		

Valuations in respect of above have been carried out by independent actuary, as at the balance sheet date, based on the following assumptions:

	Valuations as at	
	31 st March 2023	31 st March 2022
(i) Discount Rate (per annum)	7.31% - 25.00%	6.25% - 14.97%
(ii) Rate of increase in Compensation levels (per annum)	6.50% - 10%	6.50% - 10%
(iii) Expected Rate of Return on Assets	7.31% - 25.00%	6.91% - 14.97%
(iv) Attrition Rate	1.00% to 26.00%	1.00% to 26.00%
(v) Retirement Age	60 years	60 years
(vi) The expected rate of return on plan assets is determined after considering several applicable factors such as the composition of the plan assets, investment strategy, market scenario, etc. In order to protect the capital and optimise returns within acceptable risk parameters, the plan assets are well diversified.		
(vii) The discount rate is based on the prevailing market yields of Government of India securities as at the balance sheet date for the estimated term of the obligations.		
(viii) The estimate of future salary increases considered, takes into account the inflation, seniority, promotion, increments and other relevant factors.		

Note on other risks:

- Investment Risk** - The funds are invested by LIC and they provide returns basis the prevalent bond yields, LIC on an annual basis requests for contributions to the fund, while the contribution requested may not be on the same interest rate as the bond yields provided, basis the past experience it is low risk.
- Interest Risk** - LIC does not provide market value of assets, rather maintains a running statement with interest rates declared annually - The fall in interest rate is not therefore offset by increase in value of Bonds, hence may pose a risk.
- Longevity Risk** - Since the gratuity payment happens at the retirement age of 58-60, longevity impact is very low at this age, hence this is a non-risk.
- Salary Risk** - The liability is calculated taking into account the salary increases, basis past experience of the Group's actual salary increases with the assumptions used, they are in line, hence this risk is low risk.
